NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
(Unaudited)

Note 1. Accounting Policies

Basis of Presentation

The accompanying unaudited Condensed Consolidated Financial Statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP") for interim financial information and with the instructions to Form 10-Q and Article 10 of Regulation S-X. Accordingly, they do not include all of the information and footnotes required by GAAP for complete financial statements. In the opinion of management, all material adjustments which are of a normal and recurring nature necessary for a fair presentation of the results for the periods presented have been reflected.

For further information, refer to the Consolidated Financial Statements and footnotes included in our Annual Report on Form 10-K for the year ended December 31, 2011. The terms "Corporation," "Kimberly-Clark," "K-C," "we," "our" and "us" refer to Kimberly-Clark Corporation and its consolidated subsidiaries.

Highly Inflationary Accounting for Venezuelan Operations

Our Venezuelan subsidiary ("K-C Venezuela") accounts for its operations as highly inflationary, as required by GAAP. Under highly inflationary accounting, K-C Venezuela's functional currency became the U.S. dollar, and its income statement and balance sheet are measured into U.S. dollars using both current and historical rates of exchange. The effect of changes in exchange rates on bolivar-denominated monetary assets and liabilities is reflected in earnings in Other (income) and expense, net. We determined that the Central Bank of Venezuela regulated currency exchange system rate of 5.4 bolivars per U.S. dollar was the appropriate exchange rate to measure K-C Venezuela's bolivar-denominated transactions into U.S. dollars during 2011 and through June 30, 2012.

Note 2. Fair Value Information

Fair Value Measurements

The following fair value information is based on a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels in the hierarchy used to measure fair value are:

Level 1 – Unadjusted quoted prices in active markets accessible at the reporting date for identical assets and liabilities.

Level 2 – Quoted prices for similar assets or liabilities in active markets. Quoted prices for identical or similar assets and liabilities in markets that are not considered active or financial instruments for which all significant inputs are observable, either directly or indirectly.

Level 3 – Prices or valuations that require inputs that are significant to the valuation and are unobservable.

During the six months ended June 30, 2012 and for full year 2011, there were no significant transfers among level 1, 2, or 3 fair value determinations.

Set forth below are the assets and liabilities that are measured on a recurring basis at fair value and the inputs used to develop those fair value measurements.

Total	<u>\$ 121</u>	<u>\$ 15</u>	<u>\$ 106</u>	<u>\$ —</u>	
Liabilities					
Derivatives	\$ 120	\$ —	\$ 120	\$ —	

The COLI policies are a source of funding primarily for our nonqualified employee benefits and are included in other assets. Available-for-sale securities are included in other assets. See Note 8 for information on the classification of derivatives in the Condensed Consolidated Balance Sheet.

Level 1 Fair Values - The fair values of certain available-for-sale securities are based on quoted market prices in active markets for identical assets. Unrealized losses on these securities were not significant at June 30, 2012 and December 31, 2011 and have been recorded in other comprehensive income until realized. The unrealized losses have not been recognized in earnings because we have both the intent and ability to hold the securities for a period of time sufficient to allow for an anticipated recovery of fair value to the cost of these securities.

Level 2 Fair Values - The fair value of the COLI policies is derived from investments in a mix of money market, fixed income and equity funds managed by unrelated fund managers. The fair values of derivatives used to manage interest rate risk and commodity price risk are based on LIBOR rates and interest rate swap curves and NYMEX price quotations, respectively. The fair value of hedging instruments used to manage foreign currency risk is based on published quotations of spot currency rates and forward points, which are converted into implied forward currency rates. Additional information on our use of derivative instruments is contained in Note 8.

Fair Value Disclosures

The following table includes the fair value of our financial instruments for which disclosure of fair value is required:

	Fair Value Hierarchy Level	Carrying Amount	Estimated Fair Value	Carrying Amount	Estimated Fair Value
		June 30, 2012		December 31, 2011	
		(Millions of dollars)			
Assets					
Cash and cash equivalents ^(a)	1	\$ 994	\$ 994	\$ 764	\$ 764
Time deposits ^(b)	1	88	88	95	95
Note receivable ^(c)	3	394	382	394	373
Liabilities and redeemable preferred and common securities of subsidiaries					
Short-term debt ^(d)	2	354	354	87	87
Monetization loan ^(c)	3	397	391	397	386
Long-term debt ^(e)	2	5,516	6,616	5,648	6,671
Redeemable preferred securities of subsidiary ^(c)	3	506	557	506	568
Redeemable common securities of subsidiary ^(f)	3	41	41	41	41

^(a) Cash equivalents are comprised of certificates of deposit, time deposits and other interest-bearing investments with original maturity dates of 90 days or less. Cash equivalents are recorded at cost, which approximates fair value.

^(b) Time deposits, included in Other current assets on the Condensed Consolidated Balance Sheet, are comprised of deposits with original maturities of more than 90 days but less than one year. Time deposits are recorded at cost, which approximates fair value.

^(c) The note, monetization loan and redeemable preferred securities of subsidiary are not traded in active markets. Accordingly, their fair values were calculated using a floating rate pricing model that compared the stated spread to the fair value spread

to determine the price at which each of the financial instruments should trade. The model used the following inputs to calculate fair values: face value, current LIBOR rate, unobservable fair value credit spread, stated spread, maturity date and interest payment dates. The difference between the carrying amount of the note and its fair value represents an unrealized loss position for which an other-than-temporary impairment has not been recognized in earnings because we have both the intent and ability to hold the note for a period of time sufficient to allow for an anticipated recovery of fair value to the carrying amount of the note.

- (d) Short-term debt is comprised of U.S. commercial paper and other similar short-term debt issued by non-U.S. subsidiaries, all of which are recorded at cost, which approximates fair value.
- (e) Long-term debt excludes the monetization loan and includes the current portion (\$218 million and \$619 million at June 30, 2012 and December 31, 2011, respectively) of these debt instruments. Fair values were estimated based on quoted prices for financial instruments for which all significant inputs were observable, either directly or indirectly.
- (f) The fair value of the redeemable common securities of subsidiary was based on various inputs, including an independent third-party appraisal, adjusted for current market conditions.

Note 3. Pulp and Tissue Restructuring Actions

On January 21, 2011, we initiated a pulp and tissue restructuring plan ("The Restructuring") in order to exit our remaining integrated pulp manufacturing operations and improve the underlying profitability and return on invested capital of our consumer tissue and K-C Professional ("KCP") businesses. The Restructuring involves the streamlining, sale or closure of six of our manufacturing facilities around the world. In conjunction with these actions, we are exiting certain non-strategic products, primarily non-branded offerings, and transferring some production to lower-cost facilities in order to improve overall profitability and returns.

In addition, on January 24, 2012, we announced our decision to streamline an additional manufacturing facility in North America ("Additional Streamlining") to further enhance the profitability of our consumer tissue business.

Both restructuring actions are anticipated to be substantially completed by the end of 2012. The restructuring actions are expected to result in cumulative pre-tax charges of approximately \$550 million to \$600 million (\$385 million to \$420 million after tax) over 2011 and 2012. Cash costs related to the streamlining of operations, sale or closure, relocation of equipment, severance and other expenses are expected to account for approximately 30 to 40 percent of the charges. Noncash charges will consist primarily of incremental depreciation.

Through June 30, 2012, cumulative pre-tax charges for the restructuring actions were \$469 million (\$329 million after tax), including cumulative pre-tax cash charges of \$110 million. On a geographic basis, these cumulative pre-tax charges were incurred as follows: North America - \$252 million; Australia - \$138 million and Other - \$79 million. On a business segment basis, these cumulative pre-tax charges were incurred as follows: Consumer Tissue - \$406 million; K-C Professional & Other - \$61 million and Other (income) and expense, net - \$2 million.

The following charges were incurred in connection with the restructuring actions:

Note 4. Inventories

The following schedule presents a summary of inventories by major class:

We use the LIFO method of valuing inventory for financial reporting purposes for most U.S. inventories. Interim LIFO calculations are based on management's estimates of expected year-end inventory levels and costs. An actual valuation of inventory under the LIFO method is made at the end of each year based on the inventory levels and costs at that time.

For the six months ended June 30, 2012 and 2011, we made cash contributions of \$45 million and \$415 million, respectively, to our pension trusts. We currently anticipate contributing between \$50 and \$100 million for the full year 2012 to our pension trusts.

Note 6. Earnings Per Share ("EPS")

There are no adjustments required to be made to net income for purposes of computing basic and diluted EPS. The average number of common shares outstanding is reconciled to those used in the basic and diluted EPS computations as follows:

(Millions of shares)	Three Months Ended June 30		Six Months Ended June 30	
	2012	2011	2012	2011
Average shares outstanding	393.6	393.1	393.7	397.5

Outstanding options during the three and six month periods ended June 30, 2012 of 0.9 million and 0.4 million, respectively, and during the three and six month periods ended June 30, 2011 of 4.3 million and 4.5 million, respectively, were not included in the computation of diluted EPS mainly because the exercise prices of the options were greater than the average market price of the common shares during the periods.

The number of common shares outstanding as of June 30, 2012 and 2011 was 394.6 million and 392.2 million, respectively.

Note 7. Stockholders' Equity

Net unrealized currency gains or losses resulting from the translation of assets and liabilities of foreign subsidiaries, except those in highly inflationary economies, are recorded in Accumulated Other Comprehensive Income ("AOCI"). For these operations, changes in exchange rates generally do not affect cash flows; therefore, unrealized translation adjustments are recorded in AOCI rather than net income. Upon sale or substantially complete liquidation of any of these subsidiaries, the applicable unrealized translation adjustment would be removed from AOCI and reported as part of the gain or loss on the sale or liquidation.

Also included in unrealized translation amounts are the effects of foreign exchange rate changes on intercompany balances of a long-term investment nature and transactions designated as hedges of net foreign investments.

Note 8. Objectives and Strategies for Using Derivatives

As a multinational enterprise, we are exposed to financial risks, such as changes in foreign currency exchange rates, interest rates, commodity prices and the value of investments of our defined benefit pension plans. We employ a number of practices to manage these risks, including operating and financing activities and, where deemed appropriate, the use of derivative instruments. Our policies allow the use of derivatives for risk management purposes and prohibit their use for speculation. Our policies also prohibit the use of any leveraged derivative instrument. Consistent with our policies, foreign currency derivative instruments, interest rate swaps and locks and the majority of commodity hedging contracts are entered into with major financial institutions.

On the date a derivative contract is entered into, we formally designate certain derivatives as cash flow, fair value or net investment hedges and establish how the effectiveness of these hedges will be assessed and measured. This process links the derivatives to the transactions or financial balances they are hedging. Changes in the fair value of derivatives not designated as hedging instruments are recorded in earnings as they occur.

Set forth below is a summary of the fair values of our derivative instruments classified by the risks they are used to manage:

	Assets		Liabilities	
	June 30 2012	December 31 2011	June 30 2012	December 31 2011
(Millions of dollars)				
Foreign currency exchange risk	\$ 46	\$ 45	\$ 23	\$ 33
Interest rate risk	9	16	41	75
Commodity price risk	1	—	10	12
Total	\$ 56	\$ 61	\$ 74	\$ 120

The derivative assets are presented in the Condensed Consolidated Balance Sheet in Other current assets and Other assets, as appropriate. The derivative liabilities are presented in the Condensed Consolidated Balance Sheet in Accrued expenses and Other liabilities, as appropriate.

Foreign Currency Exchange Risk Management

We have a centralized U.S. dollar functional currency international treasury operation ("In-House Bank") that manages foreign currency exchange risks by netting, on a daily basis, our exposures to recorded non-U.S. dollar assets and liabilities and entering into derivative instruments with third parties whenever our net exposure in any single currency exceeds predetermined limits. These derivative instruments are not designated as hedging instruments. Changes in the fair value of these instruments are recorded in earnings when they occur. The In-House Bank also records the gain or loss on the remeasurement of its non-U.S. dollar-denominated monetary assets and liabilities in earnings. Consequently, the net effect on earnings from the use of these non-designated derivatives is substantially neutralized by transactional gains and losses recorded on the underlying assets and liabilities. The In-House Bank's daily notional derivative positions with third parties averaged \$1.4 billion in the first six months of 2012 and its average net exposure for the same period was \$1.3 billion. The In-House Bank used ten counterparties for its foreign exchange derivative contracts.

We enter into derivative instruments to hedge a portion of the net foreign currency exposures of our non-U.S. operations, principally for their forecasted purchases of pulp, which are priced in U.S. dollars, and imports of intercompany finished goods and work-in-process priced predominately in U.S. dollars and euros. The derivative instruments used to manage these exposures are designated and qualify as cash flow hedges. As of June 30, 2012, outstanding derivative contracts of \$830 million notional value were designated as cash flow hedges for the forecasted purchases of pulp and intercompany finished goods and work-in-process.

The foreign currency exposure on non-functional currency denominated monetary assets and liabilities managed outside the In-House Bank, primarily intercompany loans and accounts payable, is hedged with derivative instruments with third parties. At June 30, 2012, the notional amount of these predominantly undesignated derivative instruments was \$585 million.

Foreign Currency Translation Risk Management

Translation adjustments result from translating foreign entities' financial statements to U.S. dollars from their functional currencies. The risk to any particular entity's net assets is reduced to the extent that the entity is financed with local currency borrowing. Translation exposure, which results from changes in translation rates between functional currencies and the U.S. dollar, generally is not hedged. However, consistent with other years, a portion of our net investment in our Mexican affiliate has been hedged. At June 30, 2012, we had in place net investment hedges of \$98 million for a portion of our investment in our Mexican affiliate. Changes in the fair value of net investment hedges are recognized in other comprehensive income to offset the change in value of the net investment being hedged. There was no significant ineffectiveness related to net investment hedges as of June 30, 2012 and 2011.

Interest Rate Risk Management

Interest rate risk is managed using a portfolio of variable- and fixed-rate debt composed of short- and long-term instruments and interest rate swaps. From time to time, interest rate swap contracts, which are derivative instruments, are entered into to facilitate the maintenance of the desired ratio of variable- and fixed-rate debt. These derivative instruments are designated and qualify as fair value hedges or, to a lesser extent, cash flow hedges.

From time to time, we hedge the anticipated issuance of fixed-rate debt, using forward-starting swaps or "treasury locks" (e.g., a 10-year "treasury lock" hedging the anticipated underlying U.S. Treasury interest rate related to issuance of 10-year debt at a future date). These contracts are designated as cash flow hedges.

At June 30, 2012, the aggregate notional values of outstanding interest rate contracts designated as fair value hedges and cash flow hedges were \$300 million and \$280 million, respectively.

Commodity Price Risk Management

We use derivative instruments to hedge a portion of our exposure to market risk arising from changes in the price of natural gas. Hedging of this risk is accomplished by entering into forward swap contracts, which are designated as cash flow hedges of specific quantities of natural gas expected to be purchased in future months.

As of June 30, 2012, outstanding commodity forward contracts were in place to hedge forecasted purchases of about 30 percent of our estimated natural gas requirements for the next twelve months and a lesser percentage for future periods.

Effect of Derivative Instruments on Results of Operations and Other Comprehensive Income

Fair Value Hedges

Derivative instruments that are designated and qualify as fair value hedges are predominantly used to manage interest rate risk. The fair values of these instruments are recorded as an asset or liability, as appropriate, with the offset recorded in current earnings. The offset to the change in fair values of the related hedged items also is recorded in current earnings. Any realized gain or loss on the derivatives that hedge interest rate risk is amortized to interest expense over the life of the related debt.

Fair value hedges resulted in no significant ineffectiveness in the six months ended June 30, 2012 and 2011. For the six months ended June 30, 2012 and 2011, no gain or loss was recognized in earnings as a result of a hedged firm commitment no longer qualifying as a fair value hedge.

Cash Flow Hedges

For derivative instruments that are designated and qualify as cash flow hedges, the effective portion of the gain or loss on the derivative instrument is initially recorded in AOCI, net of related income taxes, and recognized in earnings in the same period that the hedged exposure affects earnings.

Cash flow hedges resulted in no significant ineffectiveness in the six months ended June 30, 2012 and 2011. For the six months ended June 30, 2012 and 2011, no gains or losses were reclassified into earnings as a result of the discontinuance of cash flow hedges due to the original forecasted transaction no longer being probable of occurring. At June 30, 2012, \$13 million of after-tax gains are expected to be reclassified from AOCI primarily to cost of sales during the next twelve months, consistent with the timing of the underlying hedged transactions. The maximum maturity of cash flow hedges in place at June 30, 2012 is July 2014.

Note 9. Description of Business Segments

We are organized into operating segments based on product groupings. These operating segments have been aggregated into four reportable global business segments: Personal Care, Consumer Tissue, K-C Professional & Other, and Health Care. The reportable segments were determined in accordance with how our executive managers develop and execute global strategies to drive growth and profitability. These strategies include global plans for branding and product positioning, technology, research and development programs, cost reductions including supply chain management, and capacity and capital investments for each of these businesses. Segment management is evaluated on several factors, including operating profit. Segment operating profit excludes other (income) and expense, net and income and expense not associated with the business segments, including the charges related to the pulp and tissue restructuring actions described in Note 3.

The principal sources of revenue in each global business segment are described below:

- *Personal Care* brands offer parents a trusted partner in caring for their families and deliver confidence, protection and discretion to adults, through a wide variety of innovative solutions and products such as disposable diapers, training and youth pants, swimpants, baby wipes, feminine and incontinence care products, and other related products. Health Care	5.1	6	—	—	(1)

- Personal care net sales in North America increased 2 percent. Net selling prices rose 4 percent, driven by improved revenue realization for Huggies diapers and baby wipes, while sales volumes decreased 1 percent. Child care and infant care volumes were down mid- and high-single digits, respectively, primarily reflecting category declines and modest consumer trade-down in infant care. Baby wipes volumes fell mid-single digits compared to strong year-ago performance. Adult care volumes rose high-single digits, including benefits from new Depend Real Fit and Silhouette briefs and new Poise Hourglass Shape Pads. Feminine care volumes were up high-single digits, with benefits from new U by Kotex products launched early in the second quarter.

In Europe, personal care net sales increased 1 percent, despite unfavorable currency effects of 9 percent. Sales volumes rose 12 percent, with growth in child care, Huggies baby wipes and non-branded offerings. Overall net selling prices fell 2 percent and product mix decreased net sales by 1 percent.

Personal care net sales increased 5 percent in K-C International, despite a 7 percent decrease from unfavorable currency effects. Sales volumes were up 8 percent, with high-single digit growth in each major region (Asia, Latin America, and the Middle East/Eastern Europe/Africa). Volume performance was strong in a number of markets, including Brazil, China, Russia, South Africa, Venezuela and Vietnam. Overall net selling prices improved 4 percent compared to the year-ago period, driven by increases in Latin America.

- Consumer tissue net sales in North America were down 4 percent compared to the prior year, including a 5 percent decrease from lost sales in conjunction with pulp and tissue restructuring actions. Net selling prices rose 5 percent, while organic sales volumes (i.e., sales volume impacts other than the lost sales from restructuring actions) decreased 4 percent. Paper towel net sales were up double digits primarily due to higher volumes and Kleenex facial tissue net sales were up mid-single digits, driven by higher net selling prices. Bathroom tissue net sales fell low-single digits, as lower volumes were partially offset by higher net selling prices. The volume comparison was impacted by sheet count reductions, strong year-ago shipments and competitive promotional activity.

In Europe, consumer tissue net sales decreased 8 percent, including unfavorable currency effects of 7 percent. Changes in product mix reduced net sales 2 percent and net selling prices declined 1 percent, as economic conditions remain difficult. Sales volumes were up 2 percent.

Consumer tissue net sales decreased 3 percent in K-C International. Currency rates were unfavorable by 6 percent and lost sales in conjunction with pulp and tissue restructuring actions reduced sales volumes by 1 percent. On the other hand, net selling prices increased 3 percent and product mix increased net sales by 2 percent, reflecting strategies to improve net realized revenue and profitability.

- Net sales of K-C Professional ("KCP") & other products in North America rose 1 percent. Increased sales volumes and changes in product mix each improved net sales by 1 percent, while net selling prices were down 1 percent. The volume increase was mostly attributable to higher washroom product volumes, reflecting modest improvement in market demand and benefits from innovation and selling initiatives.

In Europe, KCP net sales decreased 9 percent. Currency rates were unfavorable by 8 percent and lost sales in conjunction with pulp and tissue restructuring actions reduced sales volumes by 4 percent. On the other hand, net selling prices increased 2 percent and organic sales volumes improved 1 percent.

KCP net sales increased 2 percent in K-C International, despite a 6 percent decrease from changes in currency rates. Sales volumes were up 5 percent, driven by double-digit growth in Latin America. In addition, overall net selling prices rose 3 percent and product mix improved slightly.

- Net sales of health care products increased 5 percent as sales volumes rose 6 percent while unfavorable currency effects reduced net sales by 1 percent. Surgical and infection prevention (medical supply) volumes rose at a mid-single digit rate, with solid gains in exam gloves and surgical products. Medical device volumes increased double digits, led by strong growth in digestive health and airway management products.

^(a) Includes inflation/deflation in raw materials, energy and distribution costs.

^(b) Consolidated includes the impact of the charges in 2012 and 2011 related to the pulp and tissue restructuring actions.

Consolidated operating profit increased compared to the prior year due to higher net selling prices, \$85 million in cost savings, and \$30 million in deflation in key input costs from lower fiber costs of \$55 million that were partially offset by increases of \$15 million for raw materials other than fiber and \$10 million of higher distribution costs. On the other hand, lower production volumes in 2012 to manage inventory levels and unfavorable currency translation effects adversely affected operating profit comparisons by \$20 million each. In addition, overall marketing, research and general expenses increased versus the year-ago period. The higher spending included a \$35 million increase in strategic marketing, primarily to support product innovations and targeted growth initiatives. Administrative and research spending increased, in part to build further capabilities and support future growth.

In addition, the current year results include \$19 million of pre-tax charges for the pulp and tissue restructuring actions, while the prior year period includes \$90 million of pre-tax charges for the restructuring actions.

- Personal care segment operating profit in North America decreased due to lower sales volumes, higher marketing, research and general expenses and the negative impact of lower production volumes, partially offset by higher net selling prices, cost savings and lower input costs. Operating profit in Europe increased due to cost savings, higher sales volumes and the positive impact of higher production volumes, mostly offset by lower net selling prices and higher marketing, research and general expenses. In K-C International, operating profit increased as higher net selling prices, higher sales volumes and cost savings were partially offset by higher marketing, research and general expenses, unfavorable currency rates and increased input costs.
- Consumer tissue segment operating profit in North America increased as higher net selling prices, input cost deflation and cost savings were partially offset by lower sales volumes. In Europe, operating profit increased as cost savings and input cost deflation were partially offset by higher marketing, research and general expenses and unfavorable product mix. Operating profit in K-C International increased as higher net selling prices and favorable product mix were partially offset by higher marketing, research and general expenses and unfavorable currency rates.
- Operating profit for the KCP & other segment increased as sales growth, cost savings and lower input costs were partially offset by higher marketing, research and general expenses and unfavorable currency rates.
- Health care segment operating profit increased as a result of higher sales volumes, partially offset by higher input costs.

Additional Income Statement Commentary

- Other (income) and expense, net benefited in year-over-year comparison by \$10 million, primarily due to the resolution of a legal matter in 2012.
- Our share of net income of equity companies in the second quarter of 2012 was \$4 million lower than the prior year. At Kimberly-Clark de Mexico, S.A.B. de C.V., although sales volumes increased double-digits, U.S. dollar earnings were down somewhat driven by a decline in the value of the Mexican peso and a higher effective tax rate.

^(a) Includes inflation/deflation in raw materials, energy and distribution costs.

^(b) Consolidated includes the impact of the charges in 2012 and 2011 related to pulp and tissue restructuring actions and a 2011 non-deductible business tax charge related to a law change in Colombia.

Consolidated operating profit increased compared to the prior year. The benefits of higher net selling prices, cost savings, increased sales volumes and deflation in key input costs were partially offset by increased marketing, research and general expenses, including \$80 million in higher strategic marketing spending and unfavorable currency translation effects. In addition, current year results include \$54 million of pre-tax charges for the pulp and tissue restructuring actions, while the prior year includes \$172 million of pre-tax charges related to the pulp and tissue restructuring and a \$32 million business tax charge related to a law change in Colombia.

- Personal care segment operating profit increased due to higher net selling prices, cost savings and increased sales volumes, partially offset by increased marketing, research and general expenses, inflation in key input costs and unfavorable currency effects.

- Consumer tissue segment operating profit increased due to higher net selling prices, deflation in key input costs and cost savings, partially offset by lower sales volumes, increased marketing, research and general expenses, the negative effects of lower production volumes and unfavorable currency effects.
- Operating profit for KCP products increased due to higher net selling prices, cost savings, deflation in key input costs and higher sales volumes, partially offset by increased marketing, research and general expenses and unfavorable currency effects.
- Health care segment operating profit increased due to higher sales volumes, favorable mix, and higher net selling prices, partially offset by inflation in key input costs.

Pulp and Tissue Restructuring Actions:

On January 21, 2011, we initiated a pulp and tissue restructuring plan in order to exit our remaining integrated pulp manufacturing operations and improve the underlying profitability and return on invested capital of our consumer tissue and KCP businesses. The restructuring involves the streamlining, sale or closure of six of our manufacturing facilities around the world. In conjunction with these actions, we are exiting certain non-strategic products, primarily non-branded offerings, and transferring some production to lower-cost facilities in order to improve overall profitability and returns.

In addition, on January 24, 2012, we announced our decision to streamline an additional manufacturing facility in North America to further enhance the profitability of our consumer tissue business.

Both restructuring actions are anticipated to be substantially completed by the end of 2012. The restructuring actions are expected to result in cumulative pre-tax charges of approximately \$550 to \$600 million (\$385 to \$420 million after tax) over 2011 and 2012. Cash costs related to the streamlining of operations, sale or closure, relocation of equipment, severance and other expenses are expected to account for approximately 30 percent to 40 percent of the charges. Noncash charges will consist primarily of incremental depreciation.

As a result of the restructuring activities, versus the 2010 baseline, we expect that by 2013 annual net sales will decrease by \$250 to \$300 million, and operating profit will increase by at least \$75 million in 2013 and at least \$100 million in 2014. Through the second quarter of 2012, we have recognized cumulative operating profit benefits of \$35 million from the restructuring actions. Most of the restructuring will impact the consumer tissue business segment.

See additional information on the pulp and tissue restructuring actions in Note 3 to the Condensed Consolidated Financial Statements.

Liquidity and Capital Resources

- Cash provided by operations for the first six months of 2012 was \$1.3 billion compared to \$1.0 billion in the prior year. The increase was driven by lower defined benefit plan contributions and higher cash earnings, offset partially by increases in working capital. Contributions to our defined benefit pension plans totaled \$45 million for the six months ended June 30, 2012 versus \$415 million for the six months ended June 30, 2011. We currently anticipate contributing between \$50 to \$100 million to our pension trusts in 2012.
- During the first six months of 2012, we repurchased 8.9 million shares of our common stock at a cost of \$660 million. In 2012, we plan to repurchase \$1.3 billion of shares through open market purchases, subject to market conditions (increased from our prior share repurchase estimate of \$900 million to \$1.1 billion).
- Capital spending for the first six months was \$486 million compared with \$435 million last year. We anticipate that full year 2012 capital spending will be between \$1.0 and \$1.1 billion.
- At June 30, 2012, total debt and redeemable securities was \$6.8 billion compared with \$6.7 billion at December 31, 2011.
- Our short-term debt as of June 30, 2012 was \$354 million (included in Debt payable within one year on the Condensed Consolidated Balance Sheet) and consisted of U.S. commercial paper with original maturities up to 90 days and other similar short-term debt issued by non-U.S. subsidiaries. The average month-end balance of short-term debt for the second quarter of 2012 was \$438 million. These short-term borrowings, which included commercial paper that we issue from time to time, provide supplemental funding for supporting our operations. The level of short-term debt during a quarter generally fluctuates depending upon the amount of operating cash flows and the timing of customer receipts and payments for items such as dividends and income taxes.
- We have an unused revolving credit facility comprised of (1) a 5 year facility of \$1.5 billion scheduled to expire in October 2016, (2) an additional \$500 million facility scheduled to expire in October 2012, and (3) an option to increase either (but not both) the \$1.5 billion facility or the \$500 million facility by an additional \$500 million. This facility supports our commercial

paper program and would provide liquidity in the event our access to the commercial paper market is unavailable for any reason.

- The Venezuelan government has currency exchange regulations that limit U.S. dollar availability to pay for the historical levels of U.S. dollar-denominated imports to support operations of our Venezuelan subsidiary (“K-C Venezuela”). At June 30, 2012, K-C Venezuela had a bolivar-denominated net monetary asset position of \$156 million and our net investment in K-C Venezuela was \$293 million, both valued at 5.4 bolivars per U.S. dollar. Net sales of K-C Venezuela represented 1 percent of Consolidated Net Sales for full-year 2011. The Venezuelan government enacted price controls effective April 1, 2012 that reduced the net selling prices of certain of K-C Venezuela's products. The enacted price controls are not expected to have a material impact on our consolidated financial results.
- We believe that our ability to generate cash from operations and our capacity to issue short-term and long-term debt are adequate to fund working capital, capital spending, payment of dividends, pension plan contributions and other needs for the foreseeable future. Further, we do not expect restrictions or taxes on repatriation of cash held outside of the United States to have a material effect on our overall liquidity, financial condition or results of operations for the foreseeable future.

Legal Matters

We are subject to various legal proceedings, claims and governmental inspections, audits or investigations pertaining to issues such as contract disputes, product liability, patents and trademarks, advertising, governmental regulations, employment and other matters. Although the results of litigation and claims cannot be predicted with certainty, we believe that the ultimate disposition of these matters, to the extent not previously provided for, will not have a material adverse effect, individually or in the aggregate, on our business, financial condition, results of operations or liquidity.

We are subject to federal, state and local environmental protection laws and regulations with respect to our business operations and are operating in compliance with, or taking action aimed at ensuring compliance with, these laws and regulations. We have been named a potentially responsible party under the provisions of the U.S. federal Comprehensive Environmental Response, Compensation, and Liability Act, or analogous state statutes, at a number of waste disposal sites. None of our compliance obligations with environmental protection laws and regulations, individually or in the aggregate, is expected to have a material adverse effect on our business, financial condition, results of operations or liquidity.

Business Outlook

During the second half of 2012, we expect economic conditions to continue to be volatile. In this global environment, we will seek to continue to increase strategic marketing faster than net sales, pursue targeted growth initiatives, deliver cost savings and generate cash flow. As the commodity cost environment has improved over the first half of 2012, and several currencies have recently weakened against the U.S. dollar, we are anticipating lower commodity costs and higher unfavorable currency impacts than previously estimated. We will continue to manage our company with financial discipline.

Information Concerning Forward-Looking Statements

Certain matters contained in this report concerning the business outlook, including the anticipated costs, scope, timing and effects of restructuring actions, the impact of foreign government actions, cash flow, cash sources and uses of cash, economic conditions and market demand, cost savings and reductions, cost inflation and input costs, anticipated currency rates and exchange risk, anticipated financial and operating results, contingencies and anticipated transactions of Kimberly-Clark, including share repurchases and pension contributions, constitute “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995 and are based upon management's expectations and beliefs concerning future events impacting Kimberly-Clark. There can be no assurance that these future events will occur as anticipated or that our results will be as estimated. Forward-looking statements speak only as of the date they were made, and we undertake no obligation to publicly update them.

The assumptions used as a basis for the forward-looking statements include many estimates that, among other things, depend on the achievement of future cost savings and projected volume increases. In addition, many factors outside our control, including fluctuations in foreign currency exchange rates, the prices and availability of our raw materials, potential competitive pressures on selling prices for our products, energy costs and retail trade customer actions, as well as general economic and political conditions globally and in the markets in which we do business, could affect the realization of these estimates.

For a description of certain factors that could cause our future results to differ from those expressed in these forward-looking statements, see Item 1A of our Annual Report on Form 10-K for the year ended December 31, 2011 entitled “Risk Factors.”

Item 4. Controls and Procedures

As of June 30, 2012, an evaluation was performed under the supervision and with the participation of management, including the Chief Executive Officer and Chief Financial Officer, of the effectiveness of the design and operation of our disclosure controls and procedures. Based on that evaluation, management, including the Chief Executive Officer and Chief Financial Officer, concluded that our disclosure controls and procedures were effective as of June 30, 2012. There were no changes in our internal control over financial reporting during the quarter covered by this report that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

**KIMBERLY-CLARK CORPORATION
NONQUALIFIED STOCK OPTION
AWARD AGREEMENT**

This Award, granted on _____, by Kimberly-Clark Corporation, a Delaware corporation (hereinafter called the "Corporation"), to _____ (the "Employee") is subject to the terms and conditions of the 2011 Equity Participation Plan (the "Plan") and this Award Agreement, including any country-specific terms and conditions contained in Appendix A to this Award Agreement.

W I T N E S S E T H:

WHEREAS, the Corporation has adopted the 2011 Equity Participation Plan (the "Plan") to encourage those employees who materially contribute, by managerial, scientific or other innovative means, to the success of the Corporation or of an Affiliate, to acquire an ownership interest in the Corporation, thereby increasing their motivation for and interest in the Corporation's or the Affiliate's long-term success;

NOW, THEREFORE, it is agreed as follows:

1. Number of Shares Optioned; Option Price. The Corporation grants to the Employee the right and option to purchase in his own name, on the terms and conditions hereinafter set forth, all or any part of an aggregate of _____ shares of the \$1.25 par value common stock of the Corporation, and at the purchase price of \$_____ per share, as granted on the date set forth above. This option shall not be an incentive stock option within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code").
2. Exercise of Option.
 - (a) Limitations on Exercise. This option shall be subject to forfeiture until the Employee becomes vested in such Awards according to the schedule set forth below. This option shall not be exercisable until at least one year has expired after the granting of this option, during which time the Employee shall have been in the continuous employ of the Corporation or an Affiliate; provided, however, that the option shall become exercisable immediately in the event of a Qualified Termination of Employment of the Employee, without regard to the limitations set forth below in this subsection. At any time during the period of this option after the end of the first year, the Employee may purchase up to 30 percent of the shares covered by this option; after the end of the second year, an additional 30 percent; and after the end of the third year, the remaining 40 percent of the total number of shares covered by the option, so that, upon the expiration of the third year, the Employee will have become entitled to purchase

all shares subject to this option; provided, however, that if the Employee's employment is terminated for any reason other than death, Retirement, or Total and Permanent Disability, this option shall only be exercisable for three months following such termination and only for the number of shares which were exercisable on the date of such termination. In no event, however, may this option be exercised more than ten (10) years after the date of its grant.

The above provisions of Section 2(a) notwithstanding, to the extent provided by rules of the Committee referred to in the Plan (hereinafter referred to as the "Committee"), this option is not exercisable during any period during which the Employee's right to make deposits to the Kimberly-Clark Corporation 401(k) and Profit Sharing Plan is suspended pursuant to a provision of such plan or rules adopted thereunder to comply with regulations regarding hardship withdrawals promulgated by the Internal Revenue Service.

A termination of employment shall not be deemed to have occurred while an Employee is on military leave or other bona fide leave of absence if the period of such leave does not exceed six months, or if longer, so long as the Employee retains a right to reemployment with the Corporation or an Affiliate under an applicable statute or by contract. For purposes of this subparagraph, a leave of absence constitutes a bona fide leave of absence only if there is a reasonable expectation that the Employee will return to perform services for the Corporation or an Affiliate. If the period of leave exceeds six months and the Employee does not retain a right to reemployment under an applicable statute or by contract, the employment relationship is deemed to terminate on the first date immediately following such six-month period. Notwithstanding the foregoing sentence, where a leave of absence is due to any medically determinable physical or mental impairment that can be expected to result in death or can be expected to last for a continuous period of not less than six months, where such impairment causes the Employee to be unable to perform the duties of his or her position of employment or any substantially similar position of employment, a 29-month period of absence is substituted for such six-month period in determining whether a termination of employment shall be deemed to have occurred. A termination of employment with the Corporation or an Affiliate to accept immediate reemployment with the Corporation or an Affiliate likewise shall not be deemed to be a termination of employment for purposes of the Plan. An Employee who is classified as an intermittent employee shall be deemed to have a termination of employment for purposes of the Plan.

- (b) Exercise after Death, Retirement, or Disability. If the Employee dies, Retires or becomes Totally and Permanently Disabled without having exercised this option in full, the remaining portion of this option, determined without regard to the limitations in subsection 2(a), may be exercised within the earlier of (i) three years from the date of death or Total and Permanent Disability or five years from the date of Retirement, as the case may be, or (ii) the remaining period of this option. In the case of an Employee who dies, this option may be exercised by the person or persons to whom the Employee's rights under this option shall pass by will or by applicable law or, if no such person has such rights, by his executor or administrator. Notwithstanding the above, if the Corporation receives an opinion of counsel that there has been a legal judgment and/or legal

development in the Employee's jurisdiction that likely would result in the favorable Retirement treatment that applies to this option pursuant to this subsection (b) being deemed unlawful and/or discriminatory, then the Corporation will not apply the favorable Retirement treatment at the time of termination and this option will be treated as it would under the rules that apply if the Employee's employment is terminated for reasons other than death, Retirement or Total and Permanent Disability.

- (c) Method of Exercise. This option shall be exercised by delivering to Merrill Lynch, or other authorized agent of the Corporation, as set forth in their terms and conditions of exercise, written notice of the number of shares with respect to which option rights are being exercised and by paying in full the option price of the shares at the time being acquired. Payment may be made in cash or, for U.S. Employees only, in shares of the Corporation's common stock as set forth in the terms and conditions of exercise. The date of exercise shall be deemed to be the date of receipt of the written notice and payment for the shares being purchased. The Employee shall have none of the rights of a stockholder with respect to shares covered by such options until the Employee becomes record holder of such shares.
 - (d) Payment of Withholding Taxes. No shares of common stock may be purchased under this option, unless prior to or simultaneously with such purchase, (i) the Employee, (ii) in the event of his death, the person succeeding to his rights hereunder or, (iii) in the event of a transfer of an option under Section 8 hereof, either the Employee, the Immediate Family Members or the entity succeeding to his rights hereunder, shall pay to the Corporation such amount as the Corporation advises is required under applicable federal, state or local laws to withhold and pay over to governmental taxing authorities by reason of the purchase of such shares of common stock pursuant to this option. Other than a purchase of shares pursuant to an option which had previously been transferred under Section 8 hereof, payment of required withholding taxes may be made with shares of the Corporation's common stock which otherwise would be distributable upon exercise of the option, pursuant to the rules of the Committee.
3. Nontransferability. Except as may otherwise be provided by the Committee, this option shall be transferable only by will or by the laws of descent and distribution, and during the Employee's lifetime shall be exercisable only by him.
4. Compliance with Law. No shares of common stock may be purchased under this option, unless prior to the purchase thereof, the Corporation shall have received an opinion of counsel to the effect that the issuance and sale of such shares by the Corporation to the Employee will not constitute a violation of the Securities Act of 1933, as amended. As a condition of exercise, the Employee shall, if requested by the Corporation, submit a written statement in form satisfactory to counsel for the Corporation, to the effect that any shares of common stock purchased upon exercise of this option will be purchased for investment and not with a view to the distribution thereof within the meaning of the Securities Act of 1933, as amended, and the Corporation shall have the right, in its discretion, to cause the certificates representing shares of common stock purchased hereunder to be appropriately legended to refer to such undertaking or to any legal restrictions imposed upon the transferability thereof by reason of such undertaking.

The option granted hereby is subject to the condition that if the listing, registration or qualification of the shares subject hereto on any securities exchange or under any state or federal law, or if the consent or approval of any regulatory body shall be necessary as a condition of, or in connection with, the granting of the option or the delivery or purchase of shares thereunder, such option may not be exercised in whole or in part unless and until such listing, registration, qualification, consent or approval shall have been effected or obtained. The Corporation agrees to use its best efforts to obtain any such requisite listing, registration, qualification, consent or approval.

5. No Right of Continued Employment. The granting of this option does not confer upon the Employee any legal right to be continued in the employ of the Corporation or its Affiliates, and the Corporation and its Affiliates reserve the right to discharge the Employee whenever the interest of the Corporation or its Affiliates may so require without liability to the Corporation or its Affiliates, the Board of Directors of the Corporation or its Affiliates, or the Committee, except as to any rights which may be expressly conferred on the Employee under this option.
6. Discretion of the Corporation, Board of Directors and the Committee. Any decision made or action taken by the Corporation or by the Board of Directors of the Corporation or by the Committee arising out of or in connection with the construction, administration, interpretation and effect of this option shall be within the absolute discretion of the Corporation, the Board of Directors of the Corporation or the Committee, as the case may be, and shall be conclusive and binding upon all persons.
7. Amendments. The Committee may at any time alter or amend this option to the extent (1) permitted by law, (2) permitted by the rules of any stock exchange on which the common stock or any other security of the Corporation is listed, (3) permitted under applicable provisions of the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended (including rule 16b-3 thereof), and (4) that such action would not result in the disallowance of a deduction to the Corporation under section 162(m) of the Code or any successor section (including the rules and regulations promulgated thereunder). Notwithstanding anything to the contrary contained herein, the Committee may not take any action that would result in any amount payable under this option qualifying as "applicable employee remuneration" as so defined for purposes of section 162(m) of the Code.
8. Inalienability of Benefits and Interest. This option and the rights and privileges conferred hereby shall not be subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance or charge, and any such attempted action shall be void and no such benefit or interest shall be in any manner liable for or subject to debts, contracts, liabilities, engagements, or torts of the Employee.
9. Delaware Law to Govern. All questions pertaining to the construction, interpretation, regulation, validity and effect of the provisions of this option shall be determined in accordance with the laws of the State of Delaware.
10. Purchase of Common Stock. The Corporation and its Affiliates may, but shall not be required to, purchase shares of common stock of the Corporation for purposes of satisfying the requirements of this option. The Corporation and its Affiliates shall have no obligation to retain and shall have the unlimited right to sell or otherwise deal with for their own account, any shares of common stock of the Corporation purchased for satisfying the requirements of this option.

11. Notices. Any notice to be given to the Corporation under this option shall be addressed to the Corporation in care of its Director of Compensation located at the World Headquarters, and any notice to be given to the Employee under the terms of this option may be addressed to him at his address as it appears on the Corporation's records, or at such other address as either party may hereafter designate in writing to the other. Any such notice shall be deemed to have been duly given if and when enclosed in a properly sealed envelope or wrapper addressed as aforesaid, registered and deposited, postage and registry fee prepaid, in a post office or branch post office regularly maintained by the United States Government.
12. Changes in Capitalization. In the event there are any changes in the common stock or the capitalization of the Corporation through a corporate transaction, such as any merger, any acquisition through the issuance of capital stock of the Corporation, any consolidation, any separation of the Corporation (including a spin-off or other distribution of stock of the Corporation), any reorganization of the Corporation (whether or not such reorganization comes within the definition of such term in section 368 of the Code), or any partial or complete liquidation by the Corporation, recapitalization, stock dividend, stock split or other change in the corporate structure, appropriate adjustments and changes shall be made by the Committee in (a) the number of shares and the option price per share of stock subject to this option, and (b) such other provisions of this option as may be necessary and equitable to carry out the foregoing purposes, provided, however that no such adjustment or change may be made to the extent that such adjustment or change will result in the disallowance of a deduction to the Corporation under section 162(m) of the Code or any successor section.
13. Effect on Other Plans. All benefits under this option shall constitute special compensation and shall not affect the level of benefits provided to or received by the Employee (or the Employee's estate or heirs) as part of any employee benefit plan of the Corporation or an Affiliate. This option shall not be construed to affect in any way the Employee's rights and obligations under any other plan maintained by the Corporation or an Affiliate on behalf of employees.
14. Successors. This option shall be binding upon and inure to the benefit of any successor or successors of the Corporation.
15. Defined Terms. Terms which are capitalized are defined herein or in the Plan and have the same meaning set forth in the Plan, unless the context indicates otherwise.
16. For U.S. Employees Only. A U.S. Employee who has not previously signed a noncompete agreement has until the end of the one hundred twenty (120) day period beginning from the Grant Date of this option to sign and return the Noncompete Agreement provided to such Employee. If the U.S. Employee does not sign and return the provided Noncompete Agreement on or before the end of such one hundred twenty (120) day period then the grant of the right and option to purchase the shares of common stock of the Corporation, as set forth in Section 1, shall not be binding on and shall be voidable by the Corporation, in which case it shall have no further force or effect.

17. Acceptance of Option Terms and Conditions. An Employee has until the end of the one hundred twenty (120) day period beginning from the Grant Date of this option to accept this Award Agreement. If the Employee does not accept this Award Agreement on or before the end of such one hundred twenty (120) day period, then the grant of the right and option to purchase the shares of common stock of the Corporation, as set forth in Section 1, shall not be binding on and shall be voidable by the Corporation, in which case it shall have no further force or effect.

Acknowledgment of Conditions

I understand, acknowledge and agree to the following conditions with respect to the Award granted to me under the Plan:

- The 2011 Equity Participation Plan (the "Plan") is discretionary in nature and the Corporation may cancel or terminate it at any time. The grant of an option is a voluntary and occasional benefit and does not create any contractual or other right to receive a grant of options or benefits in lieu of options in the future. Future grants, if any, will be at the sole discretion of the Corporation, including, but not limited to, the timing of any grant, the number of option shares, vesting provisions and the exercise price.
- My participation in the Plan is voluntary. The value of this option and the shares of common stock covered by this option are extraordinary items that do not constitute compensation of any kind for services of any kind rendered to the Corporation or my actual employer (the "Employer"), and which are outside the scope of my employment contract, if any, and are not intended to replace any pension rights or compensation. As such, the option is not part of normal or expected compensation or salary for any purposes, including, but not limited to, calculating any severance, resignation, termination, redundancy, end of service payments, bonuses, long-service awards, pension, retirement or welfare benefits or similar payments and in no event shall be considered as compensation for, or relating in any way to, past services for the Corporation, the Employer or any Affiliate.
- Vesting of any option shares ceases upon termination of active employment for any reason (whether or not in breach of local labor laws and except as may otherwise be explicitly provided in the Plan document or this Award Agreement), and will not be extended by any notice period mandated under local law (e.g., active employment would not include a period of "garden leave" or similar period pursuant to local law); the Committee shall have the exclusive discretion to determine when I am no longer actively employed for purposes of this option.
- No claim or entitlement to compensation or damages shall arise from termination of this option or diminution in value of this option resulting from termination of my employment by the Corporation or the Employer (for any reason whatsoever and whether or not in breach of local labor laws) and, in consideration of the grant of this option, to which I am not otherwise entitled, I irrevocably agree never to institute any claim against the Corporation or the Employer, waive my ability, if any, to bring any such claim, and release the Corporation and the Employer from any such claim; if, notwithstanding the foregoing, any such claim is

allowed by a court of competent jurisdiction to have arisen, then, by participating in the Plan, I shall be deemed irrevocably to have agreed not to pursue such a claim and agree to execute any and all documents necessary to request dismissal or withdrawal of such claims.

- The future value of the underlying shares is unknown and cannot be predicted with certainty. If the underlying shares do not increase in value, the option will have no value. If I exercise this option and obtain shares, the value of those shares acquired upon exercise may increase or decrease in value, even below the option price.
- Regardless of any action the Corporation or the Employer take with respect to any or all income tax, social insurance, payroll tax, payment on account or other tax-related withholding related to my participation in the Plan and legally applicable to me ("Tax-Related Items"), I acknowledge

that the ultimate liability for all Tax-Related Items is and remains my responsibility and may exceed the amount actually withheld by the Corporation or the Employer. I further acknowledge that the Corporation and/or the Employer (1) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of this option, including, but not limited to, the grant, vesting or exercise of this option, the subsequent sale of shares acquired pursuant to such exercise and the receipt of any dividends; and (2) do not commit to structure the terms of the grant or any aspect of this option to reduce or eliminate my liability for Tax-Related Items or achieve any particular tax result. Furthermore, if I have become subject to tax in more than one jurisdiction between the Grant Date and the date of any relevant taxable or tax withholding event, as applicable, I acknowledge that the Corporation and/or the Employer (or former employer, as applicable) may be required to withhold or account for Tax-Related Items in more than one jurisdiction.

- Prior to the relevant taxable or tax withholding event, as applicable, I shall pay or make adequate arrangements satisfactory to the Corporation and/or the Employer to satisfy or account for all Tax-Related Items. In this regard, I authorize the Corporation or the Employer, or their respective agents, at their discretion, to satisfy the obligations with regard to all Tax-Related Items by one or a combination of the following:
 - (1) withholding from my wages or other cash compensation paid to me by the Corporation and/or the Employer; or
 - (2) withholding from proceeds of the sale of shares acquired pursuant to the exercise of this option, either through a voluntary sale or through a mandatory sale arranged by the Corporation (on my behalf, pursuant to this authorization); or
 - (3) withholding in shares to be issued upon exercise of this option.
- To avoid negative accounting treatment, the Corporation may withhold or account for Tax-Related Items by considering applicable minimum statutory withholding amounts or other applicable withholding rates. If the obligation for Tax-Related Items is satisfied by withholding in shares, I am deemed, for tax purposes, to have been issued the full number

of shares subject to the portion of this option that is exercised, notwithstanding that a number of shares is held back solely for the purpose of paying Tax-Related Items due as a result of any aspect of my participation in the Plan.

- I shall pay to the Corporation or to the Employer any amount of Tax-Related Items that the Corporation or the Employer may be required to withhold or account for as a result of my participation in the Plan that cannot be satisfied by the means previously described. The Corporation may refuse to honor the exercise or deliver shares to me if I fail to comply with my obligation in connection with the Tax-Related Items as described herein.
- The Corporation is not providing any tax, legal or financial advice, nor is the Corporation making any recommendations regarding my participation in the Plan, or my acquisition or sale of the underlying shares. I am hereby advised to consult with my own personal tax, legal and financial advisors regarding my participation in the Plan before taking any action related to the Plan.
- ***Data Privacy. I hereby explicitly and unambiguously consent to the collection, use and transfer, in electronic or other form, of my personal data as described in this Agreement and any other this option grant materials by and among, as applicable, the Employer, the Corporation and its subsidiaries and Affiliates for the exclusive purpose of implementing, administering and managing my participation in the Plan.***

I understand that the Corporation and the Employer may hold certain personal information about me, including, but not limited to, my name, home address and telephone number, date of birth, social insurance number or other identification number, salary, nationality, job title, any shares of stock or directorships held in the Corporation, details of all options or any other entitlement to shares of common stock awarded, canceled, exercised, vested, unvested or outstanding in my favor, for the exclusive purpose of implementing, administering and managing the Plan ("Data").

I understand that Data will be transferred to a broker, or such other stock plan service provider as may be selected by the Corporation in the future, which is assisting the Corporation with the implementation, administration and management of the Plan. I understand that the recipients of the Data may be located in the United States or elsewhere, and that the recipients' country (e.g., the United States) may have different data privacy laws and protections than my country. I understand that I may request a list with the names and addresses of any potential recipients of the Data by contacting my local human resources representative. I authorize the Corporation, the broker and any other possible recipients which may assist the Corporation (presently or in the future) with implementing, administering and managing the Plan to receive, possess, use, retain and transfer the Data, in electronic or other form, for the sole purpose of implementing, administering and managing my participation in the Plan. I understand that Data will be held only as long as is necessary to implement, administer and manage my participation in the Plan. I understand that I may, at any time, view Data, request additional information about the storage and processing of Data, require any necessary amendments to Data or refuse or withdraw the consents herein, in any case without cost, by contacting in writing my local human resources representative. I understand,

however, that refusing or withdrawing my consent may affect my ability to participate in the Plan. For more information on the consequences of my refusal to consent or withdrawal of consent, I understand that I may contact my local human resources representative.

- My option may not be assigned, sold, encumbered, or in any way transferred or alienated.
- The Plan is governed by and subject to U.S. law. Interpretation of the Plan and my rights under the Plan will be governed by provisions of U.S. law. For purposes of litigating any dispute that arises under this grant or the Agreement, the parties hereby submit to and consent to the jurisdiction of the State of Delaware, U.S.A. and agree that such litigation shall be conducted in the federal courts for the United States for the Northern District of Texas, where this grant is made and/or to be performed.
- I understand that I am solely responsible for obtaining/providing whatever exchange control approvals, permits, licenses or notices, which may be necessary for me to exercise my option, acquire the shares or to hold or sell the shares subject to the option or restricted share unit award. Neither the Corporation nor its Affiliates will be responsible for obtaining such approvals, licenses or permits, or for making any such notices, nor will the Corporation or its Affiliates be liable for any fines or penalties I may incur for failure to obtain any required approvals, permits or licenses or to make any required notices.
- The provisions of this Award Agreement are severable and if one or more of the provisions of this Award Agreement shall be held invalid, illegal or otherwise unenforceable, in whole or in part, the remaining provisions shall nonetheless be binding and enforceable. To the extent that any provisions of this Award Agreement are held to be invalid or otherwise unenforceable in any respect, the validity, legality and enforceability of the remaining provisions shall not in any be affected or impaired thereby and the invalid, illegal or unenforceable provisions shall be deemed null and void; however, to the extent permissible by law, any provisions which could be deemed null and void shall first be construed, interpreted or revised retroactively to permit this Award Agreement to be construed so as to foster the intent of this Award Agreement and the Plan.
- If I have received this Award Agreement or any other document related to the Plan translated into a language other than English and if the meaning of the translated version is different than the English version, the English version will control.
- Notwithstanding any provisions in this Award Agreement, this option shall be subject to any special terms and conditions set forth in Appendix A to this Award Agreement for my country. Moreover, if I relocate to one of the countries included in Appendix A, the special terms and conditions for such country will apply to me, to the extent the Corporation determines that the application of such terms and conditions is necessary or advisable in order to comply with local law or facilitate the administration of the Plan. Appendix A constitutes part of this Award Agreement.
- The Corporation reserves the right to impose other requirements on my participation in the Plan, on this option and on any shares acquired under the Plan, to the extent that the Corporation determines it is necessary or advisable in order to comply with local law or

facilitate the administration of the Plan, and to require me to sign any additional agreements or undertakings that may be necessary to accomplish the foregoing.

- The Corporation may, in its sole discretion, decide to deliver any documents related to current or future participation in the Plan by electronic means. I hereby consent to receive such documents by on-line delivery and agree to participate in the Plan through an on-line or electronic system established and maintained by the Corporation or a third-party designated by the Corporation.

CHILE

Securities Law Information

Neither the Corporation nor the shares of common stock are registered with the Chilean Registry of Securities or under the control of the Chilean Superintendence of Securities.

Exchange Control Information

It is the Employee's responsibility to make sure that he or she complies with exchange control requirements in Chile when the value of his or her option exercise transaction is in excess of US\$10,000, regardless of whether the Employee exercises his or her option through a cash exercise or cashless method of exercise.

If the Employee uses the cash exercise method to exercise this option and the Employee remits funds in excess of US\$10,000 out of Chile, the remittance must be made through the Formal Exchange Market (*i.e.*, a commercial bank or registered foreign exchange office). In such case, the Employee must provide to the bank or registered foreign exchange office certain information regarding the remittance of funds (*e.g.*, destination, currency, amount, parties involved, etc.).

If the Employee exercises this option using a cashless exercise method and the aggregate value of the option price exceeds US\$10,000, the Employee must sign Annex 1 of the Manual of Chapter XII of the Foreign Exchange Regulations and file it directly with the Central Bank within 10 days of the exercise date.

The Employee is not required to repatriate funds obtained from the sale of shares or the receipt of any dividends. The Employee should consult with his or her personal legal advisor regarding any exchange control obligations that the Employee may have prior to exercising this option or receiving proceeds from the sale of shares of common stock acquired under the Plan.

Annual Tax Reporting Obligation

The Chilean Internal Revenue Service ("CIRS") requires all taxpayers to provide information annually regarding: (i) the taxes paid abroad, which they will use as a credit against Chilean income taxes, and (ii) the results of foreign investments. These annual reporting obligations must be complied with by submitting a sworn statement setting forth this information before March 15 of each year. The forms to be used to submit the sworn statement are Tax Form 1853 "Annual Sworn Statement Regarding Credits for Taxes Paid Abroad" and Tax Form 1851 "Annual Sworn Statement Regarding Investments Held Abroad." If the Employee is not a Chilean citizen and has been a resident in Chile for less than three years, the Employee is exempt from the requirement to file Tax Form 1853. These statements must be submitted electronically through the CIRS website: www.sii.cl.

COLOMBIA

Exchange Control Information

Investments in assets located abroad (including shares of common stock) are subject to registration with the Bank of the Republic if the Employee's aggregate investments held abroad (as of December 31 of the applicable calendar year) equal or exceed US\$500,000.

If funds are remitted from Colombia through an authorized local financial institution, the authorized financial institution will automatically register the investment.

If the Employee does not remit funds through an authorized financial institution when exercising this option because a partial cashless exercise method is used (selling only enough shares of Stock to cover the grant price and any brokerage fees), then the Employee must register the investment himself or herself if the accumulated financial investments the Employee holds abroad at the year-end are equal to or exceed the equivalent of US\$500,000. The Employee must register by filing a Form No. 11 and submitting it to Señores, Banco de la República, Atn: Jefe Sección Inversiones, Departamento de Cambios Internacionales, Carrera 7 No. 14 - 18, Bogotá, Colombia by June 30 of the following year.

CZECH REPUBLIC

The Czech National Bank may require the Employee to fulfill certain notification duties in relation to the acquisition of shares of common stock and the opening and maintenance of a foreign account. However, because exchange control regulations change frequently and without notice, the Employee should consult with his or her personal legal advisor prior to the exercise of this option and the sale of common stock to ensure compliance with current regulations. It is the Employee's responsibility to comply with any applicable Czech exchange control laws.

Securities/Tax Reporting Information

If the Employee holds shares of common stock acquired under the Plan in a brokerage account with a broker or bank outside Denmark, he or she is required to inform the Danish Tax Administration about the account. For this purpose, the Employee must file a Form V (*Erklæring V*) with the Danish Tax Administration. The Form V must be signed both by the Employee and by the applicable broker or bank where the account is held. By signing the

Form V, the broker or bank undertakes to forward information to the Danish Tax Administration concerning the shares in the account without further request each year. By signing the Form V, the Employee authorizes the Danish Tax Administration to examine the account.

In addition, if the Employee opens a brokerage account (or a deposit account with a U.S. bank) for the purpose of holding cash outside Denmark, he or she is also required to inform the Danish Tax Administration about this account. To do so, the Employee must file a Form K (*Erklaering K*) with the Danish Tax Administration. The Form K must be signed both by the Employee and by the applicable broker or bank where the account is held. By signing the Form K, the broker/bank undertakes an obligation, without further request each year, to forward information to the Danish Tax Administration concerning the content of the account. By signing the Form K, the Employee authorizes the Danish Tax Administration to examine the account.

If the Employee uses the cashless method of exercise for this option, the Employee is not required to file a Form V because he or she will not hold any shares of common stock. However, if the Employee opens a deposit account with a foreign broker or bank to hold the cash proceeds, he or she is required to file a Form K as described above.

The Employee understands that the Employer, the Corporation and any Affiliate hold certain personal information about him or her, including, but not limited to, the Employee's name, home address and telephone number, date of birth, social insurance or other identification number, salary, nationality, job title, any shares of common stock or directorships held in the Corporation or any Affiliate, details of all options, or any other entitlement to shares of common stock awarded, cancelled, exercised, vested, unvested or outstanding in the Employee's favor, for the exclusive purpose of implementing, managing and administering the Plan ("Data"). The processing activity, including transfer of Data abroad, including outside of the European Economic Area, as herein specified and pursuant to applicable laws and regulations, does not require the Employee's consent thereto as the processing is necessary to performance of contractual obligations related to implementation, administration, and management of the Plan. The Employee understands that Data processing related to the purposes specified above shall take place under automated or non-automated conditions, anonymously when possible, that comply with the purposes for which Data is collected and with confidentiality and security provisions as set forth by applicable laws and regulations, with specific reference to Legislative Decree no. 196/2003.

Plan Document Acknowledgment

In accepting the grant of this option, the Employee acknowledges that he or she has received a copy of the Plan and the Award Agreement and has reviewed the Plan and the Award Agreement, including this Appendix A, in their entirety and fully understands and accepts all provisions of the Plan and the Award Agreement, including this Appendix A.

The Employee acknowledges that he or she has read and specifically and expressly approves the following sections of the Award Agreement: Section 2(d) on Payment of Withholding Taxes; Section 5 on No Right of Continued Employment; Section 9 on Delaware Law to Govern; the section on Acknowledgment of Conditions; and the Data Privacy Notice and Consent section included in this Appendix A.

Exchange Control Information

The Employee is required to report in his or her annual tax return: (a) any transfers of cash or shares of common stock to or from Italy exceeding €10,000 or the equivalent amount in U.S. dollars; and (b) any foreign investments or investments (including proceeds from the sale of shares of common stock acquired under the Plan) held outside of Italy exceeding €10,000 or the equivalent amount in U.S. dollars, if the investment may give rise to income in Italy. The Employee is exempt from the formalities in (a) if the investments are made through an authorized broker resident in Italy, as the broker will comply with the reporting obligation on the Employee's behalf.

JAPAN

Exchange Control Information

If the Employee acquires shares of common stock valued at more than ¥100,000,000 in a single transaction, the Employee must file a Securities Acquisition Report with the Ministry of Finance through the Bank of Japan within 20 days of the purchase of the shares.

In addition, if the Employee pays more than ¥30,000,000 in a single transaction for the purchase of shares when the Employee exercises this option, the Employee must file a Payment Report with the Ministry of Finance through the Bank of Japan by the 20th day of the month following the month in which the payment was made. The precise reporting requirements vary depending on whether or not the relevant payment is made through a bank in Japan.

A Payment Report is required independently from a Securities Acquisition Report. Therefore, if the total amount that the Employee pays upon a one-time transaction for exercising this option and purchasing shares of common stock exceeds ¥100,000,000, then the Employee must file both a Payment Report and a Securities Acquisition Report.

KOREA

Exchange Control Information

To remit funds out of Korea to exercise this option by paying the option price in cash, the Employee must obtain a confirmation of the remittance by a foreign exchange bank in Korea.

This is an automatic procedure (*i.e.*, the bank does not need to approve the remittance and the process should not take more than a day). The Employee likely will need to present supporting documentation evidencing the nature of the remittance to the bank processing the transaction. Furthermore, if the Employee receives US\$500,000 or more from the sale of shares of common stock, Korean exchange control laws require the Employee to repatriate the proceeds to Korea within 18 months of the sale.

MALAYSIA

Insider Trading Notification

The Employee should be aware of the Malaysian insider trading rules, which may impact the Employee's acquisition or disposal of shares of common stock or this option under the Plan. Under Malaysian insider trading rules, the Employee is prohibited from acquiring or selling shares of common stock or rights to shares (*e.g.*, an option) when in possession of information that is not generally available and that the Employee knows or should know will have a material effect on the price of shares of common stock once such information is generally available.

Director Notification Obligation

If the Employee is a director of the Corporation's Malaysian Affiliate, the Employee is subject to certain notification requirements under the Malaysian Companies Act. Among these requirements is an obligation to notify the Malaysian Affiliate in writing when the Employee receives or disposes of an interest (*e.g.*, an option or shares of common stock) in the Corporation or any related company. Such notifications must be made within 14 days of receiving or disposing of any interest in the Corporation or any related company.

MEXICO

("KCC-Mexico"). Based on the foregoing, the Employee expressly recognizes that the Plan and the benefits that he or she may derive from participating in the Plan do not establish any rights between the Employee and the Employer, KCC-Mexico and do not form part of the employment conditions and/or benefits provided by KCC-Mexico, and any modification of the Plan or its termination shall not constitute a change or impairment of the terms and conditions of the Employee's employment.

The Employee further understands that his or her participation in the Plan is as a result of a unilateral and discretionary decision of the Corporation; therefore, the Corporation reserves the absolute right to amend and/or discontinue the Employee's participation at any time without any liability to the Employee.

Finally, the Employee hereby declares that he or she does not reserve to himself or herself any action or right to bring any claim against Kimberly-Clark Corporation for any compensation or damages regarding any provision of the Plan or the benefits derived under the Plan, and the Employee therefore grants a full and broad release to the Corporation, its shareholders, officers, agents, or legal representatives or Affiliates with respect to any claim that may arise.

NETHERLANDS

Consent to Comply with Dutch Securities Law

The Employee has been granted this option under the Plan, pursuant to which the Employee may acquire shares of common stock. Employees who are residents of the Netherlands should be aware of the Dutch insider trading rules, which may impact the sale of such shares. In particular, the Employee may be prohibited from effectuating certain share transactions if the Employee has insider information regarding the Corporation.

Below is a discussion of the applicable restrictions. The Employee is advised to read the discussion carefully to determine whether the insider rules apply to the Employee. If it is uncertain whether the insider rules apply, the Corporation recommends that the Employee consult with his or her personal legal advisor. Please note that the Corporation cannot be held liable if the Employee violates the Dutch insider rules. The Employee is responsible for ensuring compliance with these rules.

By entering into the Award Agreement and participating in the Plan, the Employee acknowledges having read and understood the notification below and acknowledges that it is his or her own responsibility to comply with the Dutch insider trading rules, as discussed herein.

Prohibition Against Insider Trading

Dutch securities laws prohibit insider trading. Under Article 46 of the Act on the Supervision of the Securities Trade 1995, anyone who has “inside information” related to the Corporation is prohibited from effectuating a transaction in securities in or from the Netherlands. “Inside information” is knowledge of a detail concerning the issuer to which the securities relate that is not public and which, if published, would reasonably be expected to affect the share price, regardless of the actual effect on the price. The insider could be any employee of the Corporation or its Dutch Affiliate who has inside information as described above.

Given the broad scope of the definition of inside information, certain Employees of the Corporation working at its Dutch Affiliate may have inside information and thus, would be prohibited from effectuating a transaction in securities in the Netherlands at a time when he or she had such inside information.

Specifically, if the value of securities and cash held in such foreign accounts exceeds €15,000, the Employee must file reports on the transactions and balances of the accounts on a quarterly basis by the 20th day of the month following the end of each quarter and an annual report by no later than January 30 of the following calendar year. Such reports are filed on special forms available on the website of the National Bank of Poland.

PORTUGAL

Exchange Control Information

If the Employee acquires shares of common stock under the Plan and does not hold the shares of common stock with a Portuguese financial intermediary, he or she may need to file a report with the Portuguese Central Bank. PUERTO RICO

There are no country-specific provisions.

RUSSIA

U.S. Transaction

The Employee understands that this option shall be valid and this Award Agreement shall be concluded and become effective only when the Employee's acceptance of the Award Agreement is received by the Corporation in the United States. Upon exercise of this option, any shares of common stock to be issued to the Employee shall be delivered to the Employee through a bank or brokerage account in the United States.

Securities Law Notice

This Award Agreement, the Plan and all other materials the Employee may receive regarding participation in the Plan do not constitute advertising or an offering of securities in Russia. The issuance of shares of common stock under the Plan has not and will not be registered in Russia and hence the shares described in any Plan-related documents may not be offered or placed in public circulation in Russia.

Please note that, under the Russian law, the Employee is not permitted to sell the Corporation's shares directly to other Russian individuals and the Employee is not permitted to bring share certificates into Russia.

SINGAPORE

Securities Law Information

This option is being granted pursuant to the "Qualifying Person" exemption under section 273(1)(f) of the Securities and Futures Act (Chapter 289, 2006 Ed.) ("SFA"). The Plan has not been lodged or registered as a prospectus with the Monetary Authority of Singapore. The Employee should note that this option is subject to section 257 of the SFA and the Employee will not be able to make (i) any subsequent sale of the shares of common stock in Singapore or (ii) any offer of such subsequent sale of the shares of common stock in Singapore, unless such sale or offer is made pursuant to the exemptions under Part XIII Division (1) Subdivision (4) (other than section 280) of the SFA (Chapter 289, 2006 Ed.).

Director Notification Obligation

If the Employee is a director, associate director or shadow director of the Corporation's Singapore Affiliate, the Employee is subject to certain notification requirements under the Singapore Companies Act. Among these requirements is an obligation to notify the Corporation's Singapore Affiliate in writing when the Employee receives an interest (e.g., an option or shares) in the Corporation or any Affiliate. In addition, the Employee must notify the Corporation's Singapore Affiliate when he or she sells shares of the Corporation or of any Affiliate (including when the Employee sells shares acquired upon exercise of this option). These notifications must be made within two days of acquiring or disposing of any interest in the Corporation or any Affiliate. In addition, a notification of the Employee's interests in the Corporation or any Affiliate must be made within two days of becoming a director.

SOUTH AFRICA

Exchange Control Information

To participate in the Plan, the Employee must comply with exchange control regulations and rulings (the "Exchange Control Regulations") in South Africa. Currently, the Exchange Control Department of the South African Reserve Bank ("Exchange Control") requires that approval be sought for the purchase of securities by South African residents pursuant to foreign share incentive schemes, such as the exercise of options under the Plan. The Corporation is in the process of obtaining such approval.

The Employee is subject to an overall offshore investment allowance of ZAR4,000,000. This is a cumulative allowance, and his or her ability to remit funds for the purchase of shares will be reduced if Employee's foreign investment limit is utilized to make a transfer of funds offshore that is unrelated to the Plan. If he or she exercises this option with cash, the funds used to pay the option price may not be counted against the ZAR4,000,000 because of the approval from Exchange Control that the Corporation is seeking with respect to the Plan. If the option price is counted against the ZAR4,000,000 limit, the Employee may still transfer funds for the exercise of this option; however, the shares obtained from the exercise must be sold immediately and the full proceeds repatriated to South Africa.

If the Employee exercise this option using either the cashless sell-all exercise method or the cashless sell-to-cover method, it is not necessary to obtain a Tax Clearance Certificate (as described below) or a transfer of funds application form. In addition, under a cashless sell-to-cover method, the Employee may acquire and hold shares up to any amount, even in excess of ZAR4,000,000. The value of the shares acquired using a cashless sell-to-cover exercise method will not be counted against the ZAR4,000,000 limit. The sale proceeds of such shares may be held offshore and will not count against the investment limit.

Because the Exchange Control Regulations change frequently and without notice, the Employee understands that he or she should consult a legal advisor prior to the purchase or sale of shares under the Plan to ensure compliance with current regulations. The Employee understands that it is his or her responsibility to comply with South African exchange control laws, and neither the Corporation nor the Employer will be liable for any fines or penalties resulting from failure to comply with applicable laws.

Tax Acknowledgment

By accepting this option, the Employee agrees to notify the Employer of the amount of any gain realized upon exercise of this option. If the Employee fails to advise the Employer of the gain realized upon exercise, the Employee may be liable for a fine. The Employee will be responsible for paying any difference between the actual tax liability and the amount withheld.

If the Employee uses cash to exercise this option and purchase shares, rather than a cashless exercise method, the Employee must first obtain a "Tax Clearance Certificate (in Respect of Foreign Investment)" from the South African Reserve Service. The Employee must also complete a transfer of funds application form to transfer the funds. The Tax Clearance Certificate should be presented to a dealer of the Exchange Control Department of the South Africa Reserve Bank (it is likely that the Employee's bank will qualify as such a dealer), together with a completed application form to transfer funds. No transfer of funds may be completed unless the original Tax Clearance Certificate bears the official stamp and signature of the Office of Receiver of Revenue of the South African Reserve Service.

SPAIN

Termination of Employment

For purposes of this option, a termination of employment includes a termination that is deemed an "unfair dismissal" or a "constructive dismissal."

Labor Law Acknowledgment

By accepting this option, the Employee acknowledges that he or she understands and agrees to participation in the Plan and that he or she has received a copy of the Plan.

The Employee understands that the Corporation has unilaterally, gratuitously and discretionally decided to grant Options under the Plan to individuals who may be employees of the Corporation or its Affiliates throughout the world. The decision is a limited decision that is entered into upon the express assumption and condition that any grant will not economically or otherwise bind the Corporation or any of its Affiliates on an ongoing basis. Consequently, the Employee understands that any grant is given on the assumption and condition that it shall not become a part of any employment contract (either with the Corporation or any of its Affiliates) and shall not be considered a mandatory benefit, salary for any purposes (including severance compensation) or any other right whatsoever. Further, the Employee understands and freely

accepts that there is no guarantee that any benefit whatsoever shall arise from any gratuitous and discretionary grant since the future value of this option and the underlying shares is unknown and unpredictable. In addition, the Employee understands that this grant would not be made but for the assumptions and conditions referred to above; thus, the Employee understands, acknowledges and freely accepts that should any or all of the assumptions be mistaken or should any of the conditions not be met for any reason, then this option shall be null and void.

Further, the Employee understands that this option is a conditional right. The Employee shall forfeit any unvested portion of this option upon termination of employment unless such termination is due to a Qualified Termination of Employment. In addition, if the Employee's employment is terminated for any reason other than death, Retirement, or Total and Permanent Disability, this option shall be exercisable only to the extent provided in Section 2(a) of the Award Agreement. The terms of this paragraph apply even if the Employee is considered to be unfairly dismissed without good cause.

SWITZERLAND

Securities Law Notification

The options offered by the Corporation are considered a private offering in Switzerland; therefore, such offer is not subject to registration in Switzerland.

TAIWAN

Exchange Control Information

The Employee may acquire and remit foreign currency (including proceeds from the sale of shares of common stock) into and out of Taiwan up to US\$5,000,000 per year. If the transaction amount is TWD500,000 or more in a single transaction, the Employee must submit a foreign exchange transaction form and also provide supporting documentation to the satisfaction of the remitting bank.

If the transaction amount is US\$500,000 or more, the Employee may be required to provide additional supporting documentation to the satisfaction of the remitting bank. The Employee should consult his or her personal advisor to ensure compliance with applicable exchange control laws in Taiwan.

THAILAND

Exchange Control Information

When the shares of common stock covered by this option are sold, the Employee must repatriate all cash proceeds to Thailand and then convert such proceeds to Thai Baht within 360 days of repatriation. If the amount of the Employee's proceeds is US\$20,000 or more, the Employee must specifically report the inward remittance to the Bank of Thailand on a foreign exchange transaction form. If the Employee fails to comply with these obligations, then the Employee may be subject to penalties assessed by the Bank of Thailand.

The Employee should consult his or her personal advisor prior to taking any action with respect to remittance of cash proceeds into Thailand. The Employee is responsible for ensuring compliance with all exchange control laws in Thailand.

TRINIDAD & TOBAGO

There are no country-specific provisions.

TURKEY

Exchange Control Information

Exchange control regulations require Turkish residents to purchase securities through financial intermediary institutions that are approved under the Capital Market Law (i.e., banks licensed in Turkey). Therefore, if the Employee exercises this option using a cash exercise method, the funds must be remitted through a bank or other financial institution licensed in Turkey. A wire transfer of funds by a Turkish bank will satisfy this requirement. This requirement does not apply to a cashless exercise, as no funds are remitted out of Turkey.

UNITED KINGDOM

Tax Acknowledgment

The following information supplements the information regarding Tax-Related Items in the Acknowledgment of Conditions section of the Award Agreement:

If payment or withholding of the income tax due is not made within 90 days of the event giving rise to the Tax-Related Items or such other period specified in section 222(1)(c) of the U.K. Income Tax (Earnings and Pensions) Act 2003 (the "Due Date"), the amount of any uncollected Tax-Related Items shall constitute a loan owed by the Employee to the Employer, effective on the Due Date. The Employee agrees that the loan will bear interest at the then-current Her Majesty's Revenue and Customs official rate; it will be immediately due and repayable. Notwithstanding the foregoing, if the Employee is an officer or executive director (as within the meaning of Section 13(k) of the U.S. Securities and Exchange Act of 1934, as amended), the terms of this provision will not apply to the Employee. In the event that the Employee is an officer or director, as defined above, and Tax-Related Items are not collected from or paid by the Employee by the Due Date, the amount of any uncollected Tax-Related Items may constitute a benefit to the Employee on which additional income tax and National Insurance Contributions may be payable. The Employee acknowledges the Corporation or the Employer may recover it at any time thereafter by any of the means referred to in the Award Agreement. The Employee authorizes the Corporation to withhold the transfer of any shares unless and until the loan is repaid in full.

URUGUAY

There are no country-specific provisions.

VENEZUELA

Exchange Control Information

The Employee should consult his or her personal advisor prior to repatriating the proceeds of the sale of shares of common stock as described above to ensure compliance with the applicable exchange control regulations in Venezuela, as such regulations are subject to frequent change. The Employee is responsible for ensuring compliance with all exchange control laws in Venezuela.

**KIMBERLY-CLARK CORPORATION
PERFORMANCE RESTRICTED STOCK UNIT
AWARD AGREEMENT**

This Award, granted on _____, by Kimberly-Clark Corporation, a Delaware corporation (hereinafter called the "Corporation"), to _____ (the "Participant") is subject to the terms and conditions of the 2011 Equity Participation Plan (the "Plan") and the Award Agreement, including any country-specific terms and conditions contained in Appendix A to this Award Agreement.

W I T N E S S E T H:

WHEREAS, the Corporation has adopted the Plan to encourage those employees who materially contribute, by managerial, scientific or other innovative means, to the success of the Corporation or of an Affiliate, to acquire an ownership interest in the Corporation, thereby increasing their motivation for and interest in the Corporation's or the Affiliate's long-term success;

NOW, THEREFORE, it is agreed as follows:

1. Number of Share Units Granted. The Corporation hereby grants to the Participant Performance Restricted Stock Units ("PRSUs") at the target level of _____ (the "Target Level"), subject to the terms, conditions and restrictions set forth herein and in the Plan, and the Corporation's attainment of the Performance Goals established by the Committee as set forth on Appendix A-1. The actual number of PRSUs earned by the Participant at the end of the Restricted Period may range from 0 to 200% of the Target Level.
2. Transferability Restrictions.
 - (a) Restricted Period. During the Restricted Period, the Participant may not sell, assign, transfer, or otherwise dispose of, or mortgage, pledge or otherwise encumber the Award. Except as provided under paragraph 2, the Award, including any accrued dividend equivalents, shall be subject to forfeiture until the end of the Restricted Period. Participant becomes 100% vested in the number of PRSUs earned based on attainment of the Performance Goal at the end of the Restricted Period as approved and authorized by the Committee.

The Restricted Period shall begin on the date of the granting of this Award, and shall end on February 27, 2015. Holders of Awards shall have none of the rights of a shareholder with respect to such shares including, but not limited to, any right to receive dividends in cash or other property or other distribution or rights in respect of such shares except as otherwise provided in this Agreement, nor to vote such shares as the record owner thereof.

During each year in the Restricted Period, the Participant will not be paid dividend equivalents on the unvested PRSUs but the Participant will receive a

credit equal to dividends declared on the Corporation's Common Stock which will be reinvested in additional PRSUs at the then fair market value of the Corporation's Common Stock on the date dividends are paid, and the additional PRSUs will be accumulated and paid if and when the PRSUs vest, based on the actual number of PRSUs that vest. In the case of dividends paid in property other than cash, the amount of the dividend shall be deemed to be the fair market value of the property at the time of the payment of the dividend, as determined in good faith by the Corporation. The Corporation shall not be required to segregate any cash or other property of the Corporation.

- (b) Termination of Employment. Participant shall forfeit any unvested Award, including any accrued dividend equivalents, upon termination of employment unless such termination (i) is due to a Qualified Termination of Employment, or (ii) if more than six months after the Grant Date, due to death, Retirement, Total and Permanent Disability, or the shutdown or divestiture of a business unit. A termination of employment shall not be deemed to have occurred while a Participant is on military leave or other bona fide leave of absence if the period of such leave does not exceed six months, or if longer, so long as the Participant retains a right to reemployment with the Corporation or an Affiliate under an applicable statute or by contract. For purposes of this subparagraph, a leave of absence constitutes a bona fide leave of absence only if there is a reasonable expectation that the Participant will return to perform services for the Corporation or an Affiliate. If the period of leave exceeds six months and the Participant does not retain a right to reemployment under an applicable statute or by contract, the employment relationship is deemed to terminate on the first date immediately following such six-month period. Notwithstanding the foregoing sentence, where a leave of absence is due to any medically determinable physical or mental impairment that can be expected to result in death or can be expected to last for a continuous period of not less than six months, where such impairment causes the Participant to be unable to perform the duties of his or her position of employment or any substantially similar position of employment, a 29-month period of absence is substituted for such six-month period in determining whether a termination of employment shall be deemed to have occurred. A termination of employment with the Corporation or an Affiliate to accept immediate reemployment with the Corporation or an Affiliate likewise shall not be deemed to be a termination of employment for purposes of the Plan. A Participant who is classified as an intermittent employee shall be deemed to have a termination of employment for purposes of the Plan.
- (c) Death, Retirement, or Total and Permanent Disability. In the event that more than six months after the Grant Date the Participant's termination of employment is due to death or Total and Permanent Disability, it shall result in pro rata vesting in the number of PRSUs earned. This pro rata vesting shall be determined based on the Target Level of PRSUs (including any accrued dividend equivalents accumulated pursuant to Section 2(a)) (1) prorated for the number of full months of employment during the Restricted Period prior to the Participant's termination of employment, multiplied by (2) the Performance Goal percentage as approved and authorized by the Committee at the end of the Restricted Period. Any fractional share of the Company resulting from such a prorated award shall be rounded to the nearest whole share and shall be paid within 70 days following the end of the Restricted Period. In the event that more than six

months after the Grant Date the Participant's termination of employment is due to Retirement it shall result in 100% vesting in the number of PRSUs earned based on attainment of the Performance Goal at the end of the Restricted Period as approved and authorized by the Committee, and such Award shall be paid within 70 days following the end of the Restricted Period.

Notwithstanding this Section 2(c), if the Corporation receives an opinion of counsel that there has been a legal judgment and/or legal development in the Participant's jurisdiction that would likely result in the favorable Retirement treatment that applies to the PRSUs under this Section 2(c) being deemed unlawful and/or discriminatory, then the Corporation will not apply the favorable Retirement treatment and PRSUs will be treated as they would under the rules that apply if the Participant's employment with the Corporation or an Affiliate ends for any other reason, as applicable.

- (d) Shutdown or Divestiture. In the event that more than six months after the Grant Date the Participant's termination of employment is due to the shutdown or divestiture of the Corporation's or its Affiliate's business it shall result in pro rata vesting in the number of PRSUs earned. This pro rata vesting shall be determined based on the Target Level of PRSUs (including any accrued dividend equivalents accumulated pursuant to Section 2(a)) (1) prorated for the number of full years of employment during the Restricted Period prior to the Participant's termination of employment, multiplied by (2) the Performance Goal percentage as approved and authorized by the Committee at the end of the Restricted Period. Any fractional share of the Company resulting from such a prorated award shall be rounded to the nearest whole share and shall be paid within 70 days following the end of the Restricted Period.
- (e) Qualified Termination of Employment. In the event of a Qualified Termination of Employment all restrictions will lapse and the shares will become fully vested and the number of shares that shall be considered to vest shall be the greater of the Target Level or the number of shares which would have vested based on the attainment of the Performance Goal as of the end of the prior calendar year and shall be paid within 10 days following the last day of employment of the Participant with the Corporation. Notwithstanding anything in this Agreement to the contrary, the payment of an Award to a Key Employee who has separated from service due to a Qualified Termination of Employment shall be made at the earlier of the first day of the seventh month following the date of separation from service or the end of the Restricted Period. A Key Employee is any Participant who meets the definition of a specified employee as defined in Section 409A(a)(2)(B)(i) of the Code and the regulations promulgated thereunder.
- (f) Payment of Awards. The payment of the Award, including any accrued dividend equivalents accumulated pursuant to Section 2(a), shall be made in shares of Common Stock. Except as may otherwise be provided in subparagraph 2(e), the payment of an Award shall be made within 70 days following the end of the Restricted Period.
- (g) Payment of Withholding Taxes. No shares of Common Stock, nor any cash payment, may be delivered under this Award, unless prior to or simultaneously with such issuance, the Participant or, in the event of his death, the person succeeding to his rights hereunder, shall pay to the Corporation such amount as

the Corporation advises is required under applicable federal, state or local laws to withhold and pay over to governmental taxing authorities by reason of the delivery of such shares of Common Stock and any cash payment pursuant to this Award. The Corporation may, in its discretion, withhold payment of required withholding taxes with cash or shares of Common Stock which otherwise would be delivered following the date of vesting of the Award under this paragraph 2.

3. Nontransferability. Neither the Award nor the Participant's right to receive payment for vested Awards may be assigned or transferred except upon the death of the Participant (i) by will, or (ii) by the laws of descent and distribution.
4. Compliance with Law. No payment may be made under this Award, unless prior to the issuance thereof, the Corporation shall have received an opinion of counsel to the effect that this Award by the Corporation to the Participant will not constitute a violation of the Securities Act of 1933, as amended. As a condition of this Award, the Participant shall, if requested by the Corporation, submit a written statement in form satisfactory to counsel for the Corporation, to the effect that any shares received under this Award shall be for investment and not with a view to the distribution thereof within the meaning of the Securities Act of 1933, as amended, and the Corporation shall have the right, in its discretion, to cause the certificates representing shares hereunder to be appropriately legended to refer to such undertaking or to any legal restrictions imposed upon the transferability thereof by reason of such undertaking.

The Award granted hereby is subject to the condition that if the listing, registration or qualification of the shares subject hereto on any securities exchange or under any state or federal law, or if the consent or approval of any regulatory body shall be necessary as a condition of, or in connection with, the granting of the Award or the delivery of shares thereunder, such shares may not be delivered unless and until such listing, registration, qualification, consent or approval shall have been effected or obtained. The Corporation agrees to use its best efforts to obtain any such requisite listing, registration, qualification, consent or approval.

The Participant is solely responsible for obtaining/providing whatever exchange control approvals, permits, licenses, or notices, which may be necessary for the Participant to hold the Award, or to receive any payment of cash or shares or to hold or sell the shares subject to the Award, if any. Neither the Corporation nor its Affiliates will be responsible for obtaining any such approvals, licenses or permits, or for making any such notices, nor will the Corporation or its Affiliates be liable for any fines or penalties the Participant may incur for failure to obtain any required approvals, permits or licenses or to make any required notices.
5. No Right of Continued Employment. The granting of this Award does not confer upon the Participant any legal right to be continued in the employ of the Corporation or its Affiliates, and the Corporation and its Affiliates reserve the right to discharge the Participant whenever the interest of the Corporation or its Affiliates may so require without liability to the Corporation or its Affiliates, the Board of Directors of the Corporation or its Affiliates, or the Committee, except as to any rights which may be expressly conferred on the Participant under this Award.
6. Discretion of the Corporation, Board of Directors and the Committee. Any decision made or action taken by the Corporation or by the Board of Directors of the Corporation or by the Committee arising out of or in connection with the construction, administration,

interpretation and effect of this Award shall be within the absolute discretion of the Corporation, the Board of Directors of the Corporation or the Committee, as the case may be, and shall be conclusive and binding upon all persons.

7. Inalienability of Benefits and Interest. This Award and the rights and privileges conferred hereby shall not be subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance or charge, and any such attempted action shall be void and no such benefit or interest shall be in any manner liable for or subject to debts, contracts, liabilities, engagements, or torts of the Participant.
8. Delaware Law to Govern. The Plan is governed by and subject to the laws of the United States of America. All questions pertaining to the construction, interpretation, regulation, validity and effect of the provisions of this Award and any rights under the Plan shall be determined in accordance with the laws of the State of Delaware.
9. Purchase of Common Stock. The Corporation and its Affiliates may, but shall not be required to, purchase shares of Common Stock of the Corporation for purposes of satisfying the requirements of this Award. The Corporation and its Affiliates shall have no obligation to retain and shall have the unlimited right to sell or otherwise deal with for their own account, any shares of Common Stock of the Corporation purchased for satisfying the requirements of this Award.
10. Notices. Any notice to be given to the Corporation under this Award shall be addressed to the Corporation in care of its Director of Compensation located at the World Headquarters, and any notice to be given to the Participant under the terms of this Award may be addressed to him at his address as it appears on the Corporation's records, or at such other address as either party may hereafter designate in writing to the other. Any such notice shall be deemed to have been duly given if and when enclosed in a properly sealed envelope or wrapper addressed as aforesaid, registered and deposited, postage and registry fee prepaid, in a post office or branch post office regularly maintained by the United States Government.
11. Changes in Capitalization. In the event there are any changes in the Common Stock or the capitalization of the Corporation through a corporate transaction, such as any merger, any acquisition through the issuance of capital stock of the Corporation, any consolidation, any separation of the Corporation (including a spin-off or other distribution of stock of the Corporation), any reorganization of the Corporation (whether or not such reorganization comes within the definition of such term in section 368 of the Code), or any partial or complete liquidation by the Corporation, recapitalization, stock dividend, stock split or other change in the corporate structure, appropriate adjustments and changes shall be made by the Committee in (a) the number of shares subject to this Award, and (b) such other provisions of this Award as may be necessary and equitable to carry out the foregoing purposes.
12. Effect on Other Plans. All benefits under this Award shall constitute special compensation and shall not affect the level of benefits provided to or received by the Participant (or the Participant's estate or beneficiaries) as part of any employee benefit plan of the Corporation or an Affiliate. This Award shall not be construed to affect in any way the Participant's rights and obligations under any other plan maintained by the Corporation or an Affiliate on behalf of employees.

13. Discretionary Nature of Award. The grant of an Award is a one-time benefit and does not create any contractual or other right to receive a grant of Awards or benefits in lieu of Awards in the future. Future grants, if any, will be at the sole discretion of the Corporation, including, but not limited to, the timing of any grant, the number of PRSUs and vesting provisions. The value of the Award is an extraordinary item of compensation outside the scope of the Participant's employment contract, if any. As such, the Award is not part of normal or expected compensation for purposes of calculating any severance, resignation, redundancy, end of service payments, bonuses, long-service awards, pension or retirement benefits or similar payments.
14. Data Privacy. The Participant hereby authorizes their employer to furnish the Corporation (and any agent of the Corporation administering the Plan or providing Plan recordkeeping services) with such information and data as it shall request in order to facilitate the grant of Awards and administration of the Plan and the Participant waives any data privacy rights such Participant might otherwise have with respect to such information.
15. Conflict with Plan. This Award is awarded pursuant to and subject to the Plan. This Agreement is intended to supplement and carry out the terms of the Plan. It is subject to all terms and provisions of the Plan and, in the event of a conflict, the Plan shall prevail.
16. Successors. This Award shall be binding upon and inure to the benefit of any successor or successors of the Corporation.
17. Amendments. The Committee may at any time alter or amend this Award to the extent (1) permitted by law, (2) permitted by the rules of any stock exchange on which the Common Stock or any other security of the Corporation is listed, and (3) permitted under applicable provisions of the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended (including rule 16b-3 thereof).
18. Defined Terms. Terms which are capitalized are defined herein or in the Plan and have the same meaning set forth in the Plan, unless the context indicates otherwise.
19. For U.S. Participants Only. A U.S. Participant who has not previously signed a noncompete agreement has until the end of the one hundred twenty (120) day period beginning from the Grant Date of this Award to sign and return the Noncompete Agreement provided to such Participant. If the U.S. Participant does not sign and return the provided Noncompete Agreement on or before the end of such one hundred twenty (120) day period then the grant of the Award, as set forth in Section 1, shall not be binding on and shall be voidable by the Corporation, in which case it shall have no further force or effect.
20. Acceptance of Award Terms and Conditions. A Participant has until the end of the one hundred twenty (120) day period beginning from the Grant Date of this Award to accept this Award Agreement. If the Participant does not accept this Award Agreement on or before the end of such one hundred twenty (120) day period then the grant of the Award, as set forth in Section 1, shall not be binding on and shall be voidable by the Corporation, in which case it shall have no further force or effect.

Acknowledgment of Conditions

I understand, acknowledge and agree to the following conditions with respect to the Award granted to me under the Plan:

- The Plan is established voluntarily by the Corporation, is discretionary in nature and may be modified, amended, suspended, cancelled or terminated at any time. The grant of an Award is a voluntary and occasional benefit and does not create any contractual or other right to receive an Award or benefits in lieu of an Award in the future, even if the Awards have been granted repeatedly in the past. Future grants, if any, will be at the sole discretion of the Corporation, including, but not limited to, the timing of any grant, the number of Awards, vesting provisions and the exercise price.
- My participation in the Plan is voluntary. Participation in the Plan will not create a right to further employment with my actual employer (the "Employer") and shall not interfere with the ability of the Employer to terminate my employment relationship at any time. Further, the Award and my participation in the Plan will not be interpreted to form an employment contract or relationship with the Corporation or any Affiliate.
- The Award and the shares of Common Stock subject to the Award are extraordinary items that do not constitute compensation of any kind for services of any kind rendered to the Corporation or the Employer, and which are outside the scope of my employment contract, if any, and are not intended to replace any pension rights or compensation. As such, the Award is not part of normal or expected compensation for purposes of calculating any severance, resignation, termination, redundancy, dismissal, end of service payments, bonuses, long-service awards, pension, retirement or welfare benefits or similar payments and in no event shall be considered as compensation for, or relating in any way to, past services for the Corporation, the Employer or any Affiliate.
- The future value of the underlying shares is unknown and cannot be predicted with certainty.
- The Award will be subject to any policy adopted by the Corporation relating to the recovery of such Award to the extent it is determined that the Performance Goals were not actually achieved.
- No claim or entitlement to compensation or damages shall arise from forfeiture of the Award resulting from termination of my employment by the Corporation or the Employer (for any reason whatsoever and whether or not in breach of local labor laws) and in consideration of the grant of the Award, to which I am otherwise not entitled, I irrevocably agree never to institute any claim against the Corporation or the Employer, waive my ability, if any, to bring any such claim, and release the Corporation and the Employer from any such claim; if, notwithstanding the foregoing, any such claim is allowed by a court of competent jurisdiction, then, by participating in the Plan, I shall be deemed irrevocably to have agreed not to pursue such a claim and agree to execute any and all documents necessary to request dismissal or withdrawal of such claims.

- In the event of termination of my employment (whether or not in breach of local labor laws and except as otherwise explicitly provided in the Award Agreement of the Plan), my right to receive PRSUs and vest in the Award under the Plan, if any, will terminate effective as of the date that I am no longer actively employed and will not be extended by any notice period mandated under local law (e.g., active employment would not include a period of “garden leave” or similar period pursuant to local law); the Committee shall have the exclusive discretion to determine when I am no longer actively employed for purposes of the Award.
- The Corporation is not providing any tax, legal or financial advice, nor is the Corporation making any recommendations regarding participation in the Plan, or my acquisition or sale of the underlying shares of Common Stock. Further, I have been advised to consult with my own advisors regarding participation in the Plan before taking any action related to the Plan.
- Regardless of any action the Corporation or the Employer takes with respect to any or all income tax (including federal, state and local taxes), social insurance, payroll tax, payment on account or other tax-related items related to my participation in the Plan and legally applicable to me (“Tax-Related Items”), I acknowledge that the ultimate liability for all Tax-Related Items is and remains my responsibility and may exceed the amount actually withheld by the Corporation or the Employer. I further acknowledge that the Corporation and/or the Employer (i) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the Award, including the grant of the PRSUs, the vesting of PRSUs, the conversion of the PRSUs into shares or the receipt of an equivalent cash payment, the subsequent sale of any shares acquired at vesting and the receipt of any dividends or dividend equivalents; and (ii) do not commit to and are under no obligation to structure the terms of the grant or any aspect of the Award to reduce or eliminate the my liability for Tax-Related Items or achieve any particular tax result. Further, if I have become subject to tax in more than one jurisdiction between the Grant Date and the date of any relevant taxable or tax withholding event, as applicable, I acknowledge that the Corporation and/or the Employer (or former employer, as applicable) may be required to withhold or account for Tax-Related Items in more than one jurisdiction.
- Prior to the relevant taxable or tax withholding event, as applicable, I shall pay or make adequate arrangements satisfactory to the Corporation and/or the Employer to satisfy or account for all Tax-Related Items. In this regard, I authorize the Corporation or the Employer, or their respective agents, at their discretion, to satisfy the obligations with regard to all Tax-Related Items by one or a combination of the following:
 - (1) withholding from my wages or other cash compensation paid to me by the Corporation and/or the Employer; or
 - (2) withholding from proceeds of the sale of shares acquired upon vesting of the Award either through a voluntary sale or through a mandatory sale arranged by the Corporation (on my behalf, pursuant to this authorization); or
 - (3) withholding in shares to be issued upon vesting of the Award.

- To avoid negative accounting treatment, the Corporation may withhold or account for Tax-Related Items by considering applicable minimum statutory withholding amounts or other applicable withholding rates. If the obligation for Tax-Related Items is satisfied by withholding in shares, for tax purposes, I am deemed to have been issued the full number of shares subject to the Award, notwithstanding that a number of shares are held back solely for the purpose of paying the Tax-Related Items due as a result of any aspect of my participation in the Plan.
- I shall pay to the Corporation or to the Employer any amount of Tax-Related Items that the Corporation or the Employer may be required to withhold or account for as a result of my participation in the Plan that cannot be satisfied by the means previously described. The Corporation may refuse to deliver shares or the proceeds of the sale of shares to me if I fail to comply with my obligations in connection with the Tax-Related Items.
- ***I hereby explicitly and unambiguously consent to the collection, use and transfer, in electronic or other form, of my personal data as described in this Award Agreement by and among, as applicable, my Employer, the Corporation, and its Affiliates for the exclusive purpose of implementing, administering and managing my participation in the Plan.***
- ***I understand that the Corporation and my Employer may hold certain personal information about me, including, but not limited to, my name, home address and telephone number, date of birth, social insurance number or other identification number, salary, nationality, job title, any shares of Common Stock or directorships held in the Corporation, details of all Awards or any other entitlement to shares awarded, canceled, vested, unvested or outstanding in my favor, for the purpose of implementing, administering and managing the Plan ("Data").***
- ***I understand that Data may be transferred to any third parties assisting in the implementation, administration and management of the Plan, that these recipients may be located in my country, or elsewhere, and that my country may have different data privacy laws and protections than my country. I understand that I may request a list with the names and addresses of any potential recipients of the Data by contacting my local human resources representative. I authorize the recipients to receive, possess, use, retain and transfer the Data, in electronic or other form, for the purposes of implementing, administering and managing my participation in the Plan, including any requisite transfer of such Data as may be required to a broker, escrow agent or other third party with whom the shares received upon vesting of the PRSUs may be deposited. I understand that Data will be held only as long as is necessary to implement, administer and manage my participation in the Plan. I understand that I may, at any time, view Data, request additional information about the storage and processing of Data, require any necessary amendments to Data or refuse or withdraw the consents herein, in any case without cost, by contacting in writing my local human resources representative. I understand that refusal or withdrawal of consent***

may affect my ability to participate in the Plan. For more information on the consequences of my refusal to consent or withdrawal of consent, I understand that I may contact my local human resources representative.

- The Plan and the Award are governed by and subject to U.S. law. Interpretation of the Plan and my rights under the Plan will be governed by provisions of U.S. law. For purposes of litigating any dispute that arises under this Award or Award Agreement, the parties submit to and consent to the jurisdiction of the State of Delaware, and agree that such litigation shall be conducted in the federal courts for the United States for the Northern District of Texas and no other courts.
- I understand that I am solely responsible for obtaining/providing whatever exchange control approvals, permits, licenses or notices, which may be necessary for my Award, to acquire the shares or to hold or sell the shares subject to the PRSU award. Neither the Corporation nor its Affiliates will be responsible for obtaining such approvals, licenses or permits, or for making any such notices, nor will the Corporation or its Affiliates be liable for any fines or penalties I may incur for failure to obtain any required approvals, permits or licenses or to make any required notices.
- The provisions of this Award Agreement are severable and if one or more of the provisions of this Award Agreement shall be held invalid, illegal or otherwise unenforceable, in whole or in part, the remaining provisions shall nonetheless be binding and enforceable. To the extent that any provisions of this Award Agreement are held to be invalid or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby and the invalid, illegal or unenforceable provisions shall be deemed null and void; however, to the extent permissible by law, any provisions which could be deemed null and void shall first be construed, interpreted or revised retroactively to permit this Award Agreement to be construed so as to foster the intent of this Award Agreement and the Plan.
- If I have received this Award Agreement or any other document related to the Plan translated into a language other than English and if the meaning of the translated version is different than the English version, the English version will control.
- Notwithstanding any provisions in this Award Agreement, the Award shall be subject to any special terms and conditions set forth in Appendix A to this Award Agreement for my country. Moreover, if I relocate to one of the countries included in Appendix A, the special terms and conditions for such country will apply to me, to the extent the Corporation determines that the application of such terms and conditions is necessary or advisable in order to comply with local law or facilitate the administration of the Plan. Appendix A constitutes part of this Award Agreement.
- The Corporation reserves the right to impose other requirements on my participation in the Plan, on the Award and on any shares acquired under the Plan, to the extent the

Corporation determines it is necessary or advisable in order to comply with local law or facilitate the administration of the Plan, and to require me to sign any additional agreements or undertakings that may be necessary to accomplish the foregoing.

- The Corporation may, in its sole discretion, decide to deliver any documents related to current or future participation in the Plan by electronic means. I hereby consent to receive such documents by on-line delivery and agree to participate in the Plan through an on-line or electronic system established and maintained by the Corporation or a third-party designated by the Corporation.

Conclusion and Acceptance

I accept this grant via electronic signature by clicking the "Accept" icon and certify that I have read, understand and agree to the terms and conditions of the 2011 Equity Participation Plan (the "Plan"), the provisions of the applicable Award Agreement and all other applicable documents (including any country-specific terms applicable to my grant). I hereby authorize my Employer to furnish the Corporation (and any agent administering the Plan or providing recordkeeping services) with such information and data as it shall request in order to facilitate the grant of Awards and enable administration of the Plan and I understand that such information shall be used only as long and to the extent necessary to administer my participation in the Plan. I agree that my participation in the Plan and the Awards granted to me under the Plan will be governed solely by provisions of U.S. law.

NETHERLANDS

Consent to Comply with Dutch Securities Law

The Participant has been granted Awards under the Plan, pursuant to which the Participant may acquire shares. Participants who are residents of the Netherlands should be aware of the Dutch insider trading rules, which may impact the sale of such shares. In particular, the Participant may be prohibited from effecting certain share transactions if the Participant has insider information regarding the Corporation.

Below is a discussion of the applicable restrictions. The Participant is advised to read the discussion carefully to determine whether the insider rules apply to the Participant. If it is uncertain whether the insider rules apply, the Corporation recommends that the Participant consult with his or her personal legal advisor. Please note that the Corporation cannot be held liable if the Participant violates the Dutch insider rules. The Participant is responsible for ensuring compliance with these rules.

By entering into the Award Agreement and participating in the Plan, the Participant acknowledges having read and understood the notification below and acknowledges that it is his or her own responsibility to comply with the Dutch insider trading rules, as discussed herein.

Prohibition Against Insider Trading

Dutch securities laws prohibit insider trading. Under Article 46 of the Act on the Supervision of the Securities Trade 1995, anyone who has “inside information” related to the Corporation is prohibited from effectuating a transaction in securities in or from the Netherlands. “Inside information” is knowledge of a detail concerning the issuer to which the securities relate that is not public and which, if published, would reasonably be expected to affect the share price, regardless of the actual effect on the price. The insider could be any employee of the Corporation or its Dutch Affiliate who has inside information as described above.

Given the broad scope of the definition of inside information, certain employees of the Corporation working at its Dutch Affiliate may have inside information and thus, would be prohibited from effectuating a transaction in securities in the Netherlands at a time when he or she had such inside information.

SINGAPORE

Securities Law Information

The Award is being made pursuant to the "Qualifying Person" exemption" under section 273(1)(f) of the Securities and Futures Act (Chapter 289, 2006 Ed.) ("SFA"). The Plan has not been lodged or registered as a prospectus with the Monetary Authority of Singapore. The Participant should note that the Award is subject to section 257 of the SFA and the Participant will not be able to make (i) any subsequent sale of the shares of Common Stock in Singapore or (ii) any offer of such subsequent sale of the shares of Common Stock subject to the Award in

Director Notification Obligation

If the Participant is a director, associate director or shadow director of the Corporation's Singapore Affiliate, the Participant is subject to certain notification requirements under the Singapore Companies Act. Among these requirements is an obligation to notify the Corporation's Singapore Affiliate in writing when the Participant receives an interest (e.g., an Award or shares) in the Corporation or any Affiliate. In addition, the Participant must notify the Corporation's Singapore Affiliate when he or she sells shares of the Corporation or of any Affiliate (including when the Participant sells shares issued upon vesting and settlement of the Award). These notifications must be made within two days of acquiring or disposing of any interest in the Corporation or any Affiliate. In addition, a notification of the Participant's interests in the Corporation or any Affiliate must be made within two days of becoming a director.

SOUTH AFRICA

Exchange Control Information

To participate in the Plan, the Participant must comply with exchange control regulations and rulings (the "Exchange Control Regulations") in South Africa. Currently, the Exchange Control Department of the South African Reserve Bank ("Exchange Control") requires that approval be sought for the purchase of securities by South African residents pursuant to foreign share incentive schemes, such as the acquisition of shares of Common Stock under the Plan. The Corporation is in the process of obtaining such approval.

Because the Exchange Control Regulations change frequently and without notice, the Participant understands that he or she should consult a legal advisor prior to the acquisition or sale of shares under the Plan to ensure compliance with current regulations. The Participant understands that it is his or her responsibility to comply with South African exchange control laws, and neither the Corporation nor the Employer will be liable for any fines or penalties resulting from failure to comply with applicable laws.

By accepting the Award, the Participant agrees to notify the Employer of the amount of any gain realized upon vesting of the Award. If the Participant fails to advise the Employer of the gain realized upon vesting, the Participant may be liable for a fine. The Participant will be responsible for paying any difference between the actual tax liability and the amount withheld.

SPAIN

Termination of Employment

For purposes of this Award, a termination of employment includes a termination that is deemed an "unfair dismissal" or a "constructive dismissal."

Labor Law Acknowledgment

By accepting the Award, the Participant acknowledges that he or she understands and agrees to participation in the Plan and that he or she has received a copy of the Plan.

The Participant understands that the Corporation has unilaterally, gratuitously and discretionally decided to grant Awards under the Plan to individuals who may be employees of the Corporation or its Affiliates throughout the world. The decision is a limited decision that is entered into upon the express assumption and condition that any grant will not economically or otherwise bind the Corporation or any of its Affiliates on an ongoing basis. Consequently, the Participant understands that any grant is given on the assumption and condition that it shall not become a part of any employment contract (either with the Corporation or any of its Affiliates) and shall not be considered a mandatory benefit, salary for any purposes (including severance compensation) or any other right whatsoever. Further, the Participant understands and freely accepts that there is no guarantee that any benefit whatsoever shall arise from any gratuitous and discretionary grant since the future value of the Award and the underlying shares is unknown and unpredictable. In addition, the Participant understands that this grant would not be made but for the assumptions and conditions referred to above; thus, the Participant understands, acknowledges and freely accepts that should any or all of the assumptions be mistaken or should any of the conditions not be met for any reason, then the Award shall be null and void.

Further, the Participant understands that the Award is a conditional right. Participant shall forfeit any unvested Award upon termination of employment unless such termination is (i) due to a Qualified Termination of Employment, or (ii) if more than six months after the Grant Date, due to death, Retirement, Total and Permanent Disability, or the shutdown or divestiture of a business unit. The terms of this paragraph apply even if the Participant is considered to be unfairly dismissed without good cause.

Performance Period – January 1, 2012 through December 31, 2014.

Three Year Average ROIC shall be the Annual ROIC for each year in the Performance Period divided by three and rounded to the nearest tenth of a percent.

**KIMBERLY-CLARK CORPORATION
TIME-VESTED RESTRICTED STOCK UNIT
AWARD AGREEMENT**

This Award, granted on _____, _____, by Kimberly-Clark Corporation, a Delaware corporation (hereinafter called the "Corporation"), to _____ (the "Participant") is subject to the terms and conditions of the 2011 Equity Participation Plan (the "Plan") and this Award Agreement, including any country-specific terms and conditions contained in Appendix A to this Award Agreement.

W I T N E S S E T H:

WHEREAS, the Corporation has adopted the Plan to encourage those employees who materially contribute, by managerial, scientific or other innovative means, to the success of the Corporation or of an Affiliate, to acquire an ownership interest in the Corporation, thereby increasing their motivation for and interest in the Corporation's or the Affiliate's long-term success;

NOW, THEREFORE, it is agreed as follows:

1. Number of Share Units Granted. The Corporation hereby grants to the Participant the right to receive all or any part of _____ Time-Vested Restricted Stock Units ("RSUs") of the \$1.25 par value Common Stock of the Corporation, subject to the terms, conditions and restrictions set forth herein and in the Plan.
2. Transferability Restrictions.
 - (a) Restricted Period. During the Restricted Period, the Participant may not sell, assign, transfer, or otherwise dispose of, or mortgage, pledge or otherwise encumber the Award. The RSUs, including any accrued dividend equivalents, shall be subject to forfeiture until the Participant becomes vested in such Awards on the date that was approved on the Grant Date and as reflected on the Merrill Lynch Benefits OnLine site, or any successor system, via the Grant Summary screen as the Future Vesting table.

The Restricted Period shall begin on the date of the granting of this Award, and shall end upon the vesting of the Award. Holders of Awards shall have none of the rights of a shareholder with respect to such shares including, but not limited to, any right to receive dividends in cash or other property or other distribution or rights in respect of such shares except as otherwise provided in this Agreement, nor to vote such shares as the record owner thereof.

During each year in the Restricted Period, the Participant will not be paid dividend equivalents on the unvested RSUs but the Participant will receive a credit equal to dividends declared on the Corporation's Common Stock which will be reinvested in additional RSUs at the then fair market value of the Corporation's Common Stock on the date dividends are paid, and the additional

RSUs will be accumulated and paid if and when the RSUs vest, based on the actual number of RSUs that vest. In the case of dividends paid in property other than cash, the amount of the dividend shall be deemed to be the fair market value of the property at the time of the payment of the dividend, as determined in good faith by the Corporation. The Corporation shall not be required to segregate any cash or other property of the Corporation.

- (b) Termination of Employment. Participant shall forfeit any unvested Award, including any accrued dividend equivalents, upon termination of employment unless such termination is (i) due to a Qualified Termination of Employment, or (ii) due to death, Total and Permanent Disability, or the shutdown or divestiture of a business unit. An authorized leave of absence shall not be deemed to be a termination of employment if the period of such leave does not exceed six months, or if longer, so long as the Participant retains a right to reemployment with the Corporation or an Affiliate under an applicable statute or by contract. For purposes of this subparagraph, a leave of absence constitutes a bona fide leave of absence only if there is a reasonable expectation that the Participant will return to perform services for the Corporation or an Affiliate. If the period of leave exceeds six months and the Participant does not retain a right to reemployment under an applicable statute or by contract, the employment relationship is deemed to terminate on the first date immediately following such six-month period. Notwithstanding the foregoing, where a leave of absence is due to any medically determinable physical or mental impairment that can be expected to result in death or can be expected to last for a continuous period of not less than six months, where such impairment causes the Participant to be unable to perform the duties of his or her position of employment or any substantially similar position of employment, a 29-month period of absence is substituted for such six-month period in determining whether a termination of employment shall be deemed to have occurred. A termination of employment with the Corporation or an Affiliate to accept immediate reemployment with the Corporation or an Affiliate likewise shall not be deemed to be a termination of employment if the level of bona fide services the Participant would perform after such date would permanently decrease to no more than 20 percent of the average level of bona fide services performed over the immediately preceding 36-month period (or the full period of services to the Corporation or an Affiliate if the Participant has been providing such services less than 36 months). A Participant who is classified as an intermittent employee shall be deemed to have a termination of employment for purposes of the Plan if the level of bona fide services the Participant would perform after such date would permanently decrease to less than 50 percent of the average level of bona fide services performed over the immediately preceding 36-month period (or the full period of services to the Corporation or an Affiliate if the Participant has been providing such services less than 36 months).
- (c) Death or Total and Permanent Disability. If the Participant's termination of employment is due to death or Total and Permanent Disability, it shall result in pro rata vesting, as determined by the Committee, and the number of shares that are considered to vest shall be prorated for the number of full months of employment during the Restricted Period prior to the Participant's termination of employment, and shall be paid 90 days following the Participant's termination of employment.

- (d) Shutdown or Divestiture. In the event that after the Grant Date the Participant's termination of employment is due to the shutdown or divestiture of the Corporation's or its Affiliate's business, it shall result in pro rata vesting, as determined by the Committee, and the number of shares that are considered to vest shall be determined at the end of the Restricted Period, prorated for the number of full years of employment during the Restricted Period prior to the Participant's termination of employment, and shall be paid within 90 days following the end of the Restricted Period.
 - (e) Qualified Termination of Employment. In the event of a Qualified Termination of Employment all restrictions will lapse and the shares will become fully vested and shall be paid within 10 days following the last day of employment of the Participant with the Corporation or an Affiliate.
 - (f) Payment of Awards. The payment of the Award shall be made in shares of Common Stock. The payment of an Award shall be made within 90 days following the end of the Restricted Period.
 - (g) Payment of Withholding Taxes. No shares of Common Stock, nor any cash payment, may be delivered under this Award, unless prior to or simultaneously with such issuance, the Participant or, in the event of his death, the person succeeding to his rights hereunder, shall pay to the Corporation such amount as the Corporation advises is required under applicable federal, state or local laws to withhold and pay over to governmental taxing authorities by reason of the delivery of such shares of Common Stock and any cash payment pursuant to this Award. The Corporation may, in its discretion, withhold payment of required withholding taxes with cash or shares of Common Stock which otherwise would be delivered following the date of vesting of the Award under this paragraph 2.
3. Nontransferability. Neither the Award nor the Participant's right to receive payment for vested Awards may be assigned or transferred except upon the death of the Participant (i) by will or (ii) by the laws of descent and distribution.
4. Compliance with Law. No payment may be made under this Award, unless prior to the issuance thereof, the Corporation shall have received an opinion of counsel to the effect that this Award by the Corporation to the Participant will not constitute a violation of the Securities Act of 1933, as amended. As a condition of this Award, the Participant shall, if requested by the Corporation, submit a written statement in form satisfactory to counsel for the Corporation, to the effect that any shares received under this Award shall be for investment and not with a view to the distribution thereof within the meaning of the Securities Act of 1933, as amended, and the Corporation shall have the right, in its discretion, to cause the certificates representing shares hereunder to be appropriately legended to refer to such undertaking or to any legal restrictions imposed upon the transferability thereof by reason of such undertaking.

The Award granted hereby is subject to the condition that if the listing, registration or qualification of the shares subject hereto on any securities exchange or under any state or federal law, or if the consent or approval of any regulatory body shall be necessary as a condition of, or in connection with, the granting of the Award or the delivery of shares thereunder, such shares may not be delivered unless and until such listing, registration, qualification, consent or approval shall have been effected or obtained. The Corporation agrees

to use its best efforts to obtain any such requisite listing, registration, qualification, consent or approval.

The Participant is solely responsible for obtaining/providing whatever exchange control approvals, permits, licenses, or notices, which may be necessary for the Participant to hold the Award, or to receive any payment of cash or shares or to hold or sell the shares subject to the Award, if any. Neither the Corporation nor its Affiliates will be responsible for obtaining any such approvals, licenses or permits, or for making any such notices, nor will the Corporation or its Affiliates be liable for any fines or penalties the Participant may incur for failure to obtain any required approvals, permits or licenses or to make any required notices.

5. No Right of Continued Employment. The granting of this Award does not confer upon the Participant any legal right to be continued in the employ of the Corporation or its Affiliates, and the Corporation and its Affiliates reserve the right to discharge the Participant whenever the interest of the Corporation or its Affiliates may so require without liability to the Corporation or its Affiliates, the Board of Directors of the Corporation or its Affiliates, or the Committee, except as to any rights which may be expressly conferred on the Participant under this Award.
6. Discretion of the Corporation, Board of Directors and the Committee. Any decision made or action taken by the Corporation or by the Board of Directors of the Corporation or by the Committee arising out of or in connection with the construction, administration, interpretation and effect of this Award shall be within the absolute discretion of the Corporation, the Board of Directors of the Corporation or the Committee, as the case may be, and shall be conclusive and binding upon all persons.
7. Inalienability of Benefits and Interest. This Award and the rights and privileges conferred hereby shall not be subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance or charge, and any such attempted action shall be void and no such benefit or interest shall be in any manner liable for or subject to debts, contracts, liabilities, engagements, or torts of the Participant.
8. Delaware Law to Govern. The Plan is governed by and subject to the laws of the United States of America. All questions pertaining to the construction, interpretation, regulation, validity and effect of the provisions of this Award and any rights under the Plan shall be determined in accordance with the laws of the State of Delaware.
9. Purchase of Common Stock. The Corporation and its Affiliates may, but shall not be required to, purchase shares of Common Stock of the Corporation for purposes of satisfying the requirements of this Award. The Corporation and its Affiliates shall have no obligation to retain and shall have the unlimited right to sell or otherwise deal with for their own account, any shares of Common Stock of the Corporation purchased for satisfying the requirements of this Award.
10. Notices. Any notice to be given to the Corporation under this Award shall be addressed to the Corporation in care of its Director of Compensation located at the World Headquarters, and any notice to be given to the Participant under the terms of this Award may be addressed to him or her at the address as it appears on the Corporation's records, or at such other address as either party may hereafter designate in writing to the other. Any such notice shall be deemed to have been duly given if and when enclosed in a properly sealed envelope or wrapper addressed as aforesaid, registered and deposited, postage and registry fee prepaid, in a post office or branch post office regularly maintained by the United States Government or by a foreign government.

11. Changes in Capitalization. In the event there are any changes in the Common Stock or the capitalization of the Corporation through a corporate transaction, such as any merger, any acquisition through the issuance of capital stock of the Corporation, any consolidation, any separation of the Corporation (including a spin-off or other distribution of stock of the Corporation), any reorganization of the Corporation (whether or not such reorganization comes within the definition of such term in section 368 of the Code), or any partial or complete liquidation by the Corporation, recapitalization, stock dividend, stock split or other change in the corporate structure, appropriate adjustments and changes shall be made by the Committee in (a) the number of shares subject to this Award, and (b) such other provisions of this Award as may be necessary and equitable to carry out the foregoing purposes.
12. Effect on Other Plans. All benefits under this Award shall constitute special compensation and shall not affect the level of benefits provided to or received by the Participant (or the Participant's estate or beneficiaries) as part of any employee benefit plan of the Corporation or an Affiliate. This Award shall not be construed to affect in any way the Participant's rights and obligations under any other plan maintained by the Corporation or an Affiliate on behalf of employees.
13. Discretionary Nature of Award. The grant of an Award is a one-time benefit and does not create any contractual or other right to receive a grant of Awards or benefits in lieu of Awards in the future. Future grants, if any, will be at the sole discretion of the Corporation, including, but not limited to, the timing of any grant, the number of RSUs and vesting provisions. The value of the Award is an extraordinary item of compensation outside the scope of the Participant's employment contract, if any. As such, the Award is not part of normal or expected compensation for purposes of calculating any severance, resignation, redundancy, end of service payments, bonuses, long-service awards, pension or retirement benefits or similar payments.
14. Data Privacy. The Participant hereby authorizes their employer to furnish the Corporation (and any agent of the Corporation administering the Plan or providing Plan recordkeeping services) with such information and data as it shall request in order to facilitate the grant of Awards and administration of the Plan and the Participant waives any data privacy rights such Participant might otherwise have with respect to such information.
15. Conflict with Plan. This Award is awarded pursuant to and subject to the Plan. This Agreement is intended to supplement and carry out the terms of the Plan. It is subject to all terms and provisions of the Plan and, in the event of a conflict, the Plan shall prevail.
16. Successors. This Award shall be binding upon and inure to the benefit of any successor or successors of the Corporation.
17. Amendments. The Committee may at any time alter or amend this Award to the extent (1) permitted by law, (2) permitted by the rules of any stock exchange on which the Common Stock or any other security of the Corporation is listed, and (3) permitted under applicable provisions of the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended (including rule 16b-3 thereof).
18. Defined Terms. Terms which are capitalized are defined herein or in the Plan and have the same meaning set forth in the Plan, unless the context indicates otherwise.

19. For U.S. Participants Only. A U.S. Participant who has not previously signed a noncompete agreement has until the end of the one hundred twenty (120) day period beginning from the Grant Date of this Award to sign and return the Noncompete Agreement provided to such Participant. If the U.S. Participant does not sign and return the provided Noncompete Agreement on or before the end of such one hundred twenty (120) day period then the grant of the Award, as set forth in Section 1, shall not be binding on and shall be voidable by the Corporation, in which case it shall have no further force or effect.
20. Acceptance of Award Terms and Conditions. A Participant has until the end of the one hundred twenty (120) day period beginning from the Grant Date of this Award to accept this Award Agreement. If the Participant does not accept this Award Agreement on or before the end of such one hundred twenty (120) day period then the grant of the Award, as set forth in Section 1, shall not be binding on and shall be voidable by the Corporation, in which case it shall have no further force or effect.

Acknowledgment of Conditions

I understand, acknowledge and agree to the following conditions with respect to the Award granted to me under the Plan:

- The Plan is established voluntarily by the Corporation, is discretionary in nature and may be modified, amended, suspended, cancelled or terminated at any time. The grant of an Award is a voluntary and occasional benefit and does not create any contractual or other right to receive an Award or benefits in lieu of an Award in the future, even if the Awards have been granted repeatedly in the past. Future grants, if any, will be at the sole discretion of the Corporation, including, but not limited to, the timing of any grant, the number of Awards, vesting provisions and the exercise price.
- My participation in the Plan is voluntary. Participation in the Plan will not create a right to further employment with my actual employer (the "Employer") and shall not interfere with the ability of the Employer to terminate my employment relationship at any time. Further, the Award and my participation in the Plan will not be interpreted to form an employment contract or relationship with the Corporation or any Affiliate.
- The Award and the shares of Common Stock subject to the Award are extraordinary items that do not constitute compensation of any kind for services of any kind rendered to the Corporation or the Employer, and which are outside the scope of my employment contract, if any, and are not intended to replace any pension rights or compensation. As such, the Award is not part of normal or expected compensation for purposes of calculating any severance, resignation, termination, redundancy, dismissal, end of service payments, bonuses, long-service awards, pension, retirement or welfare benefits or similar payments and in no event shall be considered as compensation for, or relating in any way to, past services for the Corporation, the Employer or any Affiliate.
- The future value of the underlying shares is unknown and cannot be predicted with certainty.
- No claim or entitlement to compensation or damages shall arise from forfeiture of the Award resulting from termination of my employment by the Corporation or the Employer (for any reason whatsoever and whether or not in breach of local labor laws) and in consideration of the grant of the Award, to which I am otherwise not entitled, I irrevocably agree never to institute any claim against the Corporation or the Employer, waive my ability, if any, to bring any such claim, and release the

Corporation and the Employer from any such claim; if, notwithstanding the foregoing, any such claim is allowed by a court of competent jurisdiction, then, by participating in the Plan, I shall be deemed irrevocably to have agreed not to pursue such a claim and agree to execute any and all documents necessary to request dismissal or withdrawal of such claims.

- In the event of termination of my employment (whether or not in breach of local labor laws and except as otherwise explicitly provided in the Award Agreement of the Plan), my right to receive RSUs and vest in the Award under the Plan, if any, will terminate effective as of the date that I am no longer actively employed and will not be extended by any notice period mandated under local law (e.g., active employment would not include a period of “garden leave” or similar period pursuant to local law); the Committee shall have the exclusive discretion to determine when I am no longer actively employed for purposes of the Award.
- The Corporation is not providing any tax, legal or financial advice, nor is the Corporation making any recommendations regarding participation in the Plan, or my acquisition or sale of the underlying shares of Common Stock. Further, I have been advised to consult with my own advisors regarding participation in the Plan before taking any action related to the Plan.
- Regardless of any action the Corporation or the Employer takes with respect to any or all income tax (including federal, state and local taxes), social insurance, payroll tax, payment on account or other tax-related items related to my participation in the Plan and legally applicable to me (“Tax-Related Items”), I acknowledge that the ultimate liability for all Tax-Related Items is and remains my responsibility and may exceed the amount actually withheld by the Corporation or the Employer. I further acknowledge that the Corporation and/or the Employer (i) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the Award, including the grant of the RSUs, the vesting of RSUs, the conversion of the RSUs into shares or the receipt of an equivalent cash payment, the subsequent sale of any shares acquired at vesting and the receipt of any dividends or dividend equivalents; and (ii) do not commit to and are under no obligation to structure the terms of the grant or any aspect of the Award to reduce or eliminate the my liability for Tax-Related Items or achieve any particular tax result. Further, if I have become subject to tax in more than one jurisdiction between the Grant Date and the date of any relevant taxable or tax withholding event, as applicable, I acknowledge that the Corporation and/or the Employer (or former employer, as applicable) may be required to withhold or account for Tax-Related Items in more than one jurisdiction.
- Prior to the relevant taxable or tax withholding event, as applicable, I shall pay or make adequate arrangements satisfactory to the Corporation and/or the Employer to satisfy or account for all Tax-Related Items. In this regard, I authorize the Corporation or the Employer, or their respective agents, at their discretion, to satisfy the obligations with regard to all Tax-Related Items by one or a combination of the following:
 - (1) withholding from my wages or other cash compensation paid to me by the Corporation and/or the Employer; or
 - (2) withholding from proceeds of the sale of shares acquired upon vesting of the Award either through a voluntary sale or through a mandatory sale arranged by the Corporation (on my behalf, pursuant to this authorization); or
 - (3) withholding in shares to be issued upon vesting of the Award.

- To avoid negative accounting treatment, the Corporation may withhold or account for Tax-Related Items by considering applicable minimum statutory withholding amounts or other applicable withholding rates. If the obligation for Tax-Related Items is satisfied by withholding in shares, for tax purposes, I am deemed to have been issued the full number of shares subject to the Award, notwithstanding that a number of shares are held back solely for the purpose of paying the Tax-Related Items due as a result of any aspect of my participation in the Plan.
- I shall pay to the Corporation or to the Employer any amount of Tax-Related Items that the Corporation or the Employer may be required to withhold or account for as a result of my participation in the Plan that cannot be satisfied by the means previously described. The Corporation may refuse to deliver shares or the proceeds of the sale of shares to me if I fail to comply with my obligations in connection with the Tax-Related Items.
- **I hereby explicitly and unambiguously consent to the collection, use and transfer, in electronic or other form, of my personal data as described in this Award Agreement by and among, as applicable, my Employer, the Corporation, and its Affiliates for the exclusive purpose of implementing, administering and managing my participation in the Plan.**
- **I understand that the Corporation and my Employer may hold certain personal information about me, including, but not limited to, my name, home address and telephone number, date of birth, social insurance number or other identification number, salary, nationality, job title, any shares of Common Stock or directorships held in the Corporation, details of all Awards or any other entitlement to shares awarded, canceled, vested, unvested or outstanding in my favor, for the purpose of implementing, administering and managing the Plan ("Data").**
- **I understand that Data may be transferred to any third parties assisting in the implementation, administration and management of the Plan, that these recipients may be located in my country, or elsewhere, and that my country may have different data privacy laws and protections than my country. I understand that I may request a list with the names and addresses of any potential recipients of the Data by contacting my local human resources representative. I authorize the recipients to receive, possess, use, retain and transfer the Data, in electronic or other form, for the purposes of implementing, administering and managing my participation in the Plan, including any requisite transfer of such Data as may be required to a broker, escrow agent or other third party with whom the shares received upon vesting of the RSUs may be deposited. I understand that Data will be held only as long as is necessary to implement, administer and manage my participation in the Plan. I understand that I may, at any time, view Data, request additional information about the storage and processing of Data, require any necessary amendments to Data or refuse or withdraw the consents herein, in any case without cost, by contacting in writing my local human resources representative. I understand that refusal or withdrawal of consent may affect my ability to participate in the Plan. For more information on the consequences of my refusal to consent or withdrawal of consent, I understand that I may contact my local human resources representative.**
- The Plan and the Award are governed by and subject to U.S. law. Interpretation of the Plan and my rights under the Plan will be governed by provisions of U.S. law. For purposes of litigating any dispute that arises under this Award or Award Agreement, the parties submit to and consent to the jurisdiction of the State of Delaware, and agree that such litigation shall be conducted in the federal courts for the United States for the Northern District of Texas and no other courts.

- I understand that I am solely responsible for obtaining/providing whatever exchange control approvals, permits, licenses or notices, which may be necessary for my Award, to acquire the shares or to hold or sell the shares subject to the RSU award. Neither the Corporation nor its Affiliates will be responsible for obtaining such approvals, licenses or permits, or for making any such notices, nor will the Corporation or its Affiliates be liable for any fines or penalties I may incur for failure to obtain any required approvals, permits or licenses or to make any required notices.
- The provisions of this Award Agreement are severable and if one or more of the provisions of this Award Agreement shall be held invalid, illegal or otherwise unenforceable, in whole or in part, the remaining provisions shall nonetheless be binding and enforceable. To the extent that any provisions of this Award Agreement are held to be invalid or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby and the invalid, illegal or unenforceable provisions shall be deemed null and void; however, to the extent permissible by law, any provisions which could be deemed null and void shall first be construed, interpreted or revised retroactively to permit this Award Agreement to be construed so as to foster the intent of this Award Agreement and the Plan.
- If I have received this Award Agreement or any other document related to the Plan translated into a language other than English and if the meaning of the translated version is different than the English version, the English version will control.
- Notwithstanding any provisions in this Award Agreement, the Award shall be subject to any special terms and conditions set forth in Appendix A to this Award Agreement for my country. Moreover, if I relocate to one of the countries included in Appendix A, the special terms and conditions for such country will apply to me, to the extent the Corporation determines that the application of such terms and conditions is necessary or advisable in order to comply with local law or facilitate the administration of the Plan. Appendix A constitutes part of this Award Agreement.
- The Corporation reserves the right to impose other requirements on my participation in the Plan, on the Award and on any shares acquired under the Plan, to the extent the Corporation determines it is necessary or advisable in order to comply with local law or facilitate the administration of the Plan, and to require me to sign any additional agreements or undertakings that may be necessary to accomplish the foregoing.
- The Corporation may, in its sole discretion, decide to deliver any documents related to current or future participation in the Plan by electronic means. I hereby consent to receive such documents by on-line delivery and agree to participate in the Plan through an on-line or electronic system established and maintained by the Corporation or a third-party designated by the Corporation.

Conclusion and Acceptance

I accept this grant via electronic signature by clicking the "Accept" icon and certify that I have read, understand and agree to the terms and conditions of the 2011 Equity Participation Plan (the "Plan"), the provisions of the applicable Award Agreement and all other applicable documents (including any country-specific terms applicable to my grant). I hereby authorize my Employer to furnish the Corporation (and any agent administering the Plan or providing recordkeeping services) with such information and data as it shall request in order to facilitate the grant of Awards and enable administration of the Plan and I understand that such information shall be used only as long and to the extent necessary to administer my participation in the Plan. I agree that my participation in the Plan and the Awards granted to me under the Plan will be governed solely by provisions of U.S. law.

Plan. The Participant understands that Data processing related to the purposes specified above shall take place under automated or non-automated conditions, anonymously when possible, that comply with the purposes for which Data is collected and with confidentiality and security provisions as set forth by applicable laws and regulations, with specific reference to Legislative Decree no. 196/2003.

NETHERLANDS

Consent to Comply with Dutch Securities Law

The Participant has been granted Awards under the Plan, pursuant to which the Participant may acquire shares. Participants who are residents of the Netherlands should be aware of the Dutch insider trading rules, which may impact the sale of such shares. In particular, the Participant may be prohibited from effecting certain share transactions if the Participant has insider information regarding the Corporation.

Below is a discussion of the applicable restrictions. The Participant is advised to read the discussion carefully to determine whether the insider rules apply to the Participant. If it is uncertain whether the insider rules apply, the Corporation recommends that the Participant consult with his or her personal legal advisor. Please note that the Corporation cannot be held liable if the Participant violates the Dutch insider rules. The Participant is responsible for ensuring compliance with these rules.

By entering into the Award Agreement and participating in the Plan, the Participant acknowledges having read and understood the notification below and acknowledges that it is his or her own responsibility to comply with the Dutch insider trading rules, as discussed herein.

Prohibition Against Insider Trading

Dutch securities laws prohibit insider trading. Under Article 46 of the Act on the Supervision of the Securities Trade 1995, anyone who has “inside information” related to the Corporation is prohibited from effectuating a transaction in securities in or from the Netherlands. “Inside information” is knowledge of a detail concerning the issuer to which the securities relate that is not public and which, if published, would reasonably be expected to affect the share price, regardless of the actual effect on the price. The insider could be any employee of the Corporation or its Dutch Affiliate who has inside information as described above.

Given the broad scope of the definition of inside information, certain employees of the Corporation working at its Dutch Affiliate may have inside information and thus, would be prohibited from effectuating a transaction in securities in the Netherlands at a time when he or she had such inside information.

Upon vesting of this Award, any shares of Common Stock to be issued to the Participant shall be delivered to the Participant through a bank or brokerage account in the United States.

Securities Law Notice

This Award Agreement, the Plan and all other materials the Participant may receive regarding participation in the Plan do not constitute advertising or an offering of securities in Russia. Absent any requirement under local law, the issuance of shares of Common Stock under the Plan has not and will not be registered in Russia and hence the shares described in any Plan-related documents may not be offered or placed in public circulation in Russia.

Please note that, under the Russian law, the Participant is not permitted to sell the Corporation's shares directly to other Russian individuals and the Participant is not permitted to bring share certificates into Russia. All shares issued upon vesting of the Award will be maintained on the Participant's behalf in the United States.

SINGAPORE

Securities Law Information

The Award is being made pursuant to the “Qualifying Person” exemption” under section 273(1)(f) of the Securities and Futures Act (Chapter 289, 2006 Ed.) (“SFA”). The Plan has not been lodged or registered as a prospectus with the Monetary Authority of Singapore. The Participant should note that the Award is subject to section 257 of the SFA and the Participant will not be able to make (i) any subsequent sale of the shares of Common Stock in Singapore or (ii) any offer of such subsequent sale of the shares of Common Stock subject to the Award in Singapore, unless such sale or offer is made pursuant to the exemptions under Part XIII Division (1) Subdivision (4) (other than section 280) of the SFA (Chapter 289, 2006 Ed.).

Director Notification Obligation

If the Participant is a director, associate director or shadow director of the Corporation's Singapore Affiliate, the Participant is subject to certain notification requirements under the Singapore Companies Act. In addition, the Participant must notify the Corporation's Singapore Affiliate when he or she sells shares of the Corporation or of any Affiliate (including when the Participant sells shares issued upon vesting and settlement of the Award). These notifications must be made within two days of acquiring or disposing of any interest in the Corporation or any Affiliate. In addition, a notification of the Participant's interests in the Corporation or any Affiliate must be made within two days of becoming a director.

SOUTH AFRICA

Exchange Control Information

To participate in the Plan, the Participant must comply with exchange control regulations and rulings (the “Exchange Control Regulations”) in South Africa. Currently, the Exchange Control Department of the South African Reserve Bank (“Exchange Control”) requires that approval be sought for the purchase of securities by South African residents pursuant to foreign share incentive schemes, such as the acquisition of shares of Common Stock under the Plan. The Corporation is in the process of obtaining such approval.

Because the Exchange Control Regulations change frequently and without notice, the Participant understands that he or she should consult a legal advisor prior to the acquisition or sale of shares under the Plan to ensure compliance with current regulations. The Participant understands that it is his or her responsibility to comply with South African exchange control laws, and neither the Corporation nor the Employer will be liable for any fines or penalties resulting from failure to comply with applicable laws.

By accepting the Award, the Participant agrees to notify the Employer of the amount of any gain realized upon vesting of the Award. If the Participant fails to advise the Employer of the gain realized upon vesting, the Participant may be liable for a fine. SPAIN

Termination of Employment

For purposes of this Award, a termination of employment includes a termination that is deemed an “unfair dismissal” or a “constructive dismissal.”

Labor Law Acknowledgment

By accepting the Award, the Participant acknowledges that he or she understands and agrees to participation in the Plan and that he or she has received a copy of the Plan.

The Participant understands that the Corporation has unilaterally, gratuitously and discretionally decided to grant Awards under the Plan to individuals who may be employees of the Corporation or its Affiliates throughout the world. The decision is a limited decision that is entered into upon the express assumption and condition that any grant will not economically or otherwise bind the Corporation or any of its Affiliates on an ongoing basis. Consequently, the Participant understands that any grant is given on the assumption and condition that it shall not become a part of any employment contract (either with the Corporation or any of its Affiliates) and shall not be considered a mandatory benefit, salary for any purposes (including severance compensation) or any other right whatsoever. Further, the Participant understands and freely accepts that there is no guarantee that any benefit whatsoever shall arise from any gratuitous and discretionary grant since the future value of the Award and the underlying shares is unknown and unpredictable. In addition, the Participant understands that this grant would not be made but for the assumptions and conditions referred to above; thus, the

Participant understands, acknowledges and freely accepts that should any or all of the assumptions be mistaken or should any of the conditions not be met for any reason, then the Award shall be null and void.

Further, the Participant understands that the Award is a conditional right. Participant shall forfeit any unvested Award upon termination of employment unless such termination is (i) due to a Qualified Termination of Employment, or (ii) if more than six months after the Grant Date, due to death, Total and Permanent Disability, or the shutdown or divestiture of a business unit. The terms of this paragraph apply even if the Participant is considered to be unfairly dismissed without good cause.

Notwithstanding the foregoing, if the Participant is an officer or executive director (as within the meaning of Section 13(k) of the U.S. Securities and Exchange Act of 1934, as amended), the terms of this provision will not apply to the Participant. In the event that the Participant is an officer or director, as defined above, and Tax-Related Items are not collected from or paid by the Participant by the Due Date, the amount of any uncollected Tax-Related Items may constitute a benefit to the Participant on which additional income tax and National Insurance Contributions may be payable. The Participant acknowledges the Corporation or the Employer may recover it at any time thereafter by any of the means referred to in the Award Agreement. The Participant authorizes the Corporation to withhold the transfer of any shares unless and until the loan is repaid in full.

(Mr. Spencer)

Made as of the 5 day of April, 2012

CONSULTING AGREEMENT

THIS CONSULTING AGREEMENT (the "Consulting Agreement") made as of the day and year first set forth above, by and between Kimberly-Clark Corporation, a Delaware corporation, with offices at 351 Phelps Drive, Irving, Texas 75038 ("K-C") and Jan B.C. Spencer ("Mr. Spencer") of 1400 Holcomb Bridge Road, Roswell, GA 30076.

WITNESSETH

WHEREAS, K-C and its various business units have employed Mr. Spencer for years in various upper-management level positions in which Mr. Spencer has obtained knowledge of and full access to the full range of the confidential, proprietary information of K-C that is competitively valuable, much of which constitutes trade secrets; and

WHEREAS, both K-C and Mr. Spencer acknowledge that Mr. Spencer's knowledge of K-C's trade secrets and other confidential proprietary information is thorough, both in terms of the breadth (i.e. information from K-C's various business units and regarding K-C's various products), and in terms of depth (i.e. the level of detail, and information about K-C's prior, current and future activities); and

WHEREAS, both K-C and Mr. Spencer acknowledge that because of Mr. Spencer's expansive and thorough knowledge of K-C's trade secrets and other confidential proprietary information, and its business plans and strategies, K-C would suffer serious competitive harm if Mr. Spencer were to perform any services for a substantial competitor of K-C in which Mr. Spencer made or influenced any business decisions of that competitor; and

WHEREAS, both K-C and Mr. Spencer acknowledge that if Mr. Spencer were to perform services for a substantial competitor of K-C in which Mr. Spencer made or influenced any business decisions of the competitor, Mr. Spencer would inevitably use for the benefit of the

competitor and to the competitive detriment of K-C his knowledge of some K-C trade secrets or other competitively valuable confidential information: and

WHEREAS, K-C wishes to continue to retain Mr. Spencer's services as a senior executive consultant after his retirement.

NOW, THEREFORE, in consideration of the mutual promises contained herein, and specifically the payment described in Article 3 below, the parties hereto agree as follows:

It is anticipated that the consulting services will primarily be performed from Mr. Spencer's place of residence.

ARTICLE 2

TERM AND TERMINATION

The Services to be performed by Mr. Spencer pursuant to this Consulting Agreement shall commence on July 1, 2012, and continue for a period of two years until June 30, 2104 (hereinafter referred to as the "Term"). Notwithstanding the expected Term hereof, K-C or Mr. Spencer may terminate the Services at any time in the event of the failure of the other party to comply with any of the provisions hereunder after receiving written notice of such failure and not

curing the same within 30 calendar days. This Consulting Agreement also shall terminate on the death or incapacity of Mr. Spencer except for Articles 4 through 14. In the event of early termination because of a breach of the Consulting Agreement by Mr. Spencer, Mr. Spencer shall provide K-C with written summaries of the Services performed through the date of cancellation and K-C shall compensate Mr. Spencer through the date of such termination in accordance with the terms hereof and K-C shall owe no further monies to Mr. Spencer. In the event of early termination without cause by K-C, Mr. Spencer shall provide K-C with written summaries of the Services performed through the date of cancellation and K-C shall continue to compensate Mr. Spencer as provided in Article 3 through the remainder of the Term. In the event of termination of this Consulting Agreement, for any reason whatsoever, with or without cause, the provisions of Articles 4 through 14 and any other provisions of this Consulting Agreement necessary to give efficacy thereto shall continue in full force and effect following such termination.

ARTICLE 3

COMPENSATION

The form of the Reaffirmation agreement is attached as Exhibit A. As a condition of receiving any payments under this Article, Mr. Spencer shall execute and deliver the Reaffirmation Agreement to K-C within the time specified in the Reaffirmation Agreement. Provided Mr. Spencer signs and returns the Reaffirmation Agreement in a timely manner, and does not revoke it in accordance with its terms, K-C will pay Mr. Spencer \$50,000 per quarter, in arrears, for a period of two years to be paid after the last day of each quarterly period, commencing after September 30, 2012 with the final payment

occurring after June 30, 2014. Mr. Spencer shall be available to provide Services for a maximum of 200 hours per year at such time as can reasonably be agreed by the parties. In the event that K-C requests Mr. Spencer to provide services in excess of 200 hours per year, Mr. Spencer shall be compensated at a rate to be agreed upon by the parties. K-C shall reimburse Mr. Spencer for all necessary travel and other expenses incurred in connection with the Services provided that such expenses have been incurred with K-C's prior approval and further, provided that Mr. Spencer supports such expenses with appropriate documentation. Tax withholdings may be applied to the above payments as determined by K-C in its sole discretion. Mr. Spencer is fully responsible for the payment of all taxes and K-C makes no representation as to the tax treatment of any consideration under this Agreement.

Reaffirmation of the Agreement and Full and Final Release of Claims

This Agreement represents the understanding between Jan B.C. Spencer (Employee "I") and Kimberly-Clark Global Sales, LLC ("K-C"), pursuant to the Consulting Agreement ("Agreement"), which was executed on the _____ day of _____, 2012.

By signing, Employee agrees that in exchange for the consideration detailed in Article 3 of the Agreement, Employee is reaffirming the Agreement in its entirety, including, but not limited to the full and final release obligation related to the above referenced Consulting Agreement, attached as Exhibit A to this Agreement.

As outlined in the *Consulting Agreement*, if Employee executes the Reaffirmation Agreement and delivers the executed Reaffirmation Agreement to K-C within the time specified below and does not revoke it in accordance with the terms described below, K-C will further provide the consideration detailed in Article 3 of the *Consulting Agreement*.

FULL AND FINAL RELEASE. In consideration of the payments being provided to Employee in Article 3 of the *Consulting Agreement*, Employee, for the Employee, Employee's attorneys, heirs, executors, administrators, successors and assigns, fully, finally and forever releases and discharges K-C, all parent, subsidiary, related and affiliated companies, including Kimberly-Clark Corporation, and its parent, subsidiary, related and affiliated companies, as well as its and their successors, assigns, officers, owners, directors, agents, representatives, attorneys, and employees (all of whom are referred to throughout this Agreement as "KCC"), of and from all claims, demands, actions, causes of action, suits, damages, losses, and expenses, of any and every nature whatsoever, as a result of actions or omissions occurring through the execution date of this Agreement. Specifically included in this waiver and release are, among other things, any and all claims of alleged employment discrimination, either as a result of the separation of Employee's employment or otherwise, any claims under any KCC severance pay plan, under the Age Discrimination in Employment Act, the Older Workers Benefit Protection Act, Title VII of the Civil Rights Act of 1964, the Family and Medical Leave Act (FMLA), the Americans with Disabilities Act, the Worker Adjustment and Retraining Notification (WARN) Act, the Uniformed Services Employment and Reemployment Rights Act (USERRA), the Ledbetter Fair Pay Act, the Internal Revenue Code (IRC), the US tax code, the Employee Retirement Income Security Act (ERISA), any other federal, state or local statute, rule, ordinance, or regulation, as well as any claims for alleged wrongful discharge, negligent or intentional infliction of emotional distress, breach of contract, fraud, defamation, or any other unlawful behavior, the existence of which is specifically denied by KCC.

Nothing in this Agreement, however, shall be construed to prohibit Employee from filing a charge or participating in any investigation or proceeding conducted by the EEOC or comparable state or local agency. Further, nothing in this Agreement is intended to waive Employee's entitlement to vested benefits under any pension, 401(k) plan or other benefit plan provided by KCC. Finally, the above release does not waive claims that Employee could make, if available, for unemployment or workers' compensation and also excludes any other claim which cannot be released by private agreement between the parties.

ADVICE OF ATTORNEY. Employee acknowledges that Employee has been and is hereby advised to consult with an attorney in regard to this matter. Employee further acknowledges that Employee has been given twenty-one (21) days from the time that Employee receives this Agreement to consider whether to sign it. If Employee has signed this Agreement before the end of this twenty-one (21) day period, it is because Employee freely chose to do so after carefully considering its terms. Finally, Employee shall have seven (7) days from the date Employee signs this Agreement to change Employee's mind and revoke the Agreement. If Employee does not revoke this Agreement within seven (7) days of Employee's signing, this Agreement will become final and binding on the day following such seven (7) day period.
