

Huggies Brand Introduces Their Most Perfect Diaper Ever

Jul 8, 2019

New Huggies® Special Delivery™ diapers - the softest diaper with plant-based* materials and trusted leakage performance for baby's ultimate skin comfort

NEENAH, Wisc., July 8, 2019 /PRNewswire/ -- Inspired by parents, Huggies® has introduced [Huggies® Special Delivery™ diapers](#), the softest diaper with plant-based* materials, designed specifically to provide the best for a baby's bottom, without compromise.

Huggies®Special Delivery™ was created for ultimate skin comfort with the trusted leak protection that parents count on to keep baby's skin healthy.

"We are inspired by the loving bond that a parent feels with their baby and their desire to provide the very best care to their babies that they possibly can," said Kristine Rhode, Huggies North America brand director. "These insights led us to create our most perfect diaper, so parents can provide their own perfect care."

Huggies®Special Delivery™ diapers feature a baby-side liner and waistband made with fibers derived from plant-based* materials such as sugarcane, carefully selected to help provide superior absorption and fit. They are free of parabens, fragrance and elemental chlorine, and dermatologically tested and clinically proven hypoallergenic for baby's delicate skin.

Each size option of Huggies®Special Delivery™ diapers features adorable designs that are driven by contemporary market trends while helping parents know when a diaper change is needed with our Huggies wetness indicator.

Featured in a stylish black box with the iconic Huggies logo, Huggies®Special Delivery™ diapers are [now available online](#) in sizes Newborn through Size 6, and at major U.S. retailers at the end of July, and Canadian retailers in August.
