KIMBERLY-CLARK CORPORATION AND SUBSIDIARIES
NOTES TO THE UNAUDITED INTERIM CONSOLIDATED FINANCIAL STATEMENTS
(Unaudited)

Note 1. Accounting Policies

Basis of Presentation

The accompanying unaudited interim consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP") for interim financial information and instructions to Form 10-Q and Article 10 of Regulation S-X. Accordingly, they do not include all of the information and footnotes required by GAAP for complete financial statements. In the opinion of management, all material adjustments which are of a normal and recurring nature necessary for a fair presentation of the results for the periods presented have been reflected. Dollar amounts are reported in millions, except per share dollar amounts, unless otherwise noted.

For further information, refer to the consolidated financial statements and footnotes included in our Annual Report on Form 10-K for the year ended December 31, 2018. The terms "Corporation," "Kimberly-Clark," "K-C," "we," "our" and "us" refer to Kimberly-Clark Corporation and its consolidated subsidiaries.

Highly Inflationary Accounting in Argentina

GAAP guidance requires the use of highly inflationary accounting for countries whose cumulative three-year inflation exceeds 100 percent. In the second quarter of 2018, published inflation indices indicated that the three-year cumulative inflation in Argentina exceeded 100 percent, and as of July 1, 2018, we elected to adopt highly inflationary accounting for our subsidiaries in Argentina ("K-C Argentina"). Under highly inflationary accounting, K-C Argentina's functional currency became the U.S. dollar, and its income statement and balance sheet have been measured in U.S. dollars using both current and historical rates of exchange. The effect of changes in exchange rates on peso-denominated monetary assets and liabilities has been reflected in earnings in Other (income) and expense, net and was not material. As of March 31, 2019, K-C Argentina had a small net peso monetary position. Net sales of K-C Argentina were less than 2 percent of our consolidated net sales for the three months ended March 31, 2019 and 2018.

Leases

Lease assets and lease liabilities are recognized at the commencement of an arrangement where it is determined at inception that a lease exists. Lease assets represent the right to use an underlying asset for the lease term, and lease liabilities represent the obligation to make lease payments arising from the lease. These assets and liabilities are initially recognized based on the present value of lease payments over the lease term calculated using our incremental borrowing rate generally applicable to the location of the lease asset, unless the implicit rate is readily determinable. Lease assets also include any upfront lease payments made and exclude lease incentives. Lease terms include options to extend or terminate the lease when it is reasonably certain that those options will be exercised.

Variable lease payments are generally expensed as incurred and include certain index-based changes in rent, certain nonlease components, such as maintenance and other services provided by the lessor, and other charges included in the lease. Leases with an initial term of 12 months or less are not recorded on the balance sheet, and the expense for these short-term leases and for operating leases is recognized on a straight-line basis over the lease term.

Lease agreements with lease and nonlease components are combined as a single lease component. The depreciable life of lease assets and leasehold improvements is limited by the expected lease term, unless there is a transfer of title or purchase option reasonably certain of exercise.

Recently Adopted Accounting Standards

The Financial Accounting Standards Board (the "FASB") issued Accounting Standards Update ("ASU") No. 2016-02, *Leases (Topic 842)*, amended by ASU 2018-11, *Leases (Topic 842): Targeted Improvements*. The new guidance requires a lessee to recognize assets and liabilities for all leases with lease terms of more than 12 months and provide additional disclosures. The ASU requires adoption using a modified retrospective transition approach with either 1) periods prior to the adoption date being recast or 2) a cumulative-effect adjustment recognized to the opening balance of retained earnings on the adoption date with prior periods not recast. We adopted this standard on January 1, 2019 using the cumulative-effect adjustment approach. We elected the package of practical expedients in transition for leases that commenced prior to January 1, 2019 whereby these contracts were not reassessed or reclassified from their previous assessment as of December 31, 2018. We also elected certain other practical expedients in transition including not reassessing existing land easements as lease contracts. For all new and modified leases after adoption of the ASU, we have taken the component election allowing us to account for lease components together with non lease components in the calculation of the lease asset and corresponding liability. We implemented processes and a lease accounting system to ensure adequate internal controls were in place to assess our contracts and enable proper accounting and reporting of

financial information upon adoption. No cumulative-effect adjustment was recognized as the amount was not material, and the impact on our results of operations and cash flows was also not material. See Note 7 for the financial position impact and additional disclosures.

The FASB issued ASU No. 2017-12, *Derivatives and Hedging (Topic 815): Targeted Improvements to Accounting for Hedging Activities*. The new standard makes more financial and non-financial hedging strategies eligible for hedge accounting. It also amends presentation and disclosure requirements and changes how companies assess hedge effectiveness. This ASU requires adoption using a modified retrospective transition approach with a cumulative-effect adjustment recognized to the opening balance of retained earnings on the adoption date with prior periods not recast. We adopted this standard on January 1, 2019 with no cumulative-effect adjustment as the amount was not material. The effects of this standard on our financial position, results of operations and cash flows were not material.

Accounting Standards Issued - Not Yet Adopted

The FASB issued ASU No. 2018-13, *Fair Value Measurement (Topic 820)*. The new guidance modifies disclosure requirements related to fair value measurement. The amendments in this ASU are effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. Implementation on a prospective or retrospective basis varies by specific disclosure requirement. Early adoption is permitted. The standard also allows for early adoption of any removed or modified disclosures upon issuance of this ASU while delaying adoption of the additional disclosures until their effective date.

The FASB issued ASU No. 2018-15, *Intangibles-Goodwill and Other-Internal-Use Software (Subtopic 350-40)*. The new guidance reduces complexity for the accounting for costs of implementing a cloud computing service arrangement and aligns the requirements for capitalizing implementation costs incurred in a hosting arrangement that is a service contract with the requirements for capitalizing implementation costs incurred to develop or obtain internal-use software (and hosting arrangements that include an internal use software license). For public companies, the amendments in this ASU are effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019, with early adoption permitted. Implementation should be applied either retrospectively or prospectively to all implementation costs incurred after the date of adoption. The effects of this standard on our financial position, results of operations or cash flows are not expected to be material.

Note 2. 2018 Global Restructuring Program

In January 2018, we announced the 2018 Global Restructuring Program to reduce our structural cost base by streamlining and simplifying our manufacturing supply chain and overhead organization. We expect to close or sell approximately 10 manufacturing facilities and expand production capacity at several others. We expect to exit or divest some lower-margin businesses that generate approximately 1 percent of our net sales. The sales are concentrated in our consumer tissue business segment. The restructuring is expected to impact our organizations in all major geographies. Workforce reductions are expected to be in the range of 5,000 to 5,500. Certain capital appropriations under the 2018 Global Restructuring Program are being finalized. Accounting for actions related to each appropriation will commence when the appropriation is authorized for execution.

The restructuring is expected to be completed by the end of 2020, with total costs anticipated to be \$1.7 billion to \$1.9 billion pre-tax (\$1.35 billion to \$1.5 billion after tax). Cash costs are expected to be \$900 to \$1.0 billion, primarily related to workforce reductions. Non-cash charges are expected to be \$800 to \$900 pre-tax and will primarily consist of incremental depreciation, asset write-offs and pension settlement and curtailment charges. Restructuring charges in 2019 are expected to be \$600 to \$750 pre-tax (\$470 to \$570 after tax).

The following charges were incurred in connection with the 2018 Global Restructuring Program:

	Three Months Ended March 31, 2019	Three Months Ended March 31, 2018
Cost of products sold:		
Charges for workforce reductions	\$ 30	\$ 119
Asset impairments	—	74
Asset write-offs	12	55
Incremental depreciation	67	28
Other exit costs	16	1
Total	125	277
Marketing, research and general expenses:		
Charges for workforce reductions	4	286
Other exit costs	24	14
Total	28	300
Other (income) and expense, net	(1)	—
Total charges	152	577
Provision for income taxes	(31)	(143)
Net charges	121	434
Net impact related to equity companies and noncontrolling interests	1	(6)
Net charges attributable to Kimberly-Clark Corporation	\$ 122	\$ 428

The asset impairment charges were measured based on the excess of the carrying value of the impacted asset groups over their fair values. These fair values were measured by using discounted cash flows expected over the limited time the assets would remain in use and as a result, the assets were essentially written off. The use of discounted cash flows represents a level 3 measure under the fair value hierarchy.

The following summarizes the 2019 restructuring liabilities activity:

	2019	2018
Restructuring liabilities at January 1	\$ 210	\$ —
Charges for workforce reductions and other cash exit costs	74	418
Cash payments	(71)	(14)
Currency and other	6	3
Restructuring liabilities at March 31	\$ 219	\$ 407

Restructuring liabilities of \$132 and \$306 are recorded in Accrued expenses and other current liabilities and \$87 and \$101 are recorded in Other Liabilities as of March 31, 2019 and 2018, respectively. The impact related to restructuring charges is recorded in Operating working capital and Other Operating Activities, as appropriate, in our consolidated cash flow statement.

Through March 31, 2019, cumulative pre-tax charges for the 2018 Global Restructuring Program were \$1.2 billion (\$905 after tax).

Note 3. U.S. Tax Reform

On December 22, 2017, the U.S. government enacted comprehensive tax legislation commonly referred to as the Tax Cuts and Jobs Act (the "Tax Act"). In the period ended December 31, 2017, we recorded a provisional discrete net tax benefit related to the transition tax, remeasurement of deferred taxes, our reassessment of permanently reinvested earnings, uncertain tax positions and valuation allowances, and actions taken in anticipation of the Tax Act. The provisional amounts recorded in 2017 were finalized in 2018. During 2018, we recorded discrete net tax expense related to new guidance issued during 2018 affecting tax benefits we recorded in the period ended December 31, 2017 for the transition tax and certain tax planning actions taken in anticipation of the Tax Act. At December 31, 2018, we finalized our policy and elected to use the period cost method for global intangible low-taxed income ("GILTI") provisions and therefore have not recorded deferred taxes for basis differences expected to reverse in future periods.

In the first quarter of 2018, we recorded discrete net tax expense of \$82 primarily related to guidance issued affecting tax benefits we recorded in the fourth quarter of 2017 for certain tax planning actions taken in anticipation of the Tax Act.

Note 4. Fair Value Information

The following fair value information is based on a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels in the hierarchy used to measure fair value are:

Level 1 – Unadjusted quoted prices in active markets accessible at the reporting date for identical assets and liabilities.

Level 2 – Quoted prices for similar assets or liabilities in active markets. Quoted prices for identical or similar assets and liabilities in markets that are not considered active or financial instruments for which all significant inputs are observable, either directly or indirectly.

Level 3 – Prices or valuations that require inputs that are significant to the valuation and are unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

During the three months ended March 31, 2019 and for the full year 2018, there were no significant transfers among level 1, 2, or 3 fair value determinations.

Derivative assets and liabilities are measured on a recurring basis at fair value. At March 31, 2019 and December 31, 2018, derivative assets were \$29 and \$30, respectively, and derivative liabilities were \$29 and \$18, respectively. The fair values of derivatives used to manage interest rate risk and commodity price risk are based on LIBOR rates and interest rate swap curves and NYMEX price quotations, respectively. The fair values of hedging instruments used to manage foreign currency risk are based on published quotations of spot currency rates and forward points, which are converted into implied forward currency rates. Measurement of our derivative assets and liabilities is considered a level 2 measurement. Additional information on our classification and use of derivative instruments is contained in Note 8.

Redeemable preferred securities of subsidiaries are measured on a recurring basis at fair value and were \$64 at both March 31, 2019 and December 31, 2018. They are not traded in active markets. For certain redeemable securities, fair values were calculated using a floating rate pricing model that compared the stated spread to the fair value spread to determine the price at which each of the financial instruments should trade. The model used the following inputs to calculate fair values: face value, current LIBOR rate, unobservable fair value credit spread, stated spread, maturity date and interest or dividend payment dates. The fair values of the remaining redeemable securities were based on a discounted cash flow valuation model. Measurement of the redeemable preferred securities is considered a level 3 measurement.

Company-owned life insurance ("COLI") assets are measured on a recurring basis at fair value. COLI assets were \$69 and \$64 at March 31, 2019 and December 31, 2018, respectively. The COLI policies are a source of funding primarily for our nonqualified employee benefits and are included in other assets. The COLI policies are measured at fair value using the net asset value per share practical expedient, and therefore, are not classified in the fair value hierarchy.

The following table includes the fair value of our financial instruments for which disclosure of fair value is required:

	Fair Value Hierarchy Level	Carrying Amount	Estimated Fair Value	Carrying Amount	Estimated Fair Value
		March 31, 2019		December 31, 2018	
Assets					
Cash and cash equivalents ^(a)	1	\$ 491	\$ 491	\$ 539	\$ 539
Time deposits ^(b)	1	260	260	256	256
Liabilities and redeemable securities of subsidiaries					
Short-term debt ^(c)	2	1,338	1,338	495	495
Long-term debt ^(d)	2	6,552	7,017	6,960	7,192

(a) Cash equivalents are composed of certificates of deposit, time deposits and other interest-bearing investments with original maturity dates of 90 days or less. Cash equivalents are recorded at cost, which approximates fair value.

(b) Time deposits are composed of deposits with original maturities of more than 90 days but less than one year and instruments with original maturities of greater than one year, included in other current assets or other assets in the consolidated balance sheet, as appropriate. Time deposits are recorded at cost, which approximates fair value.

(c) Short-term debt is composed of U.S. commercial paper and/or other similar short-term debt issued by non-U.S. subsidiaries, all of which are recorded at cost, which approximates fair value.

(d) Long-term debt includes the current portion of these debt instruments. Fair values were estimated based on quoted prices for financial instruments for which all significant inputs were observable, either directly or indirectly.

Note 5. Earnings Per Share ("EPS")

There are no adjustments required to be made to net income for purposes of computing EPS. The average number of common shares outstanding is reconciled to those used in the basic and diluted EPS computations as follows:

(Millions of shares)	Three Months Ended March 31	
	2019	2018
Basic	344.3	350.4
Dilutive effect of stock options and restricted share unit awards	1.7	2.2
Diluted	346.0	352.6

The impact of options outstanding that were not included in the computation of diluted EPS because their exercise price was greater than the average market price of the common shares was insignificant. The number of common shares outstanding as of March 31, 2019 and 2018 was 343.9 million and 349.6 million, respectively.

Note 6. Stockholders' Equity

Set forth below is a reconciliation for the three months ended March 31, 2019 and 2018 of the carrying amount of total stockholders' equity from the beginning of the period to the end of the period.

During the three months ended March 31, 2019, we repurchased 1.4 million shares at a total cost of \$167 pursuant to a share repurchase program authorized by our Board of Directors.

Net unrealized currency gains or losses resulting from the translation of assets and liabilities of foreign subsidiaries, except those in highly inflationary economies, are recorded in Accumulated Other Comprehensive Income ("AOCI"). For these operations, changes in exchange rates generally do not affect cash flows; therefore, unrealized translation adjustments are recorded in AOCI rather than net income. Upon sale or substantially complete liquidation of any of these subsidiaries, the applicable unrealized translation would be removed from AOCI and reported as part of the gain or loss on the sale or liquidation.

Also included in unrealized translation amounts are the effects of foreign exchange rate changes on intercompany balances of a long-term investment nature and transactions designated as hedges of net foreign investments.

The change in net unrealized currency translation for the three months ended March 31, 2019 was primarily due to strengthening of foreign currencies versus the U.S. dollar.

The changes in the components of AOCI attributable to Kimberly-Clark, net of tax, are as follows:

	Unrealized Translation	Defined Benefit Pension Plans	Other Postretirement Benefit Plans	Cash Flow Hedges and Other
Balance as of December 31, 2017	\$ (1,864)	\$ (976)	\$ (39)	\$ (40)

(a) Included in computation of net periodic benefit costs.

Note 7. Leases

We have entered into leases for certain facilities, vehicles, material handling and other equipment. Our leases have remaining contractual terms up to 20 years, some of which include options to extend the leases for up to 20 years, and some of which include options to terminate the leases within 1 year. Our lease agreements do not contain any material residual value guarantees or material restrictive covenants. Our operating lease costs are primarily related to facility leases for inventory warehousing and administration offices, and our finance leases are immaterial.

Note 8. Objectives and Strategies for Using Derivatives

As a multinational enterprise, we are exposed to financial risks, such as changes in foreign currency exchange rates, interest rates, and commodity prices. We employ a number of practices to manage these risks, including operating and financing activities and, where appropriate, the use of derivative instruments. We enter into derivative instruments to hedge a portion of forecasted cash flows denominated in foreign currencies for non-U.S. operations' purchases of raw materials, which are priced in U.S. dollars, and imports of intercompany finished goods and work-in-process priced predominantly in U.S. dollars and euros. The derivative instruments used to manage these exposures are designated and qualify as cash flow hedges. The foreign currency exposure on

certain non-functional currency denominated monetary assets and liabilities, primarily intercompany loans and accounts payable, is hedged with primarily undesignated derivative instruments.

Interest rate risk is managed using a portfolio of variable and fixed-rate debt composed of short and long-term instruments. Interest rate swap contracts may be used to facilitate the maintenance of the desired ratio of variable and fixed-rate debt and are designated and qualify as fair value hedges. From time to time, we also hedge the anticipated issuance of fixed-rate debt, and these contracts are designated as cash flow hedges.

We use derivative instruments, such as forward swap contracts, to hedge a limited portion of our exposure to market risk arising from changes in prices of certain commodities. These derivatives are designated as cash flow hedges of specific quantities of the underlying commodity expected to be purchased in future months.

Translation adjustments result from translating foreign entities' financial statements into U.S. dollars from their functional currencies. The risk to any particular entity's net assets is reduced to the extent that the entity is financed with local currency borrowings. A portion of our balance sheet translation exposure for certain affiliates, which results from changes in translation rates between the affiliates' functional currencies and the U.S. dollar, is hedged with financial instruments. These instruments are designated as net investment hedges and have an aggregate notional value of \$1.1 billion at March 31, 2019. Changes in fair value of net investment hedges are recorded in AOCI as part of the cumulative translation adjustment. For the three months ended March 31, 2019, \$12 of unrealized gains related to net investment hedge fair value changes were recorded in AOCI and no significant amounts were reclassified from AOCI to Interest expense.

At March 31, 2019 and December 31, 2018, derivative assets were \$29 and \$30, respectively, and derivative liabilities were \$29 and \$18, respectively, primarily comprised of foreign currency exchange contracts. Derivative assets are recorded in Other current assets or Other Assets, as appropriate, and derivative liabilities are recorded in Accrued expenses and other current liabilities or Other Liabilities, as appropriate.

Derivative instruments that are designated and qualify as fair value hedges are predominantly used to manage interest rate risk. The fair values of these interest rate derivative instruments are recorded as an asset or liability, as appropriate, with the offset recorded in Interest expense. The offset to the change in fair values of the related debt is also recorded in Interest expense. Any realized gain or loss on the derivatives that hedge interest rate risk is amortized to Interest expense over the life of the related debt. As of March 31, 2019, the aggregate notional values and carrying values of outstanding interest rate contracts designated as fair value hedges were \$300 and \$299, respectively. For the three months ended March 31, 2019 and 2018, gains or losses recognized in Interest expense for interest rate swaps were not significant. The cumulative changes in fair value of related hedged items for which hedge accounting has been discontinued were not significant as of March 31, 2019.

For derivative instruments that are designated and qualify as cash flow hedges, the gain or loss on the derivative instrument is initially recorded in AOCI, net of related income taxes, and recognized in earnings in the same income statement line and period that the hedged exposure affects earnings. As of March 31, 2019, outstanding commodity forward contracts were in place to hedge a limited portion of our estimated requirements of the related underlying commodities in the remainder of 2019 and future periods. As of March 31, 2019, the aggregate notional values of outstanding foreign exchange and interest rate derivative contracts designated as cash flow hedges were \$625 and \$100, respectively. For the three months ended March 31, 2019 and 2018, no significant gains or losses were reclassified into Interest expense, Cost of products sold or Other (income) and expense, net as a result of the discontinuance of cash flow hedges due to the original forecasted transaction no longer being probable of occurring. At March 31, 2019, amounts to be reclassified from AOCI into Interest expense, Cost of products sold or Other (income) and expense, net during the next twelve months are not expected to be material. The maximum maturity of cash flow hedges in place at March 31, 2019 is March 2021.

No significant amounts were excluded from the assessment of net investment, fair value or cash flow hedge effectiveness as of March 31, 2019.

Gains or losses on undesignated foreign exchange hedging instruments are immediately recognized in Other (income) and expense, net. Losses of \$8 and \$3 were recorded in the three months ended March 31, 2019 and 2018, respectively. The effect on earnings from the use of these non-designated derivatives is substantially neutralized by the transactional gains and losses recorded on the underlying assets and liabilities. At March 31, 2019, the notional value of these undesignated derivative instruments was approximately \$1.7 billion.

Note 9. Business Segment Information

We are organized into operating segments based on product groupings. These operating segments have been aggregated into three reportable global business segments: Personal Care, Consumer Tissue and K-C Professional. The reportable segments were determined in accordance with how our chief operating decision maker and our executive managers develop and execute global strategies to drive growth and profitability. These strategies include global plans for branding and product positioning, technology, research and development programs, cost reductions including supply chain management, and capacity and capital investments for each of these businesses. Segment management is evaluated on several factors, including operating profit. Segment operating profit excludes Other (income) and expense, net and income and expense not associated with ongoing operations of the business segments, including the costs of corporate decisions related to the 2018 Global Restructuring Program described in Note 2.

The principal sources of revenue in each global business segment are described below:

- *Personal Care* brands offer our consumers a trusted partner in caring for themselves and their families by delivering confidence, protection and discretion through a wide variety of innovative solutions and products such as disposable diapers, training and youth pants, swimpants, baby wipes, feminine and incontinence care products, and other related products. Products in this segment are sold under the Huggies, Pull-Ups, Little Swimmers, GoodNites, DryNites, Kotex, U by Kotex, Intimus, Depend, Plenitud, Poise and other brand names.
- *Consumer Tissue* offers a wide variety of innovative solutions and trusted brands that responsibly improve everyday living for families around the world. Products in this segment include facial and bathroom tissue, paper towels, napkins and related products, and are sold under the Kleenex, Scott, Cottonelle, Viva, Andrex, Scottex, Neve and other brand names.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

Introduction

This management's discussion and analysis ("MD&A") of financial condition and results of operations is intended to provide investors with an understanding of our recent performance, financial condition and prospects. The following will be discussed and analyzed:

- Overview of First Quarter 2019 Results
- Results of Operations and Related Information
- Liquidity and Capital Resources
- Business Outlook
- Information Concerning Forward-Looking Statements

We describe our business outside North America in two groups – Developing and Emerging Markets ("D&E") and Developed Markets. D&E markets comprise Eastern Europe, the Middle East and Africa, Latin America and Asia-Pacific, excluding Australia and South Korea. Developed Markets consist of Western and Central Europe, Australia and South Korea.

This section presents a discussion and analysis of our first quarter 2019 net sales, operating profit and other information relevant to an understanding of the results of operations. In addition, we provide commentary regarding organic sales growth, which describes the impact of changes in volume, net selling prices and product mix on net sales. Change in foreign currency exchange rates and exited businesses also impact the year-over-year change in net sales. Our analysis compares the three months ended March 31, 2019 results to the same period in 2018.

Throughout this MD&A, we refer to financial measures that have not been calculated in accordance with accounting principles generally accepted in the U.S., or GAAP, and are therefore referred to as non-GAAP financial measures. These measures include adjusted gross and operating profit, adjusted net income, adjusted earnings per share, adjusted other (income) and expense, net and adjusted effective tax rate. We believe these measures provide our investors with additional information about our underlying results and trends, as well as insight into some of the financial measures used to evaluate management.

Non-GAAP financial measures are not meant to be considered in isolation or as a substitute for the comparable GAAP measures, and they should be read only in conjunction with our unaudited interim consolidated financial statements prepared in accordance with GAAP. There are limitations to these non-GAAP financial measures because they are not prepared in accordance with GAAP and may not be comparable to similarly titled measures of other companies due to potential differences in methods of calculation and items being excluded. We compensate for these limitations by using these non-GAAP financial measures as a supplement to the GAAP measures and by providing reconciliations of the non-GAAP and comparable GAAP financial measures.

The non-GAAP financial measures exclude the following items for the relevant time periods as indicated in the reconciliations included later in this MD&A:

- 2018 Global Restructuring Program - In 2018, we initiated this restructuring program to reduce our structural cost base by streamlining and simplifying our manufacturing supply chain and overhead organization. See Note 2 to the unaudited interim consolidated financial statements for details.
- U.S. Tax Reform Related Matters - In 2018, we recognized net charges associated with U.S. tax reform related matters. See Note 3 to the unaudited interim consolidated financial statements for details.

Overview of First Quarter 2019 Results

- Net sales of \$4.6 billion decreased 2 percent compared to the year-ago period. Changes in foreign currency exchange rates reduced sales by 5 percent, while organic sales increased 3 percent including higher net selling prices of 4 percent.
- Operating profit was \$655 in 2019 and \$247 in 2018. Net Income Attributable to Kimberly-Clark Corporation was \$454 in 2019 compared to \$93 in 2018, and diluted earnings per share were \$1.31 in 2019 compared to \$0.26 in 2018. Results in 2019 and 2018 include charges related to the 2018 Global Restructuring Program. Results in 2018 also include a net charge associated with U.S. tax reform related matters.

(d) Includes impact of changes in product mix, marketing, research and general expenses, foreign currency transaction effects and other manufacturing costs.

Net sales of \$4.6 billion in the first quarter of 2019 decreased 2 percent compared to the year-ago period. Changes in foreign currency exchange rates reduced sales by 5 percent. Organic sales increased 3 percent. Changes in net selling prices increased sales by approximately 4 percent and changes in product mix increased sales by 1 percent, while sales volumes fell about 2 percent. In North America, organic sales increased 1 percent in both consumer products and K-C Professional. Outside North America, organic sales rose 7 percent in D&E markets and 1 percent in developed markets.

Operating profit in the first quarter was \$655 in 2019 and \$247 in 2018. Results in both periods include charges related to the 2018 Global Restructuring Program. First quarter adjusted operating profit was \$807 in 2019 and \$824 in 2018. Results were impacted by \$135 of higher input costs, driven by \$60 in pulp and \$45 in other raw materials. In addition, foreign currency translation effects reduced operating profit by \$25 and transaction effects also negatively impacted the comparison. Advertising spending also increased year-on-year. Results benefited from higher net selling prices, \$60 of cost savings from the 2018 Global Restructuring Program and \$55 of cost savings from our FORCE program.

The first quarter effective tax rate was 24.6 percent in 2019 and 59.8 percent in 2018, which included an \$82 net charge associated with U.S. tax reform related matters. The first quarter adjusted effective tax rate was 23.7 percent in 2019 and 22.0 percent in 2018. The rate in 2018 benefited from the resolution of certain tax matters.

Our share of net income of equity companies in the first quarter was \$27, even with the year-ago period. Results were impacted by higher input costs, but benefited from organic sales growth and cost savings.

Diluted net income per share for the first quarter of 2019 was \$1.31. First quarter adjusted earnings per share were \$1.66 in 2019, a decrease of 3 percent compared to adjusted earnings per share of \$1.71 in 2018.

Changes in net selling prices increased sales approximately 2 percent, sales volumes rose 1 percent and changes in product mix improved sales by 1 percent. First quarter operating profit of \$484 increased 3 percent. The comparison benefited from organic sales growth and cost savings, while results were impacted by unfavorable foreign currency effects, input cost inflation and increased advertising spending.

Net sales in North America increased 3 percent driven by higher sales volumes. Volumes were up high-single digits in adult care, including benefits from category growth, innovations and increased marketing support. Volumes increased low-single digits in baby and child care.

Net sales in D&E markets decreased 5 percent. Changes in foreign currency exchange rates decreased sales by 13 percent, including significant declines in Latin America. Changes in net selling prices and product mix increased sales by 8 percent and 2 percent, respectively, while sales volumes fell 2 percent. The higher net selling prices were primarily in Latin America and secondarily in the Middle East/Eastern Europe/Africa, partially offset by decreases in China. The lower volumes included declines in China and Argentina, and increases in Eastern Europe and ASEAN.

Net sales in developed markets outside North America decreased 6 percent, including a 6 percent decrease due to unfavorable changes in foreign currency exchange rates. Changes in net selling prices decreased sales by 3 percent, while sales volumes increased 2 percent.

First quarter net sales of \$1.5 billion decreased 3 percent. Changes in foreign currency exchange rates reduced sales 3 percent. Changes in net selling prices increased sales by 6 percent, while sales volumes decreased 6 percent compared to a 7 percent increase in the base period. First quarter operating profit of \$241 decreased 3 percent. The comparison was impacted by lower volumes, input cost inflation, other manufacturing cost increases and unfavorable foreign currencies, while results benefited from increased net selling prices and cost savings.

Net sales in North America decreased 3 percent. Changes in net selling prices increased sales by 7 percent, while sales volumes fell 10 percent compared to a 9 percent increase in the prior year. The volume decline reflects lower promotion activity, the impact of price increases and a severe cold and flu season in the year-ago period that benefited facial tissue sales.

Net sales in D&E markets decreased 4 percent. Changes in foreign currency exchange rates decreased sales by 8 percent, primarily in Latin America. Changes in net selling prices and product mix increased sales by 5 percent and 1 percent, respectively, while sales volumes fell 2 percent.

Net sales in developed markets outside North America decreased 5 percent. Changes in foreign currency exchange rates reduced sales by 6 percent. Changes in net selling prices increased sales by 4 percent and sales volumes fell 3 percent, with the changes mostly in Western/Central Europe.

2018 Global Restructuring Program

Annual pre-tax savings from the 2018 Global Restructuring Program are expected to be \$500 to \$550 by 2021. In addition, to implement this program, we expect to incur incremental capital spending of approximately \$600 to \$700 by the end of 2020. See Item 1, Note 2 to the unaudited interim consolidated financial statements for additional information.

We generated savings of \$60 in the three months ended March 31, 2019 and expect to generate savings of \$100 to \$125 in 2019. Savings in the three months ended March 31, 2018 were insignificant. We have generated cumulative savings of \$195 through March 31, 2019.

Liquidity and Capital Resources

Cash Provided by Operations

Cash provided by operations was \$317 for the first three months of 2019 compared to \$542 in the prior year. The decrease was primarily driven by increased working capital and payments related to the 2018 Global Restructuring Program.

Investing

During the first three months of 2019, our capital spending was \$316 compared to \$189 in the prior year. We anticipate that full year capital spending will be \$1.1 billion to \$1.3 billion, including incremental spending associated with the 2018 Global Restructuring Program.

Financing

Our short-term debt, which consists of U.S. commercial paper with original maturities up to 90 days and/or other similar short-term debt issued by non-U.S. subsidiaries, was \$1.3 billion as of March 31, 2019 (included in Debt payable within one year on the consolidated balance sheet). The average month-end balance of short-term debt for the first quarter of 2019 was \$1.2 billion. These short-term borrowings provide supplemental funding for supporting our operations. The level of short-term debt generally fluctuates depending upon the amount of operating cash flows and the timing of customer receipts and payments for items such as dividends and income taxes.

At March 31, 2019 and December 31, 2018, total debt was \$7.9 billion and \$7.5 billion, respectively.

We maintain a \$2.0 billion revolving credit facility which expires in June 2023 and a \$500 revolving credit facility which expires in June 2019. These facilities, currently unused, support our commercial paper program, and would provide liquidity in the event our access to the commercial paper markets is unavailable for any reason.

In April 2019, we entered into an additional \$300 revolving credit facility, of which \$100 remains unused, which expires in October 2019. This facility is for general corporate purposes.

We repurchase shares of Kimberly-Clark common stock from time to time pursuant to publicly announced share repurchase programs. During the first three months of 2019, we repurchased 1.4 million shares of our common stock at a cost of \$167 through a broker in the open market. We are targeting full-year 2019 share repurchases between \$600 and \$900, subject to market conditions.

Our subsidiaries in Argentina (“K-C Argentina”) began accounting for their operations as highly inflationary effective July 1, 2018, as required by GAAP. Under highly inflationary accounting, K-C Argentina’s functional currency became the U.S. dollar, and its income statement and balance sheet have been measured in U.S. dollars using both current and historical rates of exchange. The effect of changes in exchange rates on peso-denominated monetary assets and liabilities has been reflected in earnings in Other (income) and expense, net and was not material. As of March 31, 2019, K-C Argentina had a small net peso monetary position. Net sales of K-C Argentina were less than 2 percent of our consolidated net sales for the three months ended March 31, 2019 and 2018.

We believe that our ability to generate cash from operations and our capacity to issue short-term and long-term debt are adequate to fund working capital, payments for our 2018 Global Restructuring Program, capital spending, pension contributions, dividends and other needs for the foreseeable future. Further, we do not expect restrictions or taxes on repatriation of cash held outside of the U.S. to have a material effect on our overall business, liquidity, financial condition or results of operations for the foreseeable future.

Business Outlook

In 2019, we plan to focus on our strategies for long-term success, including growing our brands, leveraging our financial discipline and allocating capital in value-creating ways. In 2019, we expect earnings per share to be \$4.85 to \$5.35. Adjusted earnings per share are expected to be \$6.50 to \$6.70, which excludes 2018 Global Restructuring Program charges equivalent to \$1.35 to \$1.65. Our adjusted earnings per share guidance is based on the assumptions described below:

- We expect net sales to decrease 1 to 2 percent. We anticipate changes in foreign currency exchange rates to have an unfavorable impact of 3 to 4 percent. Exited businesses in conjunction with the 2018 Global Restructuring Program are expected to reduce sales slightly, mostly in K-C Professional.
- We expect organic sales to increase approximately 2 percent, driven by higher net selling prices of at least 3 percent.
- We expect adjusted operating profit growth of 1 to 4 percent.
- We plan to achieve cost savings of \$400 to \$450, including \$300 to \$325 from our FORCE program and \$100 to \$125 from the 2018 Global Restructuring Program.
- We expect inflation in key cost inputs of \$300 to \$400. We anticipate the majority of the inflation to occur in international markets.
- We expect foreign currency translation effects to reduce operating profit by 2 to 3 percent and transaction effects to also negatively impact the comparison.
- We expect interest expense to increase somewhat year-on-year.
- We expect an adjusted effective tax rate of 23 to 25 percent compared to 21 percent in 2018. At the mid-point, the higher rate is equivalent to an approximate 3 ½ percent reduction in adjusted earnings per share.
- We expect net income from equity companies to be similar year-on-year.

Information Concerning Forward-Looking Statements

Certain matters contained in this report concerning the business outlook, including the anticipated cost savings from our FORCE program, charges and savings from the 2018 Global Restructuring Program, cash flow and uses of cash, growth initiatives, innovations, marketing and other spending, net sales, anticipated currency rates and exchange risks, including the impact in Argentina, raw material, energy and other input costs, effective tax rate, contingencies and anticipated transactions of Kimberly-Clark, including dividends and share repurchases, constitute "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995 and are based upon management's expectations and beliefs concerning future events impacting Kimberly-Clark. There can be no assurance that these future events will occur as anticipated or that our results will be as estimated. Forward-looking statements speak only as of the date they were made, and we undertake no obligation to publicly update them.

The assumptions used as a basis for the forward-looking statements include many estimates that, among other things, depend on the achievement of future cost savings and projected volume increases. In addition, many factors outside our control, including fluctuations in foreign currency exchange rates, the prices and availability of our raw materials, potential competitive pressures on selling prices for our products, energy costs, our ability to maintain key customer relationships and retail trade customer actions, as well as general economic and political conditions globally and in the markets in which we do business, could affect the realization of these estimates.

For a description of certain factors that could cause our future results to differ from those expressed in these forward-looking statements, see Item 1A of our Annual Report on Form 10-K for the year ended December 31, 2018 entitled "Risk Factors." Other factors not presently known to us or that we presently consider immaterial could also affect our business operations and financial results.

Item 4. Controls and Procedures

As of March 31, 2019, an evaluation was performed under the supervision and with the participation of management, including the Chief Executive Officer and Chief Financial Officer, of the effectiveness of the design and operation of our disclosure controls and procedures. Based on that evaluation, management, including the Chief Executive Officer and Chief Financial Officer, concluded that our disclosure controls and procedures were effective as of March 31, 2019. There were no changes in our internal control over financial reporting during the quarter covered by this report that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

**KIMBERLY-CLARK CORPORATION
PERFORMANCE RESTRICTED STOCK UNIT
AWARD AGREEMENT**

This Award, granted effective on [REDACTED] (the "Grant Date"), by Kimberly-Clark Corporation, a Delaware corporation (hereinafter called the "Corporation"), to [REDACTED] (the "Participant") is subject to the terms and conditions of the 2011 Equity Participation Plan (the "Plan") and the Award Agreement, including any country-specific terms and conditions contained in Appendix A to the Award Agreement.

W I T N E S S E T H:

WHEREAS, the Corporation has adopted the Plan to encourage those employees who materially contribute, by managerial, scientific or other innovative means, to the success of the Corporation or of an Affiliate, to acquire an ownership interest in the Corporation, thereby increasing their motivation for and interest in the Corporation's and its Affiliates' long-term success;

NOW, THEREFORE, it is agreed as follows:

1. Number of Share Units Granted. The Corporation hereby grants to the Participant Performance Restricted Stock Units ("PRSUs") at the target level of [REDACTED] (the "Target Level"), subject to the terms, conditions and restrictions set forth herein and in the Plan, and the Corporation's attainment of the Performance Goals established by the Committee as set forth on Appendix A-1. The actual number of PRSUs earned by the Participant at the end of the Restricted Period may range from 0 to 200% of the Target Level.

2. Transferability Restrictions.

(a) Restricted Period. During the Restricted Period, the Participant may not sell, assign, transfer, or otherwise dispose of, or mortgage, pledge or otherwise encumber the Award, and any such attempted sale, assignment, transfer, pledge or disposal shall be void. Except as provided under paragraph 2, the Award, including any accrued dividend equivalents, shall be subject to forfeiture until the end of the Restricted Period. The Participant becomes 100% vested in the number of PRSUs earned based on attainment of the Performance Goal at the end of the Restricted Period as approved and authorized by the Committee.

The Restricted Period shall begin on the date of the granting of this Award, and shall end on February 28, 2022. Holders of Awards shall have none of the rights of a shareholder with respect to such shares including, but not limited to, any right to receive dividends in cash or other property or other distribution or rights in respect of such shares except as otherwise provided in this Award Agreement, nor to vote such shares as the record owner thereof.

During each year in the Restricted Period, the Participant will not be paid dividend equivalents on the unvested PRSUs but the Participant will receive a credit equal to dividends declared on the Corporation's Common Stock which will be reinvested in additional PRSUs at the then fair market value of the Corporation's Common Stock on the date dividends are paid, and the additional PRSUs will be accumulated and paid if and when the PRSUs vest, based on the actual number of PRSUs that vest. In the case of dividends paid in property other than cash, the amount of the dividend shall be deemed to be the fair market value of the property at the time of the payment of the dividend, as determined in good faith by the Corporation. The Corporation shall not be required to segregate any cash or other property of the Corporation.

(b) Termination of Employment. Participant shall forfeit any unvested Award, including any accrued dividend equivalents, upon termination of employment unless such termination (i) is due to a Qualified Termination of Employment, or (ii) if more than six months after the Grant Date, due to death, Retirement, Total and Permanent Disability, or the shutdown or divestiture of a business unit. A termination of employment shall not be deemed to have occurred while a Participant is on military leave or other bona fide leave of absence if the period of such leave does not exceed six months, or if longer, so long as the Participant retains a right to reemployment with the Corporation or an Affiliate under an applicable statute or by contract. For purposes of this subparagraph, a leave of absence, including any garden leave or similar leave, constitutes a bona fide leave of absence only if there is a reasonable expectation that the Participant will return to perform services for the Corporation or an Affiliate. If the period of leave exceeds six months and the Participant does not retain a right to reemployment under an applicable statute or by contract, the employment relationship is deemed to terminate on the first date immediately following such six-month period. Notwithstanding the foregoing sentence, where a leave of absence is due to any medically determinable physical or mental impairment that can be expected to result in death or can be expected to last for a continuous period of not less than six months, where such impairment causes the Participant to be unable to perform the duties of his or her position of employment or any substantially similar position of employment, a 29-month period of absence is substituted for such six-month period in determining whether a termination of employment shall be deemed to have occurred. A termination of employment with the Corporation or an Affiliate to accept immediate reemployment with the Corporation or an Affiliate likewise shall not be deemed to be a termination of employment for purposes of the Plan. A Participant who is classified as an intermittent employee shall be deemed to have a termination of employment for purposes of the Plan.

For purposes of this Award, a termination of employment includes a termination that is deemed an “unfair dismissal” or a “constructive dismissal.” Further, the Participant understands that the Award is a conditional right. Participant shall forfeit any unvested Award upon termination of employment except as provided above, for example, regardless of whether (1) the Participant is considered to be unfairly dismissed without good cause; (2) the Participant is dismissed for disciplinary or objective reasons or due to a collective dismissal; (3) the Participant terminates his or her employment or service relationship due to a change of work location, duties or any other employment or contractual condition; or (4) the Participant terminates his or her employment or service relationship due to a unilateral breach of contract by the Corporation or an Affiliate. Consequently, upon termination of the Participant’s employment or service relationship for any of the above reasons, the Participant may automatically lose any rights to the Awards that were not vested on the date of termination of the Participant’s employment or service relationship, as described in the Plan and the Award Agreement.

(c) Death, Retirement, or Total and Permanent Disability. In the event that more than six months after the Grant Date the Participant’s termination of employment is due to death or Total and Permanent Disability, it shall result in pro rata vesting in the number of PRSUs earned. This pro rata vesting shall be determined based on the Target Level of PRSUs (including any accrued dividend equivalents accumulated pursuant to Section 2(a)) (1) prorated for the number of full months of employment during the Restricted Period prior to the Participant’s termination of employment, multiplied by (2) the Performance Goal percentage as approved and authorized by the Committee at the end of the Restricted Period. Any fractional share of the Corporation resulting from such a prorated award shall be rounded to the nearest whole share and shall be paid within 70 days following the end of the Restricted Period. In the event that more than six months after the Grant Date the Participant’s termination of employment is due to Retirement it shall result in 100% vesting in the number of PRSUs earned based on attainment of the Performance Goal at the end of the Restricted Period as approved and authorized by the Committee, and such Award shall be paid within 70 days following the end of the Restricted Period.

Notwithstanding this Section 2(c), if the Corporation receives an opinion of counsel that there has been a legal judgment and/or legal development in the Participant’s jurisdiction that would likely result in the favorable Retirement treatment that applies to the PRSUs under this Section 2(c) being deemed unlawful and/or discriminatory, then the Corporation will not apply the favorable Retirement treatment and PRSUs

will be treated as they would under the rules that apply if the Participant's employment with the Corporation or an Affiliate ends for any other reason, as applicable.

(d) Shutdown or Divestiture. In the event that more than six months after the Grant Date the Participant's termination of employment is due to the shutdown or divestiture of the Corporation's or its Affiliate's business it shall result in pro rata vesting in the number of PRSUs earned. This pro rata vesting shall be determined based on the Target Level of PRSUs (including any accrued dividend equivalents accumulated pursuant to Section 2(a)) (1) prorated for the number of full years of employment during the Restricted Period prior to the Participant's termination of employment, multiplied by (2) the Performance Goal percentage as approved and authorized by the Committee at the end of the Restricted Period. Any fractional share of the Corporation resulting from such a prorated award shall be rounded to the nearest whole share and shall be paid within 70 days following the end of the Restricted Period.

(e) Qualified Termination of Employment. In the event of a Qualified Termination of Employment the Award which would have otherwise been forfeited will be handled consistent with subsection 14(b) of the Plan and shall be paid within 10 days following the last day of employment of the Participant with the Corporation or an Affiliate. Notwithstanding anything in this Agreement to the contrary, the payment of an Award to a Key Employee who has separated from service due to a Qualified Termination of Employment shall be made at the earlier of the first day of the seventh month following the date of separation from service or the end of the Restricted Period. A Key Employee is any Participant who meets the definition of a specified employee as defined in Section 409A(a)(2)(B)(i) of the Code and the regulations promulgated thereunder.

(f) Payment of Awards. The payment of the Award, including any accrued dividend equivalents accumulated pursuant to Section 2(a), shall be made in shares of Common Stock. Except as may otherwise be provided in subparagraph 2(e), the payment of an Award shall be made within 70 days following the end of the Restricted Period.

(g) Payment of Tax-Related Items. No shares of Common Stock, nor any cash payment, may be delivered under this Award, unless prior to or simultaneously with such issuance, the Participant or, in the event of his death, the person succeeding to his rights hereunder, shall pay to the Corporation or an Affiliate, as applicable, such amount as the Corporation advises is required under applicable federal, state or local laws to withhold and pay over to governmental taxing authorities in relation to this Award. The Corporation may, in its discretion, withhold payment of required Tax-Related items (as defined in the Acknowledgment of Conditions section) with cash or shares of Common Stock which otherwise would be delivered following the date of vesting of the Award under this Section 2.

3. Nontransferability. Neither the Award nor the Participant's right to receive payment for vested Awards may be assigned or transferred except upon the death of the Participant (i) by will, or (ii) by the laws of descent and distribution.

4. Compliance with Law. No payment may be made under this Award, unless prior to the issuance thereof, the Corporation shall have received an opinion of counsel to the effect that this Award by the Corporation to the Participant will not constitute a violation of the U.S. Securities Act of 1933, as amended. As a condition of this Award, the Participant shall, if requested by the Corporation, submit a written statement in form satisfactory to counsel for the Corporation, to the effect that any shares received under this Award shall be for investment and not with a view to the distribution thereof within the meaning of the U.S. Securities Act of 1933, as amended, and the Corporation shall have the right, in its discretion, to cause the certificates representing shares hereunder to be appropriately legended to refer to such undertaking or to any legal restrictions imposed upon the transferability thereof by reason of such undertaking.

The Award granted hereby is subject to the condition that if the listing, registration or qualification of the shares subject hereto on any securities exchange or under any state or federal law, or if the consent or

approval of any regulatory body shall be necessary as a condition of, or in connection with, the granting of the Award or the delivery of shares thereunder, such shares may not be delivered unless and until such listing, registration, qualification, consent or approval shall have been effected or obtained. The Corporation agrees to use its best efforts to obtain any such requisite listing, registration, qualification, consent or approval.

The Participant is solely responsible for obtaining/providing whatever exchange control approvals, permits, licenses, or notices, which may be necessary for the Participant to hold the Award, or to receive any payment of cash or shares or to hold or sell the shares subject to the Award, if any. Neither the Corporation nor its Affiliates will be responsible for obtaining any such approvals, licenses or permits, or for making any such notices, nor will the Corporation or its Affiliates be liable for any fines or penalties the Participant may incur for failure to obtain any required approvals, permits or licenses or to make any required notices.

5. No Right of Continued Employment. The granting of this Award does not confer upon the Participant any legal right to be continued in the employ of the Corporation or its Affiliates, and the Corporation and its Affiliates reserve the right to discharge the Participant whenever the interest of the Corporation or its Affiliates may so require without liability to the Corporation or its Affiliates, the Board of Directors of the Corporation or its Affiliates, or the Committee, except as to any rights which may be expressly conferred on the Participant under this Award.

6. Discretion of the Corporation, Board of Directors and the Committee. Any decision made or action taken by the Corporation or by the Board of Directors of the Corporation or by the Committee arising out of or in connection with the construction, administration, interpretation and effect of this Award shall be within the absolute discretion of the Corporation, the Board of Directors of the Corporation or the Committee, as the case may be, and shall be conclusive and binding upon all persons.

7. Inalienability of Benefits and Interest. This Award and the rights and privileges conferred hereby shall not be subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance or charge, and any such attempted action shall be void and no such benefit or interest shall be in any manner liable for or subject to debts, contracts, liabilities, engagements, or torts of the Participant.

8. Delaware Law to Govern. The Plan is governed by and subject to the laws of the United States of America. All questions pertaining to the construction, interpretation, regulation, validity and effect of the provisions of this Award and any rights under the Plan shall be determined in accordance with the laws of the State of Delaware and federal courts located in the District of Delaware shall be the exclusive forum for any dispute arising out of or related to the Award or the Award Agreement and the Participant consents to and waives any objection to the exercise of personal jurisdiction and venue by such courts.

9. Purchase of Common Stock. The Corporation and its Affiliates may, but shall not be required to, purchase shares of Common Stock of the Corporation for purposes of satisfying the requirements of this Award. The Corporation and its Affiliates shall have no obligation to retain and shall have the unlimited right to sell or otherwise deal with for their own account, any shares of Common Stock of the Corporation purchased for satisfying the requirements of this Award.

10. Notices. Any notice to be given to the Corporation under this Award, except as required under Section 19 below, shall be addressed to the Corporation in care of its Director of Compensation located at the World Headquarters, and any notice to be given to the Participant under the terms of this Award may be addressed to him or her at the address as it appears on the Corporation's records, or at such other address as either party may hereafter designate in writing to the other. Any such notice shall be deemed to have been duly given if and when enclosed in a properly sealed envelope or wrapper addressed as aforesaid, registered and deposited, postage and registry fee prepaid, in a post office or

branch post office regularly maintained by the United States Government or any equivalent non-U.S. postal service.

11. Changes in Capitalization. In the event there are any changes in the Common Stock or the capitalization of the Corporation through a corporate transaction, such as any merger, any acquisition through the issuance of capital stock of the Corporation, any consolidation, any separation of the Corporation (including a spin-off or other distribution of stock of the Corporation), any reorganization of the Corporation (whether or not such reorganization comes within the definition of such term in Section 368 of the Code), or any partial or complete liquidation by the Corporation, recapitalization, stock dividend, stock split or other change in the corporate structure, appropriate adjustments and changes shall be made by the Committee in (a) the number of shares subject to this Award, and (b) such other provisions of this Award as may be necessary and equitable to carry out the foregoing purposes.

12. Effect on Other Plans. All benefits under this Award shall constitute special incentives and shall not affect the level of benefits provided to or received by the Participant (or the Participant's estate or beneficiaries) as part of any employee benefit plan of the Corporation or an Affiliate. This Award shall not be construed to affect in any way the Participant's rights and obligations under any other plan maintained by the Corporation or an Affiliate on behalf of employees.

13. Discretionary Nature of Award. The grant of an Award is a one-time benefit and does not create any contractual or other right to receive a grant of Awards or benefits in lieu of Awards in the future. Future grants, if any, will be at the sole discretion of the Corporation, including, but not limited to, the timing of any grant, the number of PRSUs and vesting provisions. The value of the Award is an extraordinary item outside the scope of the Participant's employment contract, if any. As such, the Award is not part of normal or expected compensation for purposes of calculating any severance, resignation, termination, redundancy, dismissal, end of service payments, bonuses, long-service awards, leave-related payments, holiday pay, pension, retirement or welfare benefits or similar payments.

14. Data Privacy. The Participant hereby authorizes their actual employer (the "Employer") to furnish the Corporation (and any agent of the Corporation administering the Plan or providing Plan recordkeeping services) with such information and data as it shall request in order to facilitate the grant of Awards and administration of the Plan and the Participant waives any data privacy rights such Participant might otherwise have with respect to such information. The Controller of personal data processing is Kimberly-Clark Corporation with registered offices at 351 Phelps Drive, Irving, Texas 75038, United States of America.

15. Conflict with Plan. This Award is awarded pursuant to and subject to the Plan. This Agreement is intended to supplement and carry out the terms of the Plan. It is subject to all terms and provisions of the Plan and, in the event of a conflict, the Plan shall prevail.

16. Successors. This Award Agreement, including but not limited to the non-competition obligations described in Section 19 below, shall be binding upon and inure to the benefit of any successor or successors of the Corporation.

17. Amendments. The Committee may at any time alter or amend this Award to the extent (1) permitted by law, (2) permitted by the rules of any stock exchange on which the Common Stock or any other security of the Corporation is listed, and (3) permitted under applicable provisions of the U.S. Securities Act of 1933, as amended, the U.S. Securities Exchange Act of 1934, as amended (including rule 16b-3 thereof).

18. Defined Terms. Terms which are capitalized are defined herein or in the Plan and have the same meaning set forth in the Plan, unless the context indicates otherwise.

19. Non-Competition Provisions For U.S. Participants Only.

(a) As the Award is intended to encourage the Participant to continue employment with the Corporation or an Affiliate, during which time the Participant will have access to the Corporation's or Affiliate's confidential information and trade secrets, during the term of the Participant's employment and for a period of two (2) years following the termination of employment, regardless of the reason for or the manner of termination, the Participant shall not, without the written consent of General Counsel of the Corporation or his/her designee, either in the United States of America or in any country or countries for which Participant had development, marketing, innovation/technology (R&D), distribution, sales, administrative, operational/supply chain or manufacturing oversight responsibilities during the last twelve (12) months of Participant's employment, either directly or indirectly, perform duties or undertake responsibilities for a Competitor that are the same or substantially similar to those duties or responsibilities that the Participant performed or undertook for the Corporation or an Affiliate during the two (2) year period prior to the end of the Participant's employment with the Corporation or an Affiliate. As used herein, "Competitor" means a person or entity who engages in a business that is the same or substantially the same as any aspect of the Business of the Corporation. As used herein, "Business of the Corporation" is the development, production, sales and/or marketing of (i) health and hygiene products; (ii) washroom and workplace protective and safety products; and (iii) the materials, packaging and other components/subcomponents of such products. Notwithstanding the foregoing, if the Participant's residence or principal place of employment on the Grant Date is in California or any other jurisdiction where any provision of this Section 19(a) prohibiting post-employment non-compete covenants is restricted by applicable law, then the provisions of this Section 19(a) will not apply to the extent any such provision is prohibited by applicable law.

(b) During the period of two (2) years following termination of the Participant's employment with the Corporation or an Affiliate, the Participant agrees to notify the Corporation in writing prior to accepting new employment, or engaging in any other activity which may violate this Agreement, and the Participant agrees to provide in such notice information concerning the anticipated new employment or activity, including, but not limited to: name of employer; address of employer; name of new team leader; job title; and scope and responsibilities of the new position. The Participant recognizes that such duty of notification is not affected by the Participant's belief that such employment may perhaps not violate this Agreement or otherwise be unfairly competitive with the Corporation or an Affiliate. The Participant's written notice should be addressed to General Counsel, Attention: Non-Competition Agreement, Kimberly-Clark Corporation, 351 Phelps Drive, Irving, TX 75038. Provided, however, the foregoing notice requirement shall not apply if the Participant resides and/or primarily works in the State of California.

(c) During the period of two (2) years following termination of the Participant's employment with the Corporation or an Affiliate, the Participant shall provide a copy of Section 19 of this Award Agreement to each new employer before starting in any new employment. The Participant agrees that the Corporation may notify any third party about the Participant's obligations under Section 19 of this Award Agreement until such obligations are fulfilled.

(d) If any provision of this Section 19 is held to be invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, such provision shall be deemed to be severed from the Award Agreement and such invalidity, illegality or unenforceability will not affect any other provision of the Award Agreement, all of which shall remain valid and enforceable. Notwithstanding the foregoing, if a court of competent jurisdiction determines that the covenants contained in this Section 19 are unenforceable because they are overbroad in some respect, to the full extent permitted by applicable law, the court should revise or reform any aspect of this Section 19 so as to make the scope of such Section 19 as broad as can be enforced under applicable law.

(e) In the event of an anticipated or actual breach by the Participant of this provision, the Participant acknowledges and agrees that damages would not be an adequate remedy to compensate the Corporation for the harm to the business of the Corporation and, in such event, agrees that the Corporation shall be entitled to a temporary restraining order and to temporary injunctive relief to prevent

or terminate such anticipated or actual breach, provided, however, that nothing in this Agreement shall be construed to limit any permanent relief to which the Corporation may be entitled or the damages otherwise recoverable by the Corporation in any such event.

(f) If the Participant violates any aspect of this provision, or any duty of loyalty or confidentiality imposed by law, in addition to any damages that the Participant may be required to pay, the Participant understands and agrees that the Participant shall be required to reimburse the Corporation for all its costs incurred to enforce this Agreement, including but not limited to, all attorneys' fees.

(g) Notwithstanding the foregoing, no section of this Section 19 is intended to or shall limit, prevent, impede or interfere with the Participant's non-waivable right, without prior notice to the Corporation, to provide information to the government, participate in investigations, testify in proceedings regarding the Corporation, Employer or any Affiliate's past or future conduct, engage in any activities protected under whistleblower statutes, or to receive and fully retain a monetary award from a government-administered whistleblower award program for providing information directly to a government agency. The Participant does not need prior authorization from the Corporation to make any such reports or disclosures and is not required to notify the Corporation that the Participant has made such reports or disclosures.

20. Acceptance of Award Terms and Conditions. A Participant has until the end of the one hundred twenty (120) day period beginning from the Grant Date of this Award to accept this Award Agreement. If the Participant does not accept this Award Agreement on or before the end of such one hundred twenty (120) day period then the grant of the Award, as set forth in Section 1, shall not be binding on and shall be voidable by the Corporation, in which case it shall have no further force or effect.

Acknowledgment of Conditions

The Participant understands, acknowledges and agrees to the following conditions with respect to the Award granted under the Plan:

The Plan is established voluntarily by the Corporation, is discretionary in nature and may be modified, amended, suspended, cancelled or terminated at any time, to the extent permitted by the Plan. The grant of an Award is an exceptional, voluntary and occasional benefit and does not create any contractual or other right to receive an Award or benefits in lieu of an Award in the future, even if Awards have been granted in the past. Future grants, if any, will be at the sole discretion of the Corporation, including, but not limited to, the timing of any grant, the number of Awards and vesting provisions.

Participation in the Plan is voluntary and does not create a right to employment with the Participant's Employer, shall not be interpreted as forming an employment or service contract with the Corporation, and shall not interfere with the ability of the Employer to terminate the Participant's employment relationship at any time. The Participant understands that the Corporation has unilaterally, gratuitously and discretionally decided to grant Awards under the Plan to individuals who are employees of the Corporation or its Affiliates throughout the world. The decision is a limited decision that is entered into upon the express assumption and condition that any grant will not economically or otherwise bind the Corporation or any of its Affiliates on an ongoing basis. Consequently, the Participant understands that any grant is given on the assumption and condition that it shall not become a part of any employment contract (either with the Corporation or any of its Affiliates) and shall not be considered a mandatory benefit, salary for any purposes (including severance compensation) or any other right whatsoever. Further, the Participant understands and freely accepts that there is no guarantee that any benefit whatsoever shall arise from any gratuitous and discretionary grant since the future value of the Award and the underlying shares is unknown and unpredictable. In addition, the Participant understands that this grant would not be made but for the assumptions and conditions referred to above; thus, the Participant understands, acknowledges and freely accepts that should any or all of the assumptions be mistaken or should any of the conditions not be met for any reason, then the Award shall be null and void.

The Award and the shares of Common Stock subject to the Award, and the income from and value of same, are extraordinary items that do not constitute compensation of any kind for services of any kind rendered to the Corporation or, if different, the Employer, and which are outside the scope of the Participant's employment contract, if any, and are not intended to replace any pension rights or compensation. As such, the Award, and the income from and value of same, are not part of normal or expected compensation for purposes of calculating any severance, resignation, termination, redundancy, dismissal, end of service payments, bonuses, long-service awards, leave-related payments, holiday pay, pension, retirement or welfare benefits or similar payments and in no event shall be considered as compensation for, or relating in any way to, past services for the Corporation, the Employer or any other Affiliate.

Unless otherwise agreed with the Corporation, the Award and shares of Common Stock subject to the Award, and the income from and value of same, are not granted as consideration for, or in connection with, any service the Participant may provide as a director of any Affiliate.

The future value of the underlying shares of Common Stock is unknown, indeterminable, and cannot be predicted with certainty.

The Award will be subject to any policy adopted by the Corporation relating to the recovery of such Award to the extent it is determined that the Performance Goals were not actually achieved.

No claim or entitlement to compensation or damages shall arise from forfeiture of the Award resulting from termination of the Participant's employment by the Corporation or the Employer (regardless of the reason for such termination and whether or not the termination is later found to be invalid or in breach of employment laws).

In the event of termination of the Participant's employment (whether or not in breach of local labor laws and except as otherwise explicitly provided in the Award Agreement or the Plan), the Participant's right to receive PRSUs and vest in the Award under the Plan, if any, will terminate effective as of the date that the Participant is no longer actively employed and will not be extended by any notice period mandated under local law (e.g., active employment would not include a period of "garden leave" or similar period pursuant to local law); the Committee shall have the exclusive discretion to determine when the Participant is no longer actively employed for purposes of the Award (including whether the Participant may still be considered employed while on a leave of absence).

The Corporation is not providing any tax, legal or financial advice, nor is the Corporation making any recommendations regarding participation in the Plan, or the acquisition or sale of the underlying shares of Common Stock. Further, the Participant understands that he or she should consult with his or her own advisors regarding participation in the Plan before taking any action related to the Plan.

Neither the Corporation, the Employer nor any other Affiliate shall be liable for any foreign exchange rate fluctuation between the Participant's local currency and the United States Dollar that may affect the value of the PRSUs or of any amounts due to the Participant pursuant to the settlement of the PRSUs or the subsequent sale of any shares of Common Stock acquired upon settlement.

Regardless of any action the Corporation or the Employer takes with respect to any or all income tax (including federal, state and local taxes), social insurance, fringe benefit tax, payroll tax, payment on account or other tax-related items related to the Participant's participation in the Plan and legally applicable to the Participant ("Tax-Related Items"), the Participant acknowledges that the ultimate liability for all Tax-Related Items is and remains the Participant's responsibility and may exceed the amount, if any, actually withheld by the Corporation or the Employer. The Participant further acknowledges that the Corporation and/or the Employer (i) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the Award, including the grant of the PRSUs, the

vesting of PRSUs, the conversion of the PRSUs into shares or the receipt of an equivalent cash payment, the subsequent sale of any shares acquired at vesting and the receipt of any dividends or dividend equivalents; and (ii) do not commit to and are under no obligation to structure the terms of the grant or any aspect of the Award to reduce or eliminate the Participant's liability for Tax-Related Items or achieve any particular tax result. Further, if the Participant is subject to Tax-Related Items in more than one jurisdiction, the Participant acknowledges that the Corporation and/or the Employer (or former employer, as applicable) may be required to withhold or account for Tax-Related Items in more than one jurisdiction.

Prior to the relevant taxable or tax withholding event, as applicable, the Participant shall pay or make adequate arrangements satisfactory to the Corporation and/or the Employer to satisfy or account for all applicable withholding obligations for Tax-Related Items. In this regard, the Participant authorizes the Corporation or the Employer, or their respective agents, at their discretion, to satisfy their withholding obligations, if any, with regard to all Tax-Related Items by one or a combination of the following:

- (1) withholding from the Participant's wages or other cash compensation paid to the Participant by the Corporation and/or the Employer; or
- (2) withholding from the proceeds of the sale of shares acquired upon vesting of the Award either through a voluntary sale or through a mandatory sale arranged by the Corporation (on the Participant's behalf, pursuant to this authorization); or
- (3) withholding shares to be issued upon vesting of the Award;

provided, however, that if the Participant is subject to Section 16 of the U.S. Securities Exchange Act of 1934, as amended, then the Corporation will withhold in shares upon the relevant taxable or tax withholding event, as applicable, unless the use of such withholding method is problematic under applicable tax or law or has materially adverse accounting consequences, in which case, the obligation for Tax-Related Items may be satisfied by one or a combination of methods (1), (2) and (3) above.

The Corporation may withhold or account for Tax-Related Items by considering applicable minimum statutory withholding amounts or other applicable withholding rates, including maximum applicable rates in applicable jurisdictions, in which case the Participant may receive a refund of any over-withheld amount in cash and will have no entitlement to the common stock equivalent. If the obligation for Tax-Related Items is satisfied by withholding in shares, for tax purposes, the Participant is deemed to have been issued the full number of shares subject to the Award, notwithstanding that a number of shares is held back solely for the purpose of paying the Tax-Related Items due as a result of any aspect of the Participant's participation in the Plan.

The Participant shall pay to the Corporation or to the Employer any amount of Tax-Related Items that the Corporation or the Employer may be required to withhold or account for as a result of the Participant's participation in the Plan that cannot be satisfied by the means previously described. The Corporation may refuse to deliver shares or the proceeds of the sale of shares to the Participant if he or she fails to comply with his or her obligations in connection with the Tax-Related Items.

The Corporation is located at 351 Phelps Drive Irving, TX 75038, USA and grants employees of the Corporation and its Affiliates the opportunity to participate in the Plan, at the Corporation's sole discretion. If the Participant would like to participate in the Plan and is an employee in a country outside the European Economic Area, the Participant understands that he or she should review the following information about the Corporation's data processing practices and declare his or her consent. If the Participant is an employee in a country that is a member of the European Economic Area, the Participant should review the information about the Corporation's data processing practices set forth in Appendix A attached hereto.

- (i) **Data Collection and Usage.** *The Corporation collects, processes and uses the Participant's personal data, including, name, home address, email address and telephone number, date of birth, social insurance number, passport or other identification number, salary, citizenship, nationality, job title, any shares of stock or directorships held in the Corporation, and details of all awards, canceled, vested, or outstanding in the Participant's favor, which the Corporation receives from the Participant or the Participant's Employer. If the Corporation offers the Participant the opportunity to participate in the Plan, then the Corporation will collect the Participant's personal data for purposes of allocating stock and implementing, administering and managing the Plan. The Corporation's legal basis for the processing of the Participant's personal data would be the Participant's consent.*
- (ii) **Stock Plan Administration Service Providers.** *The Corporation transfers participant data to Merrill Lynch, an independent service provider based in the United States, which assists the Corporation with the implementation, administration and management of the Plan. In the future, the Corporation may select a different service provider and share the Participant's data with another company that serves in a similar manner. The Corporation's service provider will open an account for the Participant. The Participant will be asked to agree on separate terms and data processing practices with the service provider, which is a condition for participation in the Plan.*
- (iii) **International Data Transfers.** *The Corporation and its service providers are based in the United States. If the Participant is outside of the United States, the Participant should note that his or her country may have enacted data privacy laws that are different from the United States. The Corporation's legal basis for the transfer of the Participant's personal data is the Participant's consent.*
- (iv) **Data Retention.** *The Corporation will use the Participant's personal data only as long as is necessary to implement, administer and manage his or her participation in the Plan or as required to comply with legal or regulatory obligations, including under tax and security laws. When the Corporation no longer needs the Participant's personal data, the Corporation will remove it from its systems. If the Corporation keeps data longer, it would be to satisfy legal or regulatory obligations and the Corporation's legal basis would be relevant laws or regulations.*
- (v) **Voluntariness and Consequences of Consent Denial or Withdrawal.** *The Participant's participation in the Plan and the Participant's grant of consent is purely voluntary. The Participant may deny or withdraw his or her consent at any time. If the Participant does not consent, or if he or she withdraws their consent, the Participant cannot participate in the Plan. This would not affect the Participant's salary as an employee; the Participant would merely forfeit the opportunities associated with the Plan.*
- (vi) **Data Subject Rights.** *The Participant has a number of rights under data privacy laws in his or her country. Depending on where the Participant is based, the Participant's rights may include the right to (i) request access or copies of personal data the Corporation processes, (ii) rectification of incorrect data, (iii) deletion of data, (iv) restrictions on processing, (v) portability of data, (vi) to lodge complaints with competent authorities in the Participant's country, and/or (vii) a list with the names and addresses of any potential recipients of the Participant's personal data. To receive clarification regarding the Participant's rights or to exercise the rights please contact the Corporation at Attn: Long-term Incentive Plan Administration at Kimberly Clark, 351 Phelps Drive Irving, TX 75038, USA.*

The Participant also understands that the Corporation may rely on a different legal basis for the processing or transfer of data in the future and/or request that the Participant provides another data privacy consent. If applicable and upon request of the Corporation, the Participant agrees to provide an

executed acknowledgment or data privacy consent form to the Corporation or the Employer (or any other acknowledgments, agreements or consents) that the Corporation and/or the Employer may deem necessary to obtain under the data privacy laws in the Participant's country, either now or in the future. The Participant understands that he or she will not be able to participate in the Plan if the Participant fails to execute any such acknowledgment, agreement or consent requested by the Corporation and/or the Employer.

If the Participant agrees with the data processing practices described in this notice, the Participant will declare his or her consent by clicking the "Accept" icon on the Merrill Lynch website.

The Participant understands that he or she is solely responsible for obtaining/providing whatever exchange control approvals, permits, licenses or notices, which may be necessary for the Award, to acquire the shares or to hold or sell the shares subject to the Award. Neither the Corporation nor its Affiliates will be responsible for obtaining such approvals, licenses or permits, or for making any such notices, nor will the Corporation or its Affiliates be liable for any fines or penalties the Participant may incur for failure to obtain any required approvals, permits or licenses or to make any required notices.

In accepting the grant of this Award, the Participant acknowledges that he or she has received a copy of the Plan and the Award Agreement and has reviewed the Plan and the Award Agreement, including Appendix A, in their entirety and fully understands and accepts all provisions of the Plan and the Award Agreement, including Appendix A.

The Participant acknowledges that he or she has read and specifically and expressly approves the following sections of the Award Agreement: Section 2(g) on Payment of Tax-Related Items; Section 5 on No Right of Continued Employment; Section 8 on Delaware Law to Govern; the section on Acknowledgment of Conditions; and the Data Privacy Notice sections of both the Award Agreement and Appendix A for the Participant's country.

The provisions of this Award Agreement are severable and if one or more of the provisions of this Award Agreement shall be held invalid, illegal or otherwise unenforceable, in whole or in part, the remaining provisions shall nonetheless be binding and enforceable. To the extent that any provisions of this Award Agreement are held to be invalid or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby and the invalid, illegal or unenforceable provisions shall be deemed null and void; however, to the extent permissible by law, any provisions which could be deemed null and void shall first be construed, interpreted or revised retroactively to permit this Award Agreement to be construed so as to foster the intent of this Award Agreement and the Plan.

The Participant acknowledges that he or she is sufficiently proficient in English, or has consulted with an advisor who is sufficiently proficient in English, so as to allow the Participant to understand the terms and conditions of this Award Agreement. Furthermore, if the Participant has received this Award Agreement or any other document related to the Plan translated into a language other than English and if the meaning of the translated version is different than the English version, the English version will control.

Notwithstanding any provisions in this Award Agreement, the Award shall be subject to any special terms and conditions set forth in Appendix A to this Award Agreement for the Participant's country. Moreover, if the Participant relocates to one of the countries included in Appendix A, the special terms and conditions for such country will apply to the Participant, to the extent the Corporation determines that the application of such terms and conditions is necessary or advisable for legal or administrative reasons. Appendix A constitutes part of this Award Agreement.

For U.S. Participants only: The Participant acknowledges that the grant of an Award is expressly conditioned on the non-competition provisions set forth in Section 19.

The Corporation reserves the right to impose other requirements on the Participant's participation in the Plan, on the Award and on any shares acquired under the Plan, to the extent the Corporation determines it is necessary or advisable for legal or administrative reasons, and to require the Participant to sign any additional agreements or undertakings that may be necessary to accomplish the foregoing.

The Corporation may, in its sole discretion, decide to deliver any documents related to current or future participation in the Plan by electronic means. The Participant hereby consents to receive such documents by on-line delivery and agree to participate in the Plan through an on-line or electronic system established and maintained by the Corporation or a third-party designated by the Corporation.

A waiver by the Corporation of breach of any provision of this Award Agreement shall not operate or be construed as a waiver of any other provision of this Award Agreement, or of any subsequent breach by the Participant or any other participant.

The Participant may be subject to insider trading restrictions and/or market abuse laws in applicable jurisdictions, which may affect the Participant's ability to, directly or indirectly, accept, acquire, sell, or attempt to sell or otherwise dispose of shares of Common Stock or rights to shares of Common Stock (e.g., PRSUs), or rights linked to the value of shares of Common Stock during such times as the Participant is considered to have "inside information" regarding the Corporation (as defined by the laws in the applicable jurisdictions or the Participant's country). Local insider trading laws and regulations may prohibit the cancellation or amendment of orders the Participant placed before possessing inside information. Furthermore, the Participant may be prohibited from (i) disclosing the inside information to any third party, including fellow employees (other than on a "need to know" basis) and (ii) "tipping" third parties or causing them to otherwise buy or sell securities. Any restrictions under these laws or regulations are separate from and in addition to any restrictions that may be imposed under any applicable Corporation insider trading policy. The Participant is responsible for ensuring his or her compliance with any applicable restrictions and is advised to speak with his or her personal legal advisor on this matter.

The Participant's country may have certain foreign asset and/or foreign account reporting requirements and exchange controls which may affect the Participant's ability to acquire or hold shares of Common Stock acquired under the Plan or cash received from participating in the Plan (including from any dividends paid on shares acquired under the Plan) in a brokerage or bank account outside the Participant's country. The Participant may be required to report such accounts, assets or transactions to the tax or other authorities in the Participant's country. The Participant also may be required to repatriate sale proceeds or other funds received as a result of participation in the Plan to his or her country through a designated bank or broker within a certain time after receipt. The Participant acknowledges that it is his or her responsibility to be compliant with such regulations, and that the Participant should consult his or her personal legal advisor for any details.

The Participant acknowledges that he or she has reviewed the Corporation's Code of Conduct. The Participant further acknowledges that he or she understands and will comply with the terms and standards contained in that Code of Conduct, including but not limited to the prohibition against retaliation, and specifically acknowledges that he or she has an obligation to report suspected violations of the Code of Conduct pursuant to the Corporation's Escalation Policy.

Conclusion and Acceptance

The Participant accepts this grant via electronic signature by clicking the "Accept" icon and certifies that he or she has read, understands and agrees to the terms and conditions of the 2011 Equity Participation Plan (the "Plan"), the provisions of the applicable Award Agreement and all other applicable documents (including any country-specific terms applicable to the Participant's grant). The Participant hereby authorizes the Employer to furnish the Corporation (and any agent administering the Plan or providing recordkeeping services) with such information and data as it shall request in order to facilitate the grant of

Awards and enable administration of the Plan and the Participant understands that such information shall be used only as long and to the extent necessary to administer the Participant's participation in the Plan. The Participant agrees that his or her participation in the Plan and the Awards granted to the Participant under the Plan will be governed solely by provisions of U.S. law.

APPENDIX A

Certain capitalized terms used but not defined in this Appendix A have the meanings set forth in the Plan and/or the Award Agreement.

This Appendix A includes additional terms and conditions that govern the Award granted to the Participant under the Plan if the Participant resides and/or works in one of the countries listed below.

This Appendix A also includes information regarding exchange controls and certain other issues of which the Participant should be aware with respect to the Participant's participation in the Plan. The information is based on the securities, exchange control and other laws in effect in the respective countries as of January 2019. Such laws are often complex and change frequently. As a result, the Corporation strongly recommends that the Participant not rely on the information noted herein as the only source of information relating to the consequences of the Participant's participation in the Plan because the information may be out of date at vesting of the Award or the subsequent sale of the shares or receipt of any dividends or dividend equivalents.

In addition, the information is general in nature and may not apply to the Participant's particular situation, and the Corporation is not in a position to assure the Participant of any particular result. Accordingly, the Participant is advised to seek appropriate professional advice as to how the relevant laws in the Participant's country may apply to the Participant's situation.

Finally, if the Participant is a citizen or resident of a country other than the one in which the Participant is currently residing and/or working, transferred or transfers employment and or residency after the Award is granted or is considered a resident of another country for local law purposes, the information contained herein may not be applicable to the Participant. The Corporation shall, in its sole discretion, determine to what extent the terms and conditions included herein will apply to the Participant in such circumstances.

EUROPEAN ECONOMIC AREA

Data Protection

For Participants resident in a country in the European Economic Area, the following language replaces in its entirety the data privacy section in the Acknowledgment of Conditions section of the Award Agreement:

(a) ***The Participant is hereby notified of the collection, use and transfer outside of the European Economic Area, as described in the Award Agreement, in electronic or other form, of his or her Personal Data (defined below) by and among, as applicable, the Corporation and certain of its Affiliates for the exclusive and legitimate purpose of implementing, administering and managing the Participant's participation in the Plan.***

(b) ***The Participant understands that the Corporation and the Employer hold certain personal information about the Participant, including, but not limited to, the Participant's name, home address and telephone number, email address, date of birth, social insurance number, passport or other identification number, salary, nationality, job title, any shares of Common Stock or directorships held in the Corporation, details of all entitlement to shares of Common Stock awarded, canceled, exercised, vested, unvested or outstanding in Participant's favor ("Personal Data"), for the purpose of implementing, administering and managing the Plan.***

(c) **The Participant understands that providing the Corporation with this Personal Data is necessary for the performance of the Award Agreement and that the Participant's refusal to provide the Personal Data would make it impossible for the Corporation to perform its contractual obligations and may affect the Participant's ability to participate in the Plan. The Participant's Personal Data shall be accessible within the Corporation only by the persons specifically charged with Personal Data processing operations and by the persons that need to access the Personal Data because of their duties and position in relation to the performance of the Award Agreement.**

(d) **The Personal Data will be held only as long as is necessary to implement, administer and manage the Participant's participation in the Plan. The Participant may, at any time and without cost, contact Long-term Incentive Plan Administration at Kimberly Clark, 351 Phelps Drive Irving, TX 75038, USA to enforce his or her rights under the data protection laws in the Participant's country, which may include the right to (i) request access or copies of Personal Data subject to processing; (ii) request rectification of incorrect Personal Data; (iii) request deletion of Personal Data; (iv) request restriction on processing of Personal Data; (v) request portability of Personal Data; (vi) lodge complaints with competent authorities in the Participant's country; and/or (vii) request a list with the names and addresses of any potential recipients of Personal Data.**

(e) **The Corporation provides appropriate safeguards for protecting Personal Data that it receives in the U.S. through its adherence to data transfer agreements entered into between the Corporation and its Affiliates within the European Union.**

(f) **Further, the Participant understands that the Corporation will transfer Personal Data to Merrill Lynch and/or such other third parties as may be selected by the Corporation, which are assisting the Corporation with the implementation, administration and management of the Plan. The Corporation may select a different service provider or additional service providers and share Personal Data with such other provider(s) serving in a similar manner. The Participant may be asked to agree on separate terms and data processing practices with the service provider, with such agreement being a condition to the ability to participate in the Plan.**

(g) **Merrill Lynch is based in the United States. The Participant's country or jurisdiction may have different data privacy laws and protections than the United States. Notwithstanding, by participating in the Plan, the Participant agrees to the transfer of his or her Personal Data to Merrill Lynch for the exclusive purpose of administering the Participant's participation in the Plan. The Corporation's legal basis, where required, for the transfer of Data to Merrill Lynch is the Participant's consent.**

(h) **Finally, the Participant may choose to opt out of allowing the Corporation to share his or her Personal Data with Merrill Lynch and others as described above, although execution of such choice may mean the Corporation cannot grant awards under the Plan to the Participant. For questions about this choice or to make this choice, the Participant should contact Long-term Incentive Plan Administration at Kimberly Clark, 351 Phelps Drive Irving, TX 75038, USA.**

In the event that, more than six months after the Grant Date, the Participant's termination of employment is due to the shutdown or divestiture of the Corporation's or its Affiliate's business, it shall result in pro rata vesting. This pro-rata vesting shall be determined based on the Target Level of PRSUs (including any accrued dividend equivalents accumulated pursuant to Section 2(a)) and prorated for the number of full years of employment during the Restricted Period prior to the Participant's termination of employment. Acknowledgment of Conditions

The following provision supplements the Acknowledgment of Conditions section of the Award Agreement:

Except as may otherwise be explicitly provided in the Plan or this Award Agreement, for the purposes of this Award Agreement, the Participant's termination of employment will be measured effective as of the date that is the earlier of: (1) the date the Participant's employment is terminated, (2) the date the Participant receives notice of termination of employment or service from the Employer, or (3) the date the Participant is no longer actively employed or providing services, regardless of any notice period or period of pay in lieu of such notice required under local law (including, but not limited to, statutory law, regulatory law, and/or common law); the Committee shall have the exclusive discretion to determine when the

Participant is no longer actively employed or providing services for purposes of the Award (including whether the Participant may still be considered employed while on a leave of absence).

Foreign Asset/Account Reporting Information

Foreign specified property (including shares of Common Stock) held by Canadian residents must be reported annually on Form T1135 (Foreign Income Verification Statement) if the total cost of such foreign specified property exceeds C\$100,000 at any time during the year. Foreign specified property includes shares of Common Stock acquired under the Plan and may include the PRSUs. The PRSUs must be reported - generally at a nil cost - if the \$100,000 cost threshold is exceeded because of other foreign property the Participant holds. If shares of Common Stock are acquired, their cost generally is the adjusted cost base ("ACB") of the shares. The ACB would normally equal the Fair Market Value of the shares at vesting, but if the Participant owns other shares, this ACB may have to be averaged with the ACB of the other shares. If due, the Form must be filed by April 30 of the following year. The Participant should speak with a personal tax advisor to determine the scope of foreign property that must be considered for purposes of this requirement.

The following provisions apply if the Participant is a resident of Quebec:

Further, the Corporation is under no obligation to vest the PRSUs and/or issue shares of Common Stock if the Corporation's SAFE approval becomes invalid or ceases to be in effect by the time the Participant vests in the PRSUs.

Shutdown or Divestiture

The following provision replaces Section 2(d) of the Award Agreement.

In the event that, more than six months after the Grant Date, the Participant's termination of employment is due to the shutdown or divestiture of the Corporation's or its Affiliate's business, it shall result in pro-rata vesting, as determined by the Committee, and the number of shares that are considered to vest shall

Any fractional share of the Corporation resulting from such a prorated Award shall be rounded to the nearest whole share.

Termination of Employment

Except for a termination of employment due to the shutdown or divestiture of a business unit, as described above, and notwithstanding any other provision in the Award Agreement, the Participant shall forfeit any unvested Award, including any accrued dividend equivalents, upon any termination of employment including, but not limited to, any termination that is due to a Qualified Termination of Employment, death, Retirement or Total and Permanent Disability.

The Participant acknowledges and agrees that he or she must sell any shares of Common Stock issued to him or her upon vesting of the Awards as soon as practicable following the Participant's termination of employment for any reason and in no event later than three months following the Participant's termination of employment. The Participant agrees that if he or she continues to hold any of such shares of Common Stock after this time, the shares of Common Stock may be sold by the Corporation's designated broker on the Participant's behalf at the instruction of the Corporation. Therefore, by accepting the Awards, the Participant understands and agrees that the Corporation is authorized to, and may in its sole discretion, instruct its designated broker to assist with the mandatory sale of shares of Common Stock (on the Participant's behalf pursuant to this authorization) and that the Participant expressly authorizes the Corporation's designated broker to complete the sale of such shares of Common Stock. The Participant acknowledges that the Corporation's designated broker is under no obligation to arrange for the sale of the shares of Common Stock at any particular price. The Participant may be required to sell any shares of Common Stock obtained under the Plan if the Corporation determines that the application of such condition is necessary or advisable for China SAFE exchange control, legal or other administrative reasons.

The Participant understands and agrees that, to facilitate compliance with exchange control requirements, the Participant will be required to immediately repatriate to China the cash proceeds from the sale of shares of Common Stock acquired upon vesting of the Awards or from any dividends or dividend equivalents paid on the shares of Common Stock. The Participant further understands that, under local law, such repatriation of the cash proceeds will be effectuated through a special exchange control account established by the Corporation or one of its Affiliates in China, and the Participant hereby consents and agrees that the cash proceeds related to the Participant's participation in the Plan may be transferred to such special account prior to being delivered to the Participant. The Corporation may deliver the proceeds to the Participant in U.S. dollars or local currency at the Corporation's discretion. If the proceeds are paid in U.S. dollars, the Participant understands that he or she will be required to set up a U.S. dollar bank account in China so that the proceeds may be deposited into this account. If the proceeds are converted to local currency, there may be delays in delivering the proceeds to the Participant. The Participant agrees to bear the risk of any currency fluctuation between the time the shares of Common Stock are sold, either through voluntary sale or through a mandatory sale arranged by the Corporation, or proceeds are otherwise realized under the Plan and the time such proceeds are distributed to the Participant through the special exchange control account.

The Participant further agrees to comply with any other requirements that may be imposed by the Corporation in the future to facilitate compliance with exchange control requirements in China.

Awards Payable in Cash Only

Notwithstanding anything in the Award Agreement, Awards granted to Participants in Morocco do not provide any right for the Participant to receive shares of Common Stock and shall be paid only in cash through local payroll in an amount equal to the value of the shares at vesting less any Tax-Related Items. The Participant agrees to bear any currency fluctuation risk between the time the Awards vest and the time the cash payment is distributed to the Participant. The Corporation reserves the right to settle the Awards in shares of Common Stock to the extent the Corporation determines it is necessary or advisable for legal or administrative reasons.

NEW ZEALAND

Securities Law Information

The Participant is being offered PRSUs which, if vested, will entitle the Participant to acquire shares of Common Stock in accordance with the terms of the Award Agreement and the Plan. The shares of Common Stock, if issued, will give the Participant a stake in the ownership of the Corporation. The Participant may receive a return if dividends are paid.

If the Corporation runs into financial difficulties and is wound up, the Participant will be paid only after all creditors and holders of preference shares (if any) have been paid. The Participant may lose some or all of the Participant's investment, if any.

New Zealand law normally requires people who offer financial products to give information to investors before they invest. This information is designed to help investors to make an informed decision. The usual rules do not apply to this offer because it is made under an employee share scheme. As a result, the Participant may not be given all the information usually required. The Participant will also have fewer other legal protections for this investment. The Participant is advised to ask questions, read all documents carefully, and seek independent financial advice before committing.

The shares of Common Stock are quoted on the New York Stock Exchange ("NYSE"). This means that if the Participant acquires shares of Common Stock under the Plan, the Participant may be able to sell the shares of Common Stock on the NYSE if there are interested buyers. The Participant may get less than the Participant invested. The price will depend on the demand for the shares of Common Stock.

For information on risk factors impacting the Corporation's business that may affect the value of the shares of Common Stock, the Participant should refer to the risk factors discussion on the Corporation's Annual Report on Form 10-K and Quarterly Reports on Form 10-Q, which are filed with the U.S. Securities and Exchange Commission and are available online at www.sec.gov, as well as on the Corporation's "Investor Relations" website at <http://investor.kimberly-clark.com/index.cfm>.

The Participant agrees to execute other consents or elections to accomplish the foregoing, promptly upon request by the Corporation or the Employer.

If required, the reports must be filed on a quarterly basis on special forms that are available on the website of the National Bank of Poland. Polish residents should consult with their personal tax advisor to determine their personal reporting obligations.

Exchange Control Information

If a Polish resident transfers funds in excess of €15,000 into Poland, the funds must be transferred via a Polish bank account or financial institution. RUSSIA

Securities Law Information

This Award Agreement, the Plan and all other materials the Participant may receive regarding participation in the Plan do not constitute advertising or an offering of securities in Russia. Absent any requirement under local law, the issuance of shares of Common Stock under the Plan has not and will not be registered in Russia and hence the shares described in any Plan-related documents may not be offered or placed in public circulation in Russia. In no event will shares of Common Stock issued to the Participant under the Plan be delivered to the Participant in Russia.

Please note that, under the Russian law, the Participant is not permitted to sell the Corporation's shares directly to other Russian individuals and the Participant is not permitted to bring share certificates into Russia.

Exchange Control Information

The Participant should contact his or her personal advisor regarding the obligations resulting from participation in the Plan as significant penalties may apply in the case of non-compliance with exchange control requirements and because such exchange control requirements may change.

Foreign Asset/Account Reporting Information

Russian residents will be required to notify the Russian tax authorities within one month of opening or closing a foreign bank account or of changing any account details. Russian residents are also required to file with the Russian tax authorities reports of the transactions in their foreign bank accounts. The Participant should consult with his or her personal tax advisor for additional information about these reporting obligations.

Data Privacy Notice

This provision supplements the Data Privacy section in the Acknowledgment and Conditions section of the Award Agreement:

The Participant understands and agrees that he or she must complete and return a Consent to Processing of Personal Data (the "Consent") form to the Corporation if requested. Further, the Participant understands and agrees that if the Participant does not complete and return a Consent form to the Corporation if requested, the Corporation will not be able to grant PRSUs to the Participant or other awards or administer or maintain such awards. Therefore, the Participant understands that refusing to complete a Consent form or withdrawing his or her consent may affect the Participant's ability to participate in the Plan.

Anti-Corruption Information

Anti-corruption laws prohibit certain public servants, their spouses and their dependent children from owning any foreign source financial instruments (e.g., shares of foreign companies such as the Corporation). Accordingly, the Participant should inform the Corporation if he or she is covered by these laws because the Participant should not hold shares of common stock acquired under the Plan.

Labor Law Information

If the Participant continues to hold shares of Common Stock acquired at vesting of the PRSUs after an involuntary termination of employment, he or she may not be eligible to receive unemployment benefits in Russia.

SINGAPORE

Sale Restriction

The Participant agrees that any shares of Common Stock acquired pursuant to the PRSUs will not be offered for sale in Singapore prior to the six-month anniversary of the Grant Date, unless such sale or offer is made pursuant to the exemptions under Part XIII Division (1) Subdivision (4) (other than section 280) of the Securities and Futures Act (Chapter 289, 2006 Ed.) (“SFA”).

Securities Law Information

The grant of the PRSUs is being made pursuant to the “Qualifying Person” exemption” under section 273(1)(f) of the SFA under which it is exempt from the prospectus and registration requirements and is not made with a view to the underlying shares of Common Stock being subsequently offered for sale to any other party. The Plan has not been and will not be lodged or registered as a prospectus with the Monetary Authority of Singapore.

Chief Executive Officer and Director Notification Obligation

If the Participant is the Chief Executive Officer (“CEO”) or a director, associate director or shadow director of the Corporation’s Singapore Affiliate, the Participant is subject to certain notification requirements under the Singapore Companies Act. Among these requirements is an obligation to notify the Corporation’s Singapore Affiliate in writing when the Participant receives an interest (e.g., an Award or shares) in the Corporation or any Affiliate. In addition, the Participant must notify the Corporation’s Singapore Affiliate when he or she sells shares of the Corporation or of any Affiliate (including when the Participant sells shares issued upon vesting and settlement of the Award). These notifications must be made within two business days of (i) acquiring or disposing of any interest in the Corporation or any Affiliate, or (ii) any change in a previously-disclosed interest (e.g., upon vesting of the Award or when shares of Common Stock acquired under the Plan are subsequently sold). In addition, a notification of the Participant’s interests in the Corporation or any Affiliate must be made within two business days of becoming the CEO or a director, associate director or shadow director.

SLOVAK REPUBLIC

Foreign Asset/Account Reporting Information

If the Participant permanently resides in the Slovak Republic and, apart from being employed, carries on business activities as an independent entrepreneur (in Slovakian, *podnikateľ*), the Participant will be obligated to report his or her foreign assets (including any foreign securities) to the National Bank of Slovakia (provided that the value of the foreign assets exceeds an amount of €2,000,000). These reports must be submitted on a monthly basis by the 15th day of the respective calendar month, as well as on a quarterly basis by the 15th day of the calendar month following the respective calendar quarter, using notification form DEV (NBS) 1-12, which may be found at the National Bank of Slovakia’s website at www.nbs.sk.

SLOVENIA

There are no country specific provisions.

SOUTH AFRICA

Tax Acknowledgment

By accepting the Award, the Participant agrees to notify the Employer of the amount of any gain realized upon vesting of the Award. If the Participant fails to advise the Employer of the gain realized upon

vesting, the Participant may be liable for a fine. The Participant will be responsible for paying any difference between the actual tax liability and the amount withheld.

Exchange Control Information

To participate in the Plan, the Participant must comply with exchange control regulations and rulings (the "Exchange Control Regulations") in South Africa.

Because the Exchange Control Regulations change frequently and without notice, the Participant understands that he or she should consult a legal advisor prior to the acquisition or sale of shares under the Plan to ensure compliance with current regulations. The Participant understands that it is his or her responsibility to comply with South African exchange control laws, and neither the Corporation nor the Employer will be liable for any fines or penalties resulting from failure to comply with applicable laws.

Securities Law Information

In compliance with South African securities law, the Participant acknowledges that the documents listed below are available for review at the addresses listed below:

- a) The Corporation's most recent annual financial statements: <http://investor.kimberly-clark.com/sec.cfm?DocType=Annual&Year=>
- b) The Corporation's most recent Plan prospectus may be accessed online through Merrill Lynch, or such other stock plan service provider as may be selected by the Corporation in the future, at www.mybenefits.ml.com in the Document Library.

A copy of the above documents will be sent free of charge upon written request to Stock Plan Administrator, P.O. Box 619100, Dallas, Texas 75261-9100. In addition, the Participant should contact his or her tax advisor for specific information concerning his or her personal tax situation with regard to Plan participation.

SPAIN

Securities Law Information

No "offer of securities to the public," as defined under Spanish law, has taken place or will take place in the Spanish territory in connection with the grant of this Award. The Award Agreement (including this Appendix A) has not been, nor will it be, registered with the *Comisión Nacional del Mercado de Valores*, and does not constitute a public offering prospectus.

Labor Law Acknowledgment

By accepting the Award, the Participant acknowledges that he or she understands and agrees to participation in the Plan and that he or she has received a copy of the Plan.

The Participant understands that the Corporation has unilaterally, gratuitously and discretionally decided to grant Awards under the Plan to individuals who may be employees of the Corporation or its Affiliates throughout the world. The decision is a limited decision that is entered into upon the express assumption and condition that any grant will not economically or otherwise bind the Corporation or any of its Affiliates on an ongoing basis. Consequently, the Participant understands that any grant is given on the assumption and condition that it shall not become a part of any employment contract (either with the Corporation or any of its Affiliates) and shall not be considered a mandatory benefit, salary for any purposes (including severance compensation) or any other right whatsoever. Further, the Participant understands and freely accepts that there is no guarantee that any benefit whatsoever shall arise from any gratuitous and discretionary grant since the future value of the Award and the underlying shares is

unknown and unpredictable. In addition, the Participant understands that this grant would not be made but for the assumptions and conditions referred to above; thus, the Participant understands, acknowledges and freely accepts that should any or all of the assumptions be mistaken or should any of the conditions not be met for any reason, then the Award shall be null and void.

Further, the Participant understands that the Award is a conditional right. Participant shall forfeit any unvested Award upon termination of employment unless such termination is (i) due to a Qualified Termination of Employment, or (ii) if more than six months after the Grant Date, due to death, Total and Permanent Disability, or the shutdown or divestiture of a business unit. Vesting will cease, for example, regardless of whether (1) the Participant is considered to be unfairly dismissed without good cause (i.e., subject to a “despido improcedente”); (2) the Participant is dismissed for disciplinary or objective reasons or due to a collective dismissal; (3) the Participant terminates his or her employment or service relationship due to a change of work location, duties or any other employment or contractual condition; and (4) the Participant terminates his or her employment or service relationship due to a unilateral breach of contract by the Corporation or an Affiliate. Consequently, upon termination of the Participant’s employment or service relationship for any of the above reasons, the Participant may automatically lose any rights to the PRSUs that were not vested on the date of termination of the Participant’s employment or service relationship, as described in the Plan and the Award Agreement.

Exchange Control Information

The acquisition, ownership and sale of shares of Common Stock under the Plan must be declared to the Spanish Dirección General de Comercio e Inversiones (the “DGCI”), which is a department of the Ministry of Economy and Competitiveness. The Participant must also declare ownership of any shares of Common Stock by filing a Form D-6 with the Directorate of Foreign Transactions each January while the shares of Common Stock are owned. In addition, the sale of shares of Common Stock must also be declared on Form D-6 filed with the DGCI in January, unless the sale proceeds exceed the applicable threshold (currently €1,502,530) (or the Participant holds 10% or more of the share capital of the Corporation or such other amount that would entitle the Participant to join the Corporation’s Board of Directors), in which case, the filing is due within one month after the sale.

When receiving foreign currency payments derived from the ownership of shares of Common Stock (e.g., sale proceeds) exceeding €50,000, the Participant must inform the financial institution receiving the payment of the basis upon which such payment is made. The Participant will need to provide the institution with the following information: (i) the Participant’s name, address, and tax identification number; (ii) the name and corporate domicile of the Corporation; (iii) the amount of the payment; the currency used; (iv) the country of origin; (v) the reasons for the payment; and (vi) further information that may be required.

Spanish residents are required to declare electronically to the Bank of Spain any foreign accounts (including brokerage accounts held abroad), any foreign instruments (including any shares of Common Stock acquired under the Plan) and any transactions with non-Spanish residents (including any payments of shares of Common Stock made to the Participant by the Corporation or through a U.S. brokerage account) if the value of the transactions for all such accounts during the prior year or the balances in such accounts as of December 31 of the prior year exceeds €1,000,000. If neither the total balances nor total transactions with non-residents during the relevant period exceed €50,000,000, a summarized form declaration may be used. More frequent reporting is required if such transaction value or account balance exceeds €100,000,000.

Foreign Asset/Account Reporting Information

If the Participant holds rights or assets (e.g., shares of Common Stock or cash held in a bank or brokerage account) outside of Spain with a value in excess of €50,000 per type of right or asset (e.g., shares of Common Stock, cash, etc.) as of December 31 each year, the Participant is required to report

certain information regarding such rights and assets on tax form 720. After such rights and/or assets are initially reported, the reporting obligation will only apply for subsequent years if the value of any previously-reported rights or assets increases by more than €20,000. The reporting must be completed by the following March 31.

SWITZERLAND

Securities Law Information

The Awards offered by the Corporation are considered a private offering in Switzerland; therefore, such offer is not subject to registration in Switzerland. Neither this document nor any other materials relating to the Awards constitute a prospectus as such term is understood pursuant to article 652a of the Swiss Code of Obligations, and neither this document nor any other materials relating to the Awards may be publicly distributed nor otherwise made publicly available in Switzerland. Neither this document nor any other offering or marketing material relating to the PRSUs has been or will be filed with, approved or supervised by any Swiss regulatory authority (in particular, the Swiss Financial Supervisory Authority (FINMA)).

TAIWAN

Data Privacy

The following provision supplements the data privacy section in the Acknowledgment of Conditions section of the Award Agreement:

The Participant acknowledges that he or she has read and understands the terms regarding collection, processing and transfer of data contained in the Acknowledgment of Conditions section of the Award Agreement and, by participating in the Plan the Participant agrees to such terms. In this regard, upon request of the Corporation or the Employer, the Participant agrees to provide any executed data privacy consent form to the Employer or the Corporation (or any other agreements or consents that may be required by the Employer or the Corporation) that the Corporation and/or the Employer may deem necessary to obtain under the data privacy laws now or in the future. The Participant understands that he or she will not be able to participate in the Plan if the Participant fails to execute any such consent or agreement.

Securities Law Information

The offer of participation in the Plan is available only for employees of the Corporation and its Affiliates. The offer of participation in the Plan is not a public offer of securities by a Taiwanese company.

Exchange Control Information

Taiwanese residents may acquire and remit foreign currency (including proceeds from the sale of shares of Common Stock or the receipt of dividends) into and out of Taiwan up to US\$5,000,000 per year. If the transaction amount is TWD500,000 or more in a single transaction, the Participant must submit a foreign exchange transaction form and also provide supporting documentation to the satisfaction of the remitting bank.

THAILAND

Exchange Control Information

If the proceeds from the sale of shares of Common Stock or the receipt of dividends paid on such shares are equal to or greater than US\$50,000 in a single transaction, Thai residents must repatriate all cash proceeds to Thailand immediately following the receipt of the cash proceeds and then either convert such

proceeds to Thai Baht or deposit the proceeds into a foreign currency account opened with a commercial bank in Thailand within 360 days of repatriation. In addition, Thai residents must specifically report the inward remittance to the Bank of Thailand on a foreign exchange transaction form. If the Participant fails to comply with these obligations, the Participant may be subject to penalties assessed by the Bank of Thailand.

The Participant should consult his or her personal advisor prior to taking any action with respect to remittance of cash proceeds into Thailand. The Participant is responsible for ensuring compliance with all exchange control laws in Thailand.

UKRAINE

Awards Payable in Cash Only

Notwithstanding anything in the Award Agreement, Awards granted to Participants in Ukraine do not provide any right for the Participant to receive shares of Common Stock and shall be paid only in cash through local payroll in an amount equal to the value of the shares at vesting less any Tax-Related Items. The Participant agrees to bear any currency fluctuation risk between the time the Awards vest and the time the cash payment is distributed to Participant through local payroll. The offer of the Award is available only for select employees of the Corporation and its Affiliates and is in the nature of providing employee incentives in the United Arab Emirates. The Plan and the Award Agreement are intended for distribution only to such employees and must not be delivered to, or relied on, by any other person. Prospective purchasers of securities should conduct their own due diligence.

The Emirates Securities and Commodities Authority has no responsibility for reviewing or verifying any documents in connection with this statement, including the Plan and the Award Agreement, or any other

UNITED KINGDOM

Tax Acknowledgment

The following information supplements the information regarding Tax-Related Items in the Acknowledgment of Conditions section of the Award Agreement:

Without limitation to the information regarding Tax-Related Items in the Award Agreement, the Participant agrees that he or she is liable for all Tax-Related Items and hereby covenants to pay all such Tax-Related Items, as and when requested by the Corporation or, if different, the Employer or by Her Majesty's Revenue & Customs ("HMRC") (or any other tax authority or any other relevant authority). The Participant agrees to indemnify and keep indemnified the Corporation and/or the Employer for all Tax-Related Items that they are required to pay, or withhold or have paid or will pay to HMRC on the Participant's behalf (or any other tax authority or any other relevant authority) and authorizes the Corporation and/or the Employer to recover such amounts by any of the means referred to in the Acknowledgment of Conditions section of the Award Agreement.

Notwithstanding the foregoing, if the Participant is an executive officer or director (as within the meaning of Section 13(k) of the U.S. Securities and Exchange Act of 1934, as amended), the Participant understands that he or she may not be able to indemnify the Corporation for the amount of any Tax-Related Items not collected from or paid by the Participant, if the indemnification could be considered to be a loan. In this case, the Tax-Related Items not collected or paid may constitute a benefit to the Participant on which additional income tax and National Insurance contributions ("NICs") may be payable. The Participant acknowledges that the Participant ultimately will be responsible for reporting and paying any income tax due on this additional benefit directly to HMRC under the self-assessment regime and for paying to the Corporation or the Employer (as appropriate) the amount of any NICs due on this additional benefit which the Corporation and/or the Employer may also recover from the Participant at any time thereafter by any of the means referred to in the Acknowledgment of Conditions section of the Award Agreement.
